Theatre Trip

The Delmar Progress Club "Dramobile" will leave from the Library at 7 P.M. Tuesday, February 28, and travel to the Schenectady Civic Playhouse. The program will include a conducted tour of the Playhouse, now in its 39th season. Purchased in 1929, the theatre has a seating capacity of 345. Five shows a year are performed with each of the shows running for six nights. Subscriptions are sold out so far in advance it is necessary to withhold a percentage of the seats for general sale. Members are all volunteers who live within a radius of fifty miles.

James Lommel, a Research Metallurgist at General Electric, is President of the organization and director of lighting. He will introduce members of the staff and discuss the history of the group. Jack Byrne, a member of the Board of Directors, will speak on the philosophy of the Playhouse. Tournay Millor will cover the subject of lighting effects and demonstrate exhibits and techniques of lighting equipment. A social period of questions and answers will follow the program. Miss Pauline McLeod is Hospitality Chairman.

Club members wishing to make the trip may contact Mrs. B. Lionel Truscott, Program Chairman. Mrs. Albert B. Wilber and Mrs. Frederick A. Baker are Co-Chairmen.

Speaker

Mr. Richard Hughes, a Bethlehem Central teacher and former Civil Rights Worker, will lecture on Voter Registration for Negroes. The lecture will be held at the Senior High School Library at 7:30 on Wednesday, March 1, and is open to the public free of charge.

Cadet Honored

Cadet Edmund I. Kiley of Slingerlands, son of Dr. and Mrs. John E. Kiley, a former Bethlehem Central athlete, has been named co-captain of the 1967 Coast Guard Academy football team.

Ned, a linebacker and guard, has been a two-year letterman at the New London, Conn. School.

Cadet Edmund Kiley

During the 1966 season, he was selected for the College Athletic Conference Division, 11 weekly All-Star team. This honor was for his play against American International College. Kiley kicked two field goals, intercepted a pass and made 12 tackles from his linebacker spot.

During the semester Kiley has been named to the Commandant of Cadets list. This honor is based on good grades, conduct and adaptability.

While at Bethlehem Central, Ned played football, was on the wrestling team and on the tennis team. He was a New York State Regents Scholarship winner.

The Coast Guard Academy in New London, Conn. is the smallest of the four service academies.

The lecture is the first in a series to be sponsored by the Senior High's chapter of National Honor Society.

DO YOU KNOW?

That if YOU BOUGHT A HOME in the Town of Bethlehem during the last few years **YOU** are paying **FAIR MORE THAN YOUR FAIR SHARE OF TAXES!**

That owners of properties **WORTH** as much as, or **MORE THAN YOUR HOME**, but who bought just a few (or many) years ago are paying **ONLY A FRACTION OF THE TAXES YOU PAY**, because **THEIR LOW ASSESSMENTS** were set before recent high purchase prices!

That there has **NEVER BEEN A TOWN WIDE RE-ASSESSMENT** for property taxes in the Town of Bethlehem; so as time goes by and prices go up the inequity in the taxes gets **WORSE and WORSE!**

That NEW YORK STATE LAW requires all assessing units to **TAX ALL PROPERTY OWNERS** on the **SAME PERCENTAGE OF FULL VALUE (MARKET VALUE)!** In Bethlehem the percentage of Full Market Value is 25% as established by the State Board of Equalization. (Sec. 306- New York State Real Property Tax Law.)

That the Bethlehem **TAX ASSESSMENT FORMULA OF 27%** of **PURCHASE PRICE** works a **COSTLY INEQUITY** on all home buyers at recent high property prices!

That if the Niagara Mohawk Power Co. wins its current suit against the Town **YOU WILL PAY EVEN MORE TAXES** to make up for the loss of Necessary Town and School tax revenues, due to a multimillion dollar **REDUCTION** in the assessment on Niagara Mohawk property in our Town! And if you are a recent home buyer **YOU WILL PAY MORE THAN YOUR FAIR SHARE OF THIS TAX INCREASE!**

That a necessary 3 1/2 million dollar **HIGH SCHOOL ADDITION** will **RAISE YOUR TAX BILL**, and if you are a recent home buyer **YOU WILL PAY MORE THAN YOUR FAIR SHARE OF THIS TAX INCREASE!**

That planned extension of **SEWER FACILITIES** will **RAISE YOUR TAX BILL**, and if you are a recent home buyer **YOU WILL PAY MORE THAN YOUR SHARE OF THIS TAX INCREASE!**

That a **NON-POLITICAL, VOLUNTARY COMMITTEE** of taxpayers already has hundreds of signatures on a **PETITION TO THE TOWN BOARD** to demand a **TOWN-WIDE RE-ASSESSMENT**, so that **ALL PROPERTY OWNERS** will pay **THEIR FAIR SHARE OF TAXES!**

That YOUR SIGNATURE (both husband and wife) **BELOW WILL HELP TO EQUALIZE YOUR UNFAIR HIGH TAX BURDEN!**

That a **BRIEF PHONE CALL** to any of the following volunteer Committee members will enable you to get **FURTHER INFORMATION** on this

"Rubbings?"

