AUGUST 10, 1967

\$1.00 PER YEAR

10¢ A COPY

**GOP STEAK ROAST** — Martin Cross, General Chairman of the Bethlehem Republican Steak Roast, right, discusses final arrangements with other members of his committee — from left to right, Gerald Day, House Chairman; Merwyn Atwood, Co-Chairman; and Joseph Von Ronne, Prize Chairman. The Steak Roast is scheduled for Wednesday, August 16, at Murray-Jennex Sunset Park. Festivities will begin about 3:00 P.M. with a steak dinner being served about 6:30 P.M. This marks the 8th consecutive year for this "Stag" Steak Roast. Attendance has grown each year, and this year it is expected to exceed 700. Various games are scheduled with prizes to the winners. Many additional door prizes are awarded. An abundance of refreshments will be available throughout the day. Republicans who may wish to attend this affair may secure tickets from any of the Bethlehem Republican Committeemen.

FOR THE SECOND consecutive year, Huyck Felt Co., Rensselaer, has been awarded first place in an advertising readership study of industrial advertisements in Pulp & Paper magazine. The study was conducted by Daniel Starch & Staff, consultants in business research. In a recent ceremony in Huyck's Rensselaer offices, inscribed plaques containing the 1966 and 1967 award-winning full color advertisements were presented to Huyck executives and the company's advertising agency, Van de Car, De Porte & Johnson, Inc. of Albany. Pictured (left to right) are: Philip D. Allen, vice president/publisher of Pulp and Paper International; John F. O'Brien, New England manager of Pulp & Paper; Jerry D. Wentworth, Huyck marketing specialist; George O. Pfaff, vice president and general manager of Huyck Felt Co.; William C. Hand, Huyck sales manager and David De Porte, executive vice-president of Van de Car, De Porte, & Johnson, Inc.

## Iris Sale

The Empire State Iris Society, a unit of the American Iris Society, will hold its annual auction of surplus irises at the home of Dr. and Mrs. Irwin A. Conroe, Font Grove Road, Slingerlands, on Sunday, August 13. Each year iris growers donate their surplus stock to the Society which sets up bargain tables and auctions thru out the state for the purpose of encouraging flower growers to secure, at minimum cost, some of the beautiful, new and improved irises. The more expensive rhizomes will go on the auction block. These rhizomes, as iris root stalks are known, constitute the scarcer and newest varieties. The more prolific and less expensive irises will be available on bargain tables at prices as low as twenty-five per cent of market value. Thus a prospective iris grower may secure for around two dollars a collection of five or six irises of different colors, hues and shades. Irises will be available in all colors: blue, purple, black, red, orange, yellow, white,

pink, brown, green, together with blends and plicatas. The latter irises constitute those with either white or yellow backgrounds, upon which are superimposed by borders, or stippling, or stitching certain other colors like blue, or brown, or red, or black. The iris is called the rainbow flower because it can be obtained in almost any color or colors of the spectrum. Today's irises are a far cry from the early irises of a quarter century ago (or longer), popular and well-loved as those irises were. The Empire State Iris Society is anxious to assist present-day gardeners to own and grow some of the modern irises.

The auction will begin promptly at 2 P.M. However, irises will be available on the bargain tables as early as 11 A.M. It is expected that several hundred rhizomes will be available for buyers' selections. Aside from the bargain collections other irises will be sold at half price.

Preceding the auction, picnic facilities will be available for all who wish to bring a picnic lunch and enjoy it on the spacious grounds of the auction site. Tables and beverages will be furnished by the Society without cost. Spokesmen for the Empire State Iris Society stress the point that the picnic, the bargain tables and the auction are available to anyone, regardless of whether or not he is an irisarian.

## At the Fair

Seven young ladies from the tri-county area are competing for the title of Miss Altamont Fair and will appear on stage in front of the grandstand on the fairgrounds Tuesday, August 15, at 2:00 p.m. Don Tuttle, well-known farm newscaster on WGY, will announce the choice of the judges for the title and the queen will receive her crown at this time.

