## Dividend

At the regular meeting of the Board of Directors of National Commercial Bank and Trust Company held December 13, 1966, a dividend of 45 cents a share and an extra dividend of 10 cents a share were declared on the outstanding \$7.50 par value Capital Stock of the bank, payable January 16, 1967 to the shareholders or their legal representatives of record at 2:00 p.m. on January 3, 1967, Frank Wells McCabe, chairman of the board announced recently.

## Champion Knitters!

The members of the Slingerlands Home Demonstration Unit know the meaning of Christmas giving! With all the usual bustle of the season, they have chosen to knot 20 pairs of mittens for the Treasure Tree, set up at the Delmar Public Library. The tree, gay with the jewel colors of the mittens and gifts from others, is annually decorated by knit

wear donated for distribution into an area where disaster and need have arisen. The articles are collected and mailed by the American Friends Society.

Mrs. Arthur Hannan, president of the Slingerlands Home Demonstration Unit, suggested this year's project which has so nobly been carried out by the members.

## Nursery School

The children of Slingerlands Nursery School climaxed several weeks of holiday projects with a Christmas party recently. In the spirit of the season, the boys and girls have been making festive decorations and Christmas cards, preparing mysterious "surprises" to take home, hearing traditional songs and stories, and singing carols.

The youngsters and their teacher, Miss Reynolds, extended an invitation to the mothers and younger children at home to attend their Christmas party, held on the last day of school before the holiday vacation.

## "Bill" Pfeiffer Joins Bank

A man who has garnered more than \$15 million in funds and countless millions of votes for the Republican Party Monday started to all to the \$250 million-plus in assets of the Albany Savings Bank.

William L. Pfeiffer of Slingerlands, who announced he was quitting politics after masterminding the reelection of Governor Rockefeller, at noon was elected executive vice president of the oldest savings bank in northeastern New York.

And, although Mr. Pfeiffer is well known in the Capital District as a political strategist; he brings to his new post three assets with which the average of-server is not generally familiar:

— He has a long career in banking and financial dealings, with not only savings and commercial banks, but also state funds.

— He has been an Albany resident off and on for a good part of his life.

— He is and has been for many years a director of the Albany Savings Bank, which was founded in 1820.

1, at 6:30 p.m. over WRGB.

Birgit Nilsson, Leontyne Price, Joan Sutherland and Renata Tebaldi will star in "The First Ladies of Opera."

Each will sing two arias she herself has selected as best suited to her own voice and technique.

Viewers will also get a glimpse of the personal side of each singer during an informal interview with musical director-consultant Donald Voorhees.