When you are visiting the Delmar Public Library during the next few weeks be sure and take time to look at and study the really exceptional "rubbings" taken from the walls of temples in Cambodia and Thailand. The Cambodian rubbings are done on heavy textured paper and were undoubtedly applied wet as the figures are raised. A large scene depicts a full battle taken from the myths of the country. Two smaller pieces show dancers in typical Asian posture. In real life the girls begin training when nine or ten, emphasis is placed on hands and the fluidity and grace of movement become a part of the young dancer.

There are perhaps a dozen rubbings from Thailand. These are smooth, the reed paper giving an interesting background. A few are done in black and white many are tinted in soft greens, blues, bronzes, browns. Each of course tells a story. Outstanding is the Ra ma Kien of Thailand - a chariot and warriors off to battle; another tells the story of the abduction of a young wife by the ever greedy Monkey King.

These will hang in the Library Community Room until the first of March after which they may be viewed in the Lounge and hall.

The showcase contains more charming mementos, including the heavy bracelet worn by Thai women above the elbow, a tiny replica of a Thai house on stilts, a peasant woman in native costume, two glittering dancers and a Thep-Pra-Nom. In case you don't know, the latter is interpreted thusly: Thep (angel), Pra (male) Nom (greeting.)

In other words, the antique gilded wooden figure kneels with folded hands to give a Thai greeting. A huge straw coolie hat (the peasant woman wears an identical copy in miniature) and a lovely blue silk formal dress and scarf complete the display.

Mrs. Richard Law of Glenmont is the owner and generous loaner of the exhibit.

It's you!
Think about it. It makes sense.
All of us from the President on down work for you.
Frankly, where would we be without you
and the many people like you?
We know. We'd still be in that little store on Vesey Street
where we started more than 100 years ago.
That's why you're important. That's why we care so much
about how we serve you...
about being fair, honest and dependable.
Is this kind of attitude a good reason for shopping A&P?
It's one of many.

Jazz Program

The Bell Telephone Hour presents the International Jazz

Festival in color on Sunday, February 26, at 6:30 P.M.

The hour-long special, filmed in Comblain-la-Tour, Belgium will feature Benny Goodman Czechoslovakia's Junior Hammer Trio and the Bratislava Traditional Jazz Band, Germany's Gunther Hampel Quintet, and from England, the Steam Packets, with Julie Driscoll and Long John Baldry.

The two-day festival, which Belgians call "jazz dans le prairie" (jazz in a cow pasture), draws more than 20,000 people into a village that has a population of only 900.

Cameras record the transformation of Comblain from a sleepy rustic village to a throbbing, living world of jazz.

Club Dinner

On March 2 from 5:30-8:00 P.M., the Bethlehem Central Writing Club will present its annual Spaghetti Dinner in the Senior High School Dining Room. A full sit-down dinner will be served, accompanied by continuous (and creative!) entertainment. Money from the ticket sales (\$2.00 for adults, \$1.00 for children, may be bought at the door) will go toward the school literary publication, the Thinking Reed.

The Thinking Reed, now in its second year of existence, will be published the latter part of May. It is comprised of the poetry, prose, and artwork of Bethlehem Central students. During the year the staff members, sponsored by Mrs. Helen Adler, attempt to learn more about writing through criticism of each other's work.

FBLA News

The Bethlehem Central Senior High School Future Business Leaders of America Chapter celebrated Valentine's Day with a most successful fudge and brownie sale. Over \$35 was added to the treasury to help with the budget by Joan Albert and her committee. This money will be used to send delegates to the forthcoming State Convention.

This year the FBLA Chapter will sponsor the following booths: Hammer and Nail, Goldfish Bowl, Hand Steadiness - Brake Reaction, Balloon Selling, Cake Walk, Basketball and Ring Throwing.

Nancy Westphal, the Chairman of the FBLA Dance to follow the Carnival, has begun working on decorations to carry out the theme of the dance, which is: Spring Mischief. Music for the dance, to be held 8:30-11 p.m., will be supplied by The Revolutions, led by John Riley.

Two Added

The Business Education Department at the Bethlehem Central Senior High School has temporarily added two members to its staff. Miss Nicolía Ragucci and John Pavlak, seniors at the State University at Albany, are completing their off-campus student teaching experience, during the eight-week period, February 8 - April 7.

Miss Ragucci will work with shorthand I classes of Mrs. Barbara Conway, and will take care of the homeroom in Room 51. Mr. Pavlak is working with Hugh Brown in data processing and personal typing. Both student teachers have spent time observing classes throughout the business department and will have as many experiences as possible to prepare them for a teaching position. They will prepare bulletic boards, make lesson plans, correct papers and assign grades.

Mrs. Gladys Hosey, Chairman of the Business Department, works with the student teachers, the BCSHS staff, and Miss Helen Stafford, of the State University staff, in this very important part of the teacher-training process.

p.m., at the Community Room of the National Commercial Bank, Delmar, the film, "Plight of the

Frank C. Laubach

Desperate Billion," will be shown to the public. This will be the first viewing of this film in the area.