Finalists are Miss Paulette Di Cosso, 1452 Wendell Avenue,

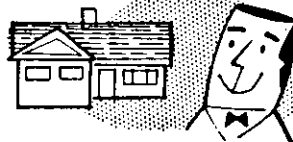

Schenectady; Miss Claudia Marks, 19 Anthony Lane, Colonie; Miss Deborah Murray, 614 Bogat Road, Cohoes; Miss Paula Pagano, 48 Murray Avenue, Delmar; Miss Sarah Serba, 264 Main Street, Guilderland Center; Miss Georgia Shea, 476 Madison Avenue, Albany and Miss Beth Taber, 143 Altamont Boulevard, Altamont.

Miss Altamont Fair and her court of six finalists will be at the Fair all week participating in various activities and helping with the introduction of the First Altamont Fair Amateur Talent Show.

The show will be presented Tuesday and Friday from 3:00 to 7:00 on stage and will consist of nearly 50 acts in a wide variety of entertainment including all kinds of dancing, folk singing, instrumentalists and many others. A complete new show

## Study

Success of the Cancer Prevention Study in the New York State Division, American Cancer Society, was indicated today, when it was revealed that of the 55,006 men and women enrolled in the study only 588, or 1.07 per cent, were "lost" after six years of follow up.

The six-year, nationwide Cancer Prevention Study was launched in the fall of 1959 by the American Cancer Society to learn why some people are more likely to get cancer than others.

In the 54 upstate counties comprising the Society's New York State Division, more than 3,500 volunteer researchers participated in the Study.

The Study was the largest medical statistical survey ever conducted in the United States.

It was further revealed today that there were approximately 4,000 deaths reported in the six years of the Study in the New York State Division, and death certificates have been obtained for all but 34.

Statisticians of the American Cancer Society investigated the cause of each death reported.

Nationwide, the Study covered more than 1,000,000 people in 1,121 counties in the United States. Some 68,116 volunteer researchers participated.

The report of the Study shows that Erie County (Buffalo) which had the largest number of participants (9,232) "lost" only 85, or 0.92 per cent. Onondaga County (Syracuse), which had 4,591 participants, "lost" 36, or 0.78 per cent.

"Through participation in the Study, we helped to provide some of the answers, or at least some of the clues to the cancer puzzle," Dr. Samuel Sanes, President of the New York State Division, said.

In 1959, the 55,006 participants in the Study furnished many details about themselves and their pattern of life. They

filled out questionnaires answering 250 carefully framed questions that might lead to determining if those who develop cancer differ in some ways from those who don't, with respect to environment, habits, exposures, and way of life.

During the six year period, the volunteer researchers reported on participants who had died, and, at times, questioned all survivors as to illnesses they may have had. At other periods, they asked questions on air pollution in their home and work areas.

Much of the data upon which the Surgeon General's report on the health hazards of smoking was based was uncovered through this Cancer Prevention Study.

It was also confirmed, among many other things, that certain cancer danger signals had a high relationship to deaths for specific sites of cancer. It was found that certain general physical complaints such as loss of appetite, shortness of breath, and a tendency to fatigue easily were related to the cancer death rate.

"A Study like this could not have been done without volunteers", Dr. Sanes said. "The cost would have been prohibitive."

"The volunteers who made this saving of dollars possible were doing their share to help bring cancer eventually under control."

## Rock 'n' Roll

Over 40 Junior and Senior High School rock and roll bands will be featured in the teenage dance arena at the Altamont Fair from 8:00 until 11:30 evenings Tuesday, August 15, through Friday, August 18, and from 7 to 11 Saturday, August 19.

Top bands in various categories from Albany, Schenectady and Greene counties will participate. Between band performances there will be prizes, contests and pop records for dancing.

## Award

A special award was presented July 14 to Larry Welter, who is owner of Larry's Auto Service, 90 Delaware Avenue, in Delmar.

# PERSPIRE HEAVILY?

A new antiperspirant that really works! Solves underarm problems for many who had despaired of effective help. Mitchum Anti-Perspirant keeps underarms absolutely dry for thousands of grateful users. The award, a plaque bearing two uncirculated silver dollars, two Kennedy half dollars, and a specially minted commemorative coin set in an automotive engine design, was presented for exceptional customer service by a representative of The Gates Rubber Company.

