GOOD-BYE, WINTER HELLO SPRING CLEARANCE

ONE DAY: SATURDAY, MARCH 4

Every year, about this time, when merchants get together, they wring their hands, and complain to everyone within earshot about how the weather is killing business, and the increased competition etc., etc., etc., etc., on and on into the night.

This year, someone said, "Why don't we do something about it?"

So we're doing something about it.

On Saturday, March 4 in the stores in Delaware Plaza, you're going to see a wild assortment of odds and ends, at ridiculously, fantastically low prices. All the way to 80% off. (Did you say up to 80%? Yes, I said up to 80% off)

It will be busy, crowded. And although we believe women and children should be first, we know you'll find men in there, casting chivalry aside, grabbing for their share of the loot. Why? Because it's pretty nearly, almost, practically, a giveaway.

In fact, prices are so low, we can only devote one day to it.

One guarantee, you'll have a lot of fun.

New Plant

Niagara Mohawk Power Corporation announced today that its new electric generating sta-

tion to be built in the Town of Easton, Washington County, will be known officially as the "Easton Atomic Electric Plant."

R.H. Stratton, administrative vice president of the company, said in Albany that after serious consideration it has been decided to name the new electric generating station for the historic township in which it is to be built.

"I have been advised today by Mr. Earle J. Machold, presi-

dent of Niagara Mohawk, of the company's decision," Mr. Stratton said. "I am certain residents of the Town of Easton, as well as other sections of Washington County, will be pleased, as, indeed, I am."

The new atomic electric plant, embodying the latest developments in the art of electric generation, will be named after the oldest township in Washington County. The Saratoga Patent, of

which Easton was the "east town," granted by Governor Dongan on November 4, 1684, predated all the other land grants in the county. And the first white settlers came to Easton nearly a generation before other permanent settlers arrived in the area.

It was not until 1791, however, that Easton Township became a part of Washington County, according to Mrs. Earline Houser of Greenwich, Easton Town historian.

Early residents of the Easton Township area in which the Easton Atomic Electric Plant is to be built, were Dutchmen who settled along the River Road and who were known for their manorial land system. They were followed by the Quakers who settled in considerable numbers, starting in 1763. Mrs. Houser pointed out that "even to this day there is an active Friends' Meeting in Easton."

Niagara Mohawk's atomic electric plant, second to be built in the company's upstate franchise area, is scheduled for completion by late 1971. Preliminary

What Quality Beef Does A&P Sell?

That's a fair question. But not an easy one to answer because we have our own quality standards, different from any other meat merchant.

These standards don't fit exactly the familiar terms you know for grades of meat. As an example, did you know that some beef, graded U.S. Choice, just doesn't meet our "Super-Right" specifications? It's true! You see... we don't buy by grade. We use our own high standards to bring you the best values.

That doesn't mean we don't approve of such grading - not at all. It just means we're very fussy about the beef we label "Super-Right." It stands to reason we have to be or A&P wouldn't be America's number one meat merchant.

Are "Super-Right" Meats a good reason for shopping A&P?

They're one of many!

In Play

Barbara Lee Devio of Delmar has an important role in the Ithaca College production of "The Persecution and Assassination of Jean-Paul Marat As Performed by the Inmates of the Asylum of Charenton Under the Direction of The Marquis de Sade" by Peter Weiss. This play which is already considered a dramatic milestone has just completed its Broadway run this month. It will be presented by the College Drama Department Wednesday through Sunday, March 8 - 11, in the College Theatre.

Miss Devio, a sophomore, is the daughter of Mr. and Mrs. Paul F. Devio, 72 Berwick Rd., Delmar.

Thanks

The Indoor Sports wish to express thanks to BCHS for the wonderful entertainment supplied for the party recently given and sponsored by Nathaniel Adams Blanchard Post 1040, American Legion.

