and Texas. He has appeared with top performers such as Tony Bennett, Martha Raye and Kay Starr and has been seen as a guest on Johnny Carson's "Tonite" show.

The incomparable performances of Mickey Milan are designed for intimate listening. In this quiet and reflective mood he captivates the audience completely by adapting his dynamic style to the tenderness and romance the occasion requires. All of his songs are familiar, most of them romantic, a few of them swing lightly and a few are touched with sadness. The result is uncommonly rewarding.

One of the top music critics says of Milan: "His is the kind of personality that communicates so effectively with audiences, establishing a rapport that makes him one of the most sought-after club entertainers." His latest record releases "Be My Love" and "Come Rain or Come Shine"

are ascending rapidly towards the best-seller charts and pay-dirt.

The Junco Brothers, owners of the Golden Fox, are pleased to present to the Capital area a distinctive and exciting performer who displays effective showmanship and quiet good taste. Such a person is Mickey Milan.

Mrs. Ann Reardon, reading Specialist for grades K through 3, has worked extensively along these lines. In the summer of 1965, she spent nine weeks on the Vassar campus as consultant to a Language Arts Workshop held under the auspices of the State of New York. Over this period of time nearly 1400 teachers from all parts of the country benefited from Mrs. Reardon's demonstration-lectures.

This past spring, Mrs. Reardon shared the podium with several of the top reading specialists in the United States. She "keynoted" a workshop for the Monroe County teachers. The program involved personnel from six supervisory districts.

At the local level, Mrs. Reardon contributes her understanding of reading and knowledge of the newer materials, as well as the ones that have always been valuable to the teacher, to the

current summer program to be held at Hamagrael School under the leadership of John Falvey. She served in this same capacity last summer under the guidance of Miss Mary Bida, Principal of the Slingerlands School.

Mrs. Reardon believes that through the sharing of ideas with teachers, new perspectives and new directions are developed. "Most important of all," she says, "is the fact that through this guidance the reading needs of children are met indirectly. Helping

She continues to speak of the two-way enthusiasm that results when teachers become aware of new avenues of approach and audio-visual methods; when they fully realize the pitfalls and the strengths of the "new" in reading instruction. Mrs. Reardon recognizes the advantages of serving with specialists in the field on panels or in workshop discussions. "Through these contacts my own point of view broadens and I return to Bethlehem with better understandings and heightened professional enthusiasm."

The fact that Bethlehem Central School District enjoys state wide recognition is due, to some extent, to the many emissaries, like Mrs. Reardon, who speak out for quality education.

LOOKING FOR A NEW CAR FOR ONLY \$1,639*?

\$1,639 is the suggested retail price at the port of entry for a Volkswagen sedan.

YOU'VE COME TO THE RIGHT AD

That's how little we charge for a Volkswagen. Of course, you don't get certain things with it. Like a drive shaft. (The engine's in the rear.) Or a radiator. (It's air-cooled.)

Also, because a VW gets about 29 MPG., you don't get a whopping bill at the end of every month. Come in and take a look. We think you'll like what you see. And also what you don't see.