The Denver-based rubber company sponsors a nation-wide contest (now in its 35th year) to reward service station personnel who provide exceptional customer service. A fleet of "Gates Mystery Cars" regularly travels across the country stopping at service stations. Each "Mystery Car" has a worn fan belt. Award plaques are presented to station personnel who notice the defective belt and offer to replace it.

### Women Return

Albany County was well represented at the Summer Conference of the Federation of Women's Republican Clubs of New York State in Elmira July 27 and 28. Mrs. Robert F. Rudisell, Mrs. Charles Redmond, Albany Coun-

ty Republican Club; Mrs. J. Francis Purdy, Guilderland; Mrs. Warren Furbeck, New Scotland; Mrs. Elmer Morway, Town of Bethlehem; Mrs. Thomas Thornton, and Miss Helen Williams Republican Women of the Legislature. Mrs. George Jamison, Third Judicial Director, was also present and gave a breakfast for all delegates of the Third Judicial District which included, Albany, Schoharie, Green, Columbia, Ulster, Rensselaer, and Sullivan Counties.

Highlights of the conference included the kick-off workshop Thursday morning which was geared to giving club presidents a briefing and brush up course in the mechanics and the organizational function of a club.

Gladys O'Donnell, president-elect of the National Federation of Republican Women, made her first speech before the Elmira conference and urged unity and the "Widened horizons for 1968" in her speech. Mrs. O'Donnell was joined on the dais by New York Republican Chairman, Charles Schoeneck, who spoke to

the women about "your potential for engineering a great switch in '68 and go after those disappointed Democrats and make some Johnson Republicans in New York."

Governor Nelson Rockefeller, introduced by State Attorney General Louis Lefkowitz, talked on the Transportation Bond Issue and stated "it is essential for New York State to maintain the mobility the modern world demands in mass transportation."

### Speaker

Investigator Richard J. Gannon, of the New York State Police, will address the Delmar Kiwanis Club on August 14, at 6:15 P.M. in the Center Inn, Glenmont.

Mr. Gannon will use a visual entitled "Hooked," in addition to his comments about "Adolescence and Narcotics Addiction."

Mr. Gannon has served 15 years with the State Police, the last nine of which have been with the Bureau of Criminal Investigation. He is a graduate

of the Federal Narcotics Academy in Washington, D.C.

Mr. Alan C. Bauder, son of Mr. and Mrs. Alwyn Bauder, 106 Fernbank Avenue, Delmar will enroll at West Virginia Wesleyan College of Liberal, Arts and Sciences, Buckhannon, West Virginia for the Fall Term. Alan, a BCHS alumni, graduated in June from Worcester Junior College, Worcester, Massachusetts with an Associate Degree. He has been employed for the Summer at the Jamesbury Valve Company, Worcester, Massachusetts, manufacturers of ball type valves. He plans to continue his career in the field of Oceanography.

**In Europe**

Erik A. Lahti of 73 Brookview Avenue, Elsmere, a graduate of Bethlehem Central High School attended the Bayrueth Wagner Festival this summer where he saw and heard "Parsifal."

Erik Lahti is with the Albany-Oneonta Central European Area Studies Program. He left June 16 to spend fourteen months in Wurzburg, Germany where he will be spending his junior year at the University of Wurzburg.

In the meantime, he is attending summer school there and visiting the many historic castles and cathedrals that abound in the area. Erik is a student of the University of New York at Albany.

**Swim Figures**

The Albany Chapter of the American National Red Cross has announced that this year's Learn-to-Swim Campaign served 7,460 young swimmers in the Capital District this year. This figure

does not include those who have received Red Cross sanctioned instruction at private camps, resorts, or clubs.

James H. Carnahan, Director of Water Safety for the Albany Chapter, attributes the success of this year's expanded service to the hundreds of volunteer workers who made up the staff of the programs at the various area pools. Mr. Carnahan feels that the only way to eliminate Captial District water accidents is through "Mass drown-proofing," a philosophy which

is stressed in the annual Learn-to-Swim programs. This grave responsibility can only be met through the cooperation of area residents serving as shore and water personnel in the various programs.