Meeting

Members of Albany Children's Theatre, Inc. will meet at Albany Country Club on Tuesday, March 7, at 11 A.M. to complete final arrangements for their presentation on Saturday, March 11, of "The Golden Goose," produced by The Traveling Playhouse at Philip Livingston Auditorium at 2:30 P.M. Mrs. John Gunther, president, will preside at the meeting which will be followed by luncheon. Mrs. Howard Coughtry is in charge of reservations.

"The Golden Goose" is an ancient fairy tale written by the

Brothers Grimm and lends itself beautifully to this joyous stage presentation in dance and music. In this version the story deals with three members of the same family, a peasant woman and her two sons who set out to seek their fortunes. The youngest son, Simon, is picked on by his mother and older brother for his apparent absent-mindedness and stupidity. While chopping wood in the forest he befriends "an old man of the woods" after the other two have spurned the stranger. For this he received an unsought but very precious reward of a golden goose. And thereby hangs the tale!

While chopping wood in the forest Simon befriends "an old man of the woods" and receives a very precious reward of a Golden Goose. Based on the ancient fairy tale by the Brothers Grimm this delightful comedy, produced by The Traveling Playhouse in dance and music, will be presented by Albany Children's Theatre, Inc. at Philip Livingston Auditorium on Saturday, March 11, at 2:30 p.m.

Sing Contest

Albany Academy Milit Aires will be one of the Male Choruses participating in the Third Annual Capital District Chorus and Quartet Contest to be held this year at Bethlehem Junior High on Saturday evening, March 4, at 8 P.M.

The competition each year is sponsored by the Albany Chapter S.P.E.B.S.Q.S.A. to encourage barbershop singing in the Capital District and to create a friendly relationship between competing schools. Groups are judged on balance and blend, arrangement, harmonic accuracy and stage presence. A first and second place trophy is awarded quartets and choruses.

Bethlehem's Senior High Quartet, the Bethlehem Bachelors, captured the first place trophy in the 1966 Contest, so competition will be keen this year on home territory.

According to Thomas Cogan, Chairman of the event, eight quartets and two choruses are entered in the competition this year. Two guest groups will also appear. Bethlehem hopes to enter three quartets, one from Junior High and two from Senior High.

The public is cordially invited to attend and admission of 75¢ will be charged at the door.

Mrs. Mary Johnston, Home Economics Teacher at Bethlehem Central Senior High School, has had a series of speakers from the community as part of the senior home economics course in marriage, and the family. On February 14, Dr. Howard Netter, obstetrician, presented slides and spoke of pregnancy, the prenatal development of a baby, and childbirth. Previous speakers have included representatives from major religions who interpreted the religious concept of marriage and the family. Mrs. Elizabeth Doyle, social worker and family counselor, talked on adjustment in marriage during one class session.

Future units will continue to include community resources. The class will observe and study the development of a young baby during several months of its early life. Later the group will take a field trip and see a nursery school in action. There will also be discussions by a psychologist and a nursery school director.

5 Years

This spring marks the fifteenth anniversary of the Tri-Village

Welcome Wagon Club for newcomers. Mrs. Lydia Kinnard, founder of the club, was Welcome Wagon Hostess at this time. She has recently moved back into the Delmar area to be near her family, Dr. and Mrs. William Kinnard, of Birchwood Acres.

Over the years, the Welcome Wagon Club has had many civic projects. In addition to supporting all the national drives, such as Red Cross, Heart Fund, and Community Chest, they have participated greatly in local causes. The White Christmas fund and community ambassador project have always been part of their program. In 1962, a stretcher chair was purchased by the club, and gratefully accepted by the Delmar Rescue Squad. The local chapter of the American Field Service benefited recently from funds raised by the club, as well

as the Babe Ruth League, and the Youth Canteen.

Each year, a donation is made toward a special fund set up by the high school for two needy members of the graduating class at the Senior High for graduating outfits. Less fortunate members of the community have been provided for at Christmas and Easter time. In 1965, \$200.00 was presented to the Delmar Public Library for the purpose of erecting the sign now in front of the building.