A stirring talk-on-film by Frank C. Laubach as he tells of

the plight of the illiterates - the "desperate Billion." The camera takes the audience to lands on every continent to show their plight, and how literacy may help them.

Can you spot the difference in Banks?

Take ours, for example. We're not the biggest nor the oldest. Our buildings are made from concrete, steel and glass. We operate machines, keep regular hours and insure your savings.

MOST BANKS DO.

The difference in banks is people — and the difference in people is caring caring enough to offer every financial service human ingenuity can devise, in a way that is prompt, efficient and pleasant.

WE'RE THAT KIND OF A BANK.

Modeled after the famous "West Brick" Starbuck Mansion in Nantucket, Mass., our new Colonie office has an innate charm and warmth that sets it apart from all other banks. In the opinion of many people, it is the most beautiful bank in all America. If you haven't seen it, you should.

For nearly half a century, the name Frank Laubach and his stirring slogan "Each one teach one" have rallied the forces of the free world to fight against illiteracy, poverty, and despair. In over one hundred countries, millions of illiterate men and women have learned to read by the Laubach method. Dr. Laubach plans to go to Viet Nam in November and December of this year to personally supervise the teaching of the many refugees in that country.

The public is cordially invited and urged to see this engaging personality at work with "the desperate billion."

1967 Home Show

Have you seen your doctor lately? If you have and if you're overweight and if you want a constructive exercise, simply attend the 1967 edition of the Albany Home Show opening March 4 for 8 days at the Washington Avenue Armory in Albany. Your "exercise" will consist of viewing all the wall-to-wall exhibits, walking and brows-

ing up-and-down a half dozen aisles which means you will have covered approximately 43,750 square feet in one trip. Or, approximately 6,300,000 inches of floor space. There are 5,280 feet in one mile, so you can figure a slimmer figure in a few "Look-'Em-Over-Walks" at the Albany Home Show. What an easy way to reduce, exercise and enjoy the "Capital District's Greatest Attraction".

The '67 Home Show has been designed for the whole family. Children, teens, tweens, Mom and Pop, will all have a great time. Educational too, because all exhibits feature new services and products.

Hours are: Saturdays and Sundays from 2 P.M. to 10 P.M. All other days, 5 P.M. to 10 P.M. Wonderful door prizes will be given away nightly topped off by the Grand Prize of a 1967 Marsh Hallman Camaro which will be awarded the last night of the Show, March 11. All visitors to the 1967 Albany Home Show are eligible to win the Major Prize, regardless of what day they attend.

Tonight, Thursday, February 23, the guest speaker at a Dinner Meeting of the Men's Garden Club of Albany will be Jerry Jonas, proprietor of the Garden Shoppe in Glenmont.

The meeting will be held at the Howard Johnson Restaurant, 739 Central Avenue, at 6:30 P.M.

Art Club News

The monthly meeting of the Bethlehem Art Association held on February 16, at Bethlehem Central High School, featured a silk screen print demonstration. Louis Spelich, a BCHS art teacher, supervised the demonstration with the assistance of Tommy Lunceford, a student. Previous meetings have been devoted in part to operating the potter's wheel and also to a film showing various book illustrators at work.

It is the intent of the BAA to bring to its meetings some phase of art which would be of great interest to the artist or art lover.

The meetings, which are presided over by Johanna Saper will in the future delve into slides, lectures, panel discussions, films and perhaps studio and museum tours.

"We are working on the prospect of obtaining work space for the organization," said Mrs. Saper recently. "When it comes through, it will make available a place where local artists and amateurs can meet and work. We will hold classes for children and adults, hold exhibitions and in general, be a focal point for art in the Tri-Village area.

"The organization is open to all people interested in creating or viewing Art."

The next meeting of the Bethlehem Art Association will be held in the Community Room of the National Commercial Bank in Delmar on March 16 at 8 P.M. Dues, for those interested in joining, are \$3.00 per person.

CONGENIAL JOB OPPORTUNITIES FOR WOMEN

Big plans are afoot at Killip's—so please read on

Killip's has long enjoyed the reputation as "a good place to work." One reason is the attractive environment in which our people carry on their daily tasks. A happy family camaraderie prevails among our girls. No "high pressure" factory operations. That's why so many visitors, our own customers among them, are frequently heard to observe: "I wouldn't mind working here myself!"

Our associates are always conscious of this pleasant work-a-day atmosphere—so much so, in fact, that many have been with us for from 10 to 25 years!

Right now would be a good time to investigate your opportunities at Killip's, because we are now planning to erect one of the most modern laundering and dry cleaning facilities in the United States. No effort will be spared to see that every facility is provided to insure the comfort and convenience of our employees. Better to return each day satisfied and content rather than exhausted.

Attractive hours, all legal holidays off, one to three weeks vacation with pay depending on length of service, also a profit sharing plan. If you would like to investigate your opportunities as a Killip associate, and enjoy steady work at good wages in a plant where the human element is more important than meeting production quotas, we would like to talk the matter over with you. Telephone 465-3311 or drop in for an interview at 76-80 Green Street, Albany.