Unique in the Albany Area Chapter Lincoln Park Learn-to-Swim program, was a session especially devoted to physically handicapped youngsters. This program was set up in cooperation with the Cerebral Palsy Center in Albany and served some twenty-two boys and girls.

## Lawn Party

Hurry, hurry, hurry! The Circus Reading Club at the Delmar Public Library will end a most successful season with a lawn party. (If the weather cooperates, that is. Otherwise the party will be held indoors) In lieu of a ticket, each child attending must have been a member of the club and have completed and reported on at least six books. Wear your circus costumes — the more ingenious the better. They don't have to be elaborate, just fun.

There will be games, refreshments and those of you who have read and reported on ten or more books will receive honor certificates.

Remember now — on Wednesday, August 16, from 2:30 to 4:30 you have a date with Mrs. Benson and Mrs. Parrott, the children's librarians. Over 100 youngsters have participated in the program so this should be a really good party.

**Married**

The candlelighted sanctuary of Trinity Methodist Church provided the background for the evening wedding on August 5 of Gay Rolin Simmons and Alden T. Doolittle. The Reverend Bernafd Grossman officiated, and a reception followed in the church parlor.

Miss Barbara Curtis, her maid of honor, wore an A-line empire gown of yellow silk-linen and carried yellow and white daisies.

The bride's cousin, Miss Laurel Gay Winder of Massapequa, L.I. was junior bridesmaid. She wore a similar gown and carried yellow daisies.

The bride is the daughter of Mr. and Mrs. Donald Guy Simmons of 8 West Bayberry Road, Glenmont, and her husband is the son of Mr. and Mrs. Alden H. Doolittle of 35 Albany Street, Nassau.

Joseph Brennan was best man, and ushers were M. Anderson Rapp, Lawrence Harlan, and the bride's brother Glen Simmons.

Mrs. Doolittle is a graduate of the Milne School and in June was an honor graduate of Cornell University, School of Home Economics where she received a BS degree in education. She has been employed by the Research Foundation of State University of New York.

Given in marriage by her father, the bride wore an A-line empire gown of organza made with overlay of venise lace and net. Her chapel train was net over organza, edged with lace, with a V-shaped insertion of lace at the hemline. Her illusion veil was caught with a small crown of daisies held by seedpearls. The sanctuary and reception flowers were Queen Anne's lace and daisies, matching the bride's bouquet.

Mr. Doolittle is a graduate of Colonie Central High School and Colgate University. He has received a Public Health Service traineeship in hospital administration at the University of Pittsburgh.

**The Light Touch**

By Bob Jackson

The night nurse is the one who wakes you up to ask if the day nurse gave you your sleeping pill . . .

Just think. A whole generation of little girls growing up who will never know the thrill of getting into Mommy's long dresses . . .

Pity our poor friend: he found a summons in a fortune cookie . . .

An expert is a guy who can take something you know and make it sound confusing . . .

One reason the School of Experience is so tough is that you get the test first and the lesson afterwards.

**GARDENING**

with JIM HOWARD

Last week we had a problem in Lawn-ology: T plus E plus M plus X equals A GOOD LAWN.

T equals Time

E equals Elbow grease

M equals Money

X equals ?

ANSWER: X equals P (Program)

By program, I mean a systematic procedure in applying the other elements (T plus E plus M) to achieve your desired results.

Without a program, you can invest a considerable amount of TIME, EFFORT and MONEY and still be dissatisfied with your lawn. Knowing the what, when and how-much of lawn management is the first essential for a good lawn. These Garden articles are intended to help you make the most of your time and effort in order to get the best possible satisfaction with the many lawn products available for your lawn.

**Japanese Beetle Grubs**

The word from the outlying territories has reached us, thanks to Mrs. P of West Bayberry Rd, Mrs. B of Saybrook Drive and Mrs. M of Weiser Street. One of the worst enemies this summer is the Japanese beetle, millions of them. They quickly knocked off their favorite delicacies: grape leaves, marigolds, crabapples and small shade trees, and then went after lesser delicacies in the vegetable garden: corn silk and bean foliage. With so many adults on the wing, the chances seem good for a heavy population of grubs in the lawn next Spring. This could be troublesome, for the grubs feed on the grass roots, killing large areas of the lawn.