The club's greatest civic project is under way for this year. On April 3, 4, and 5th, a pre-school vision screening program will be run at the Methodist Church in Delmar. All children in the Delmar, Elsmere and Slingerlands area in the 3, 4 and 5-year age group, who are not in school, will be tested by trained personnel, for amblyopia, or "lazy eye". Glenmont children will be tested at the Glenmont Community Church on April 10. It is planned that this project will be handled yearly by the Welcome Wagon Club. Please watch for further announcements or call Mrs. Peter Baruch, (439-4092), who is chairman of the program.

The Welcome Wagon Club serves a vast need to newcomers in the Tri-Village area. Not only does it act as a meeting place for new found friends from the world over, but also provides a tool for each new resident to serve his community. Our Tri-Village Welcome Wagon Hostesses, Mrs. Thomas Moreer, Mrs. Harry Miller, and Mrs. Arthur Anderson, hope you will continue to inform them of a newcomers to the area!

WITH THE
GIRL
SCOUTS

The annual Girl Scout Cookie Sale begins at 4:00 P.M. on Friday March 3. The purpose of this sale is to provide an approved way of earning money for troop budgets that will be used for troop activities and community service projects not covered by troop dues. This money is also used to continue the Camp Development Program and to meet the maintenance and repair requirements of our three council-owned camps. In addition to the favorite Cooky Mints, there are four other kinds of cookies for sale during the entire week following the March 3rd opening date. With a goal of 250,000 boxes to sell, the Girl Scouts in this area hope all their friends and neighbors will stock their freezers with a variety of Girl Scout Cookies.

Mrs. Leroy Cooke, Camp Consultant for the Normanskill Neighborhood #2, showed films depicting activities at Camp-Is-Sho-Da and Camp Little Notch to Girl Scouts in Delmar on Monday, in Slingerlands on Tuesday, and at St. Thomas' School on Wednesday. Part of the money from the Cookie Sale goes for Camperships for girls to attend these camps at no cost to their families. Camp Is-Sho-Da was one of four camps in the whole United States to be selected for use in a film made by the National Council of Girl Scouts of the U.S.A. This film will soon be shown all over the United States. Call Mrs. Leroy Cooke if you have any questions regarding the camps in the Hudson Valley Girl Scout Council area.

LETTER

To the Editor:

In regard to the dogs that are running as free as the wind in the Town of Bethlehem, I would like to express my personal feelings.

I love animals, but I also love humans. Humans are required to abide by laws in a democracy, laws that are made for the good of all. Why should dogs be free to roam at will destroying people's property, disturbing the peace, and offering a menace to the lives of automobile drivers? Why should there not also be laws to keep dogs under control?

No one wants or expects a law that will force a dog to be chained to a tree with a two inch chain. That is apparently what some unthinking people are attempting to make other people believe. Of course, this adds to their case against dog legislation.

One simply wants to be able to drive down the street without a pack of dogs attacking his car, a pack that follows him for a block or more, making him

swerve from one side of the street to the other to avoid hitting one of these "Untouchables". (At the present time a friend of mine is seriously injured and in the hospital as a result of an automobile accident due to a dog meandering in front of her car on the street. She valued the life of the dog more than her own.)

One simply wants to bring in an empty garbage pail after a garbage pickup instead of having to scoop up egg shells, banana peels, etc. from the vicinity of the garbage pail after a canine attack had taken place prior to the pickup.

One simply wants to live in peace in the town, with each other, and yes, with the dogs.

We are not living in a country where dogs are considered to be sacred. Let the sacred cow remain in India!!! We are not living in the Medieval Days when all animals ran wild in the streets and illness prevailed. We are living in the Twentieth Century.

While writing this, I looked out the window and observed a large dog on the prowl. He did a beautiful job spraying an expensive evergreen tree in my neighbor's yard, and then proceeded to tear up the lawn close to the tree. I well remember how carefully my neighbor planted that tree, and how faithfully she kept it watered during the dry period in the summer.

A Disgusted Delmar Resident and Taxpayer.