Grub-nix or Cope are particularly well suited for knocking out the Japanese beetle grubs and other soil insects that infest

## Student Band

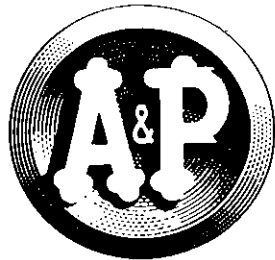

Top musicians from area High Schools will get the thrill of a lifetime when they give an hour's concert at the Altamont Fair on Thursday, August 17, at 7 o'clock under the direction of Paul Lavallo of "The Band of America" fame.

Mr. Lavallo, who is currently fulfilling an engagement as guest conductor at Radio City Music Hall, will take time out of his busy schedule to appear at the Altamont Fair. He will leave Radio City Music Hall by special car for La Guardia Airport where he will board a Cities Service Oil Company 4-place jet plane to be flown to Albany. There he will be met by Fair officials who will, under police escort, rush him to the fair grounds in time for the concert. He will fly back to New York that same evening.

Al Korkosz, well known area conductor and director of music at the New Lebanon High School, has been instrumental in getting Mr. Lavallo to conduct the upwards of 200 High School youngsters from Schoharie, Schenectady, Rensselaer, Albany, Greene, Columbia, and Saratoga counties. Participating schools are Berne-Knox; Greenville; Middleburgh; Shaker High, No. Colonie; Gilboa-Conesville; Averill Park; Chatham; Mont Pleasant; Voorheesville; New Lebanon; Colonie; Maple Hill-Schodack Central; Duanesburg, Schalmont; Troy High; Scotia-Glenville and Burnt Hills-Ballston Lake.

This event is one of the highlights of the Altamont Fair for both participants as well as spectators.

**JANE PARKER  
WHITE BREAD ISN'T  
THE BEST SELLING  
IN THE U.S.A.**

**KNOW WHY?**

Because it's not for sale in most stores.

Only A&P.

And so, it's only one of the ten best-selling breads in the U.S.A.

But what a "ten-bester" Jane Parker White Bread is!

It's the one that's dated on the wrapper so you can see it's fresh.

It's the one with quality that equals or surpasses the others in the top ten.

It's the one with flavor so good

it's guaranteed to please your family - unconditionally guaranteed.

It's the one that, chances are, sells for a lot less than all the others in the top ten.

And remember, it's the one that's sold only at A&P.

When you think about it, shouldn't A&P be your store?

IN REHEARSAL - Ron Eddo, Herb Mayne, Hank Kuivila and Judy Flandreau go over their lines for the Charlatan production of "J.B."

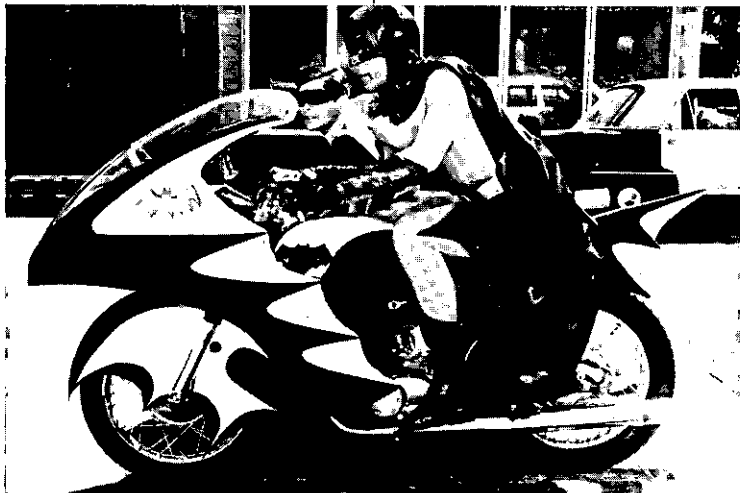

## "J.B."

Charlatans Arena Summer Theatre is presenting its second play of the season tomorrow and Saturday. Archibald McLiesch's "J.B." will begin at 8:15 P.M. both nights. The play combines the story of Job from the Bible with a modern setting resulting in an unusual twist.

The lead, Ron Eddo, is well seasoned in the theatre. He won the most recent Annual Drama Contest at Bethlehem Central Senior High and will major in drama at Boston University in September. Hank Kuivila and Herb Mayne will play Nickles (Satan) and Zuss (God) respectively. Judy Flandreau will be performing the role of Sarah, J.B.'s wife. Lila Geer is directing the production.

Since "Our Town" sold out both

any member of the company, at the Senior High main office, or at the box office performance night.

The Batcycle pictured above will be on display at the Alt-mont Fair August 14

## For Sportsmen

Big Minnie, a gigantic Muskie nearly 4 feet long, will be on exhibition in one of the fish tanks in the Conservation Building in the Sportsman's Corner of the Alt-mont Fair. Big Minnie will be on loan from the New York State Fish Hatchery at Jamestown and is being exhibited, outside of the Hatchery, for the first time at the Fair.

Sally, the 48-year-old bald eagle, will be on hand for all to see and admire again this year together with other rare birds and animals.

Otters will be featured in the bear cage again this year and two fawns will be on view in the deer corral while old "Eager Beaver," the educated beaver, who surprised and delighted spectators last year by slapping his tail on the water in his pond thus giving everyone a free shower bath, will be up to his old pranks.

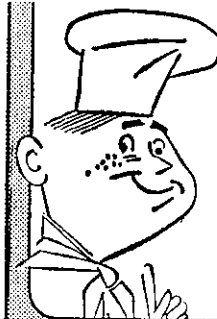

All these and many more wild-life sights will be seen the entire week of the Fair in the Sportsman's Corner sponsored by the Turnpike Rod & Gun Club, Inc.

## We've been washing Agnes Lee's dishes for three years and she hardly knows we're alive.

Why should she? We make sure each time Mrs. Lee turns her dishwasher to "wash," the power's there to make the washer perform.

Same thing with her clothes washer and dryer, and her vacuum cleaner and TVset, and everything else that Niagara Mohawk powers. Whenever Mrs. Lee orders electricity by turning a knob or flipping a switch, we deliver.

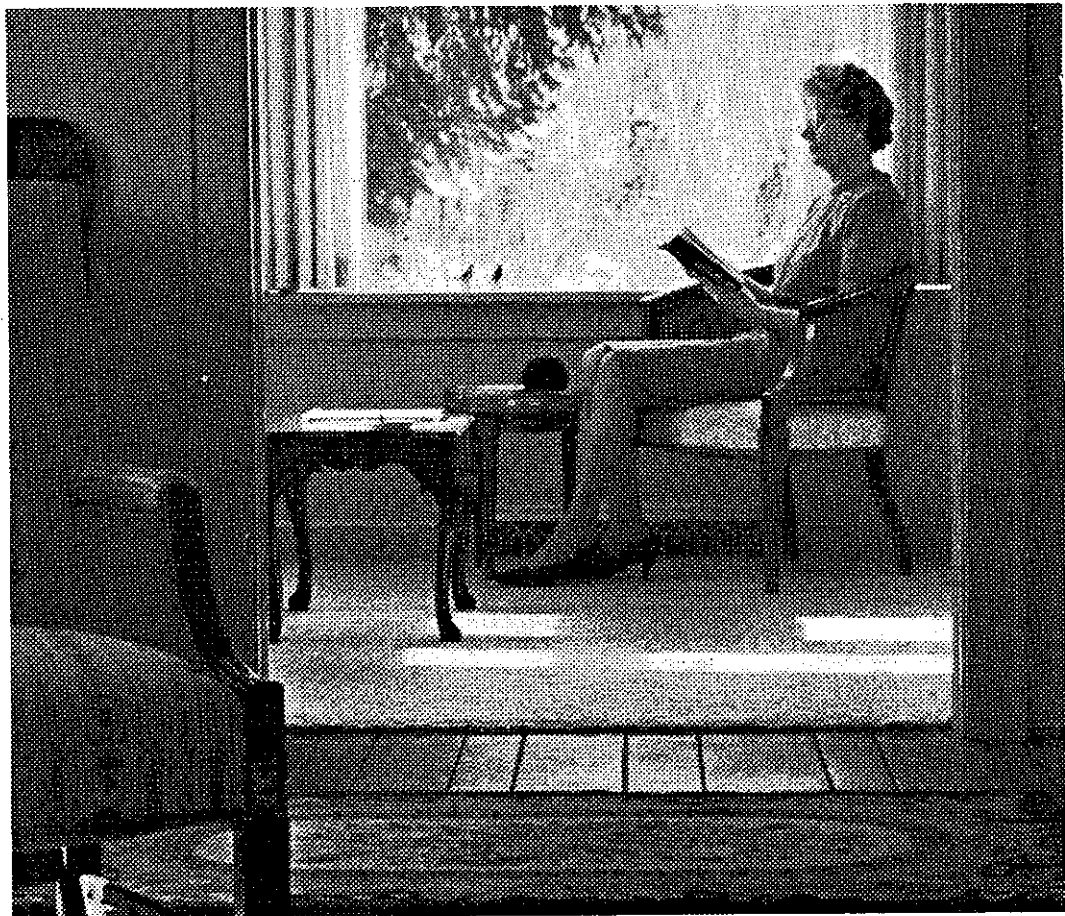

When snow, rain or high wind temporarily interrupts service, our men are on the spot and on the job day, night and Sunday,

to make the interruption as temporary as possible.

That's why we hardly ever get a call from Mrs. Lee. In fact, Mrs. Lee hardly ever even thinks about us. This pleases us very much. Because we take it as a compliment when you take us for granted.

SURFSIDE OR ROADSIDE U.S.A., 40 million youngsters from five to 14 are out of school and in the swim of outdoor activities. They are liable to cross your path anywhere when you least expect it, warns Carol Lane, Women's Travel Director for Shell Oil Company. She urges motorists to keep alert for sudden and unusual children crossings.

A collision at sea can ruin your whole day. This accident is a perfect example. It killed one person and injured 11. Last year more people died in pleasure boating accidents than in aviation accidents. The U.S. Coast Guard says 1,300 persons died in 4,350 boating mishaps. Of these, 621 persons died as a result of capsizings, and 78 percent of these people who drowned did not use the life preservers carried on board their boats.

## What Kind of Cow Is This?

Milk from a cow named Marie cannot be made into cheese.

Now under intensive study by scientists of the U.S. Department of Agriculture, she is the only cow of her kind in the United States that produces such "defective" milk.

The trouble seems to lie in the fact that Marie's milk lacks certain kinds of amino acids, protein building blocks in milk, according to a Cornell University scientist.

"Trouble might occur in the future," said Prof. John W. Sherbon, N.Y. State College of Agriculture, "if a large majority of cows in a particular area have the same inherited tendency to produce milk that cannot be made into cheese."

In cooperation with USDA scientists, Sherbon and other Cornell researchers examined milk samples from nearly 200 normal cows to pinpoint factors affecting the cheese-making ability of milk.

## GOP Barbecue

Initiating a concerted drive for new members in conjunction with the opening of the 1967 election campaign, the Albany County Woman's Republican Club will sponsor a barbecue and festival on Saturday, August 19.

The picnic will be held on the grounds surrounding the home of Mr. and Mrs. Charles H. Ruhl, 25 Park Place, Delmar. Mrs. Ruhl is a past-president of the club and has been an active member for several years.

The barbecue will be prepared by John Geurtze of Woodridge Farms, Glenmont, whose succulent chicken and garden-fresh vegetables are well-known to area residents.

The afternoon program will include active and passive games, entertainment by local artists and best of all, in case of rain, or extreme heat, a huge tent will offer protection for the guests.

Invitations have been sent to many prominent Republicans, some of whom are: State G.O.P. Chairman, Charles Schoeneck; Albany County Republican Com-

mittee Chairman Joseph Frangella; Bethlehem Supervisor Bertram Kohinke; Bethlehem G.O.P. Chairman Arthur McCormick and their wives.

Mrs. Paul Judson Snyder of Loudonville is in charge of arrangements. Working with her are: Mrs. Ellen Colloton, Mr. and Mrs. Luther Dyer; Mr. and Mrs. Charles Redmond, Dr. and Mrs. Robert Rudisill, Miss Dorothy Scannell; Dr. and Mrs. George Hemstead; Mr. and Mrs. Edgar Luby, Mr. and Mrs. Clayton Besch, Mr. and Mrs. Kenneth Van Ingen, Mr. and Mrs. Robert Kitchie, Mr. and Mrs. William Duggan, Miss Eleanor Bogart, Mrs. Bette Hubbs, Mrs. Sally Quinn.

The program will start at 1:00 P.M. Dinner is to be served at 4:30 P.M.

## Party Permits

Applications for 1967 deer hunting party permits in New York will be available about

August 10 at all Conservation Department offices and license-issuing agencies, the State Conservation Department has announced.

Completed applications may be submitted as soon as they are available, but not later than Sept. 5. Any application post-

marked Sept. 6 or later is invalid.

Applications mailed in "early" will receive no preference in the selection process.

A party of hunters selected for a party permit may take a single deer-of-either-sex in addition to the one antlered deer legally allowed to each individual member of the party.

This year each member of a party must obtain a 1967 big game hunting license before the party applies for its permit. Each party member must enclose the "Party Permit Stub" from his license with the application when it is mailed in for selection.

The party will indicate its choice of an area on the application. There are no alternate choices. If the number of valid applications for one number of applications for that area exceeds the quota, a computer will select, at random, enough applications to fill that quota.

Leaders of parties selected will be notified about September 20, and will receive at that time additional instructions concerning paying the party permit fee and validating the applications.

A person owning 50 or more acres in one parcel within a party permit area may use the special landowner application, also available at all Conservation offices and license-issuing agencies, to secure a party permit without going through the computer selection process. Up to 50 per cent of the quota in each area is available for qualified landowner parties.

This year a landowner application may be filed at the same time as other party permit applications - from the date of availability through Sept. 5. Applications postmarked Sept. 6 and later will not be accepted. Landowner applicants will be notified of approval about Oct. 1 - after ownership records have been checked. Landowner parties in the Adirondacks and Catskills will have two members; in western New York, three members.

Each of the 15-party permit areas established this season has been assigned a quota of permits based on biological studies of

herd and range conditions, and designed to maintain a stable, healthy herd.

Complete information about applications, quotas, party size, permit areas and hunting with a party permit are contained on the information sheet that accompanies each party permit application. Applicants are advised to read this sheet carefully and to follow all instructions. They should also check the 1967 edition of the "Hunting-Trapping-Fishing Guide" for information about the big game season.

Spotlight Classified will do practically anything!

wife, the former Delma Snyder of Detroit, Michigan; his two sons, Douglas and Keith and his daughter, Diana.

He is a member of the Albany Area Chamber of Commerce, Albany Country Club, Fort Orange Club and the University Club. He serves as a director of the State Bank of Albany and the American Red Cross-Albany Area Chapter; a board member and member of the Executive Committee of the Albany Community Chest and President of Fort Orange-Uncle Sam Council, Inc. of the Boy Scouts of America.

Mr. Getz's committee will establish an understanding liaison with personnel and procedures of federal agencies involved in programs affecting our area. Review Congressional legislative proposals, and relay pertinent information to the chamber members. The committee will submit recommendations for national legislation policy statements.

Also, after thorough study and review of national legislative and administrative propo-

sals, make policy recommendations to the Board of Directors in support or opposition to these proposals. When appropriate, communicate the board's view to responsible elected or appointed officials, the news media and the chamber's members.

The committee plans to cooperate and coordinate its activities with other Chambers of the Capital District (29th Congressional District).

**Award**

Charles H. Dowbler IV, director of admissions at Brown University, today announced the names of 11 incoming freshmen as honorary national scholars.

They were named "in recognition of outstanding academic achievement and personal contributions to his school and community." Each will receive a certificate.

From Delmar: Arthur Cooper, 34 Wexford Road.

Try a little tenderness...

... our specially-prepared flavorful tenderloin steak on herbed toast, that is — served in a sparkling silver skillet with a bouquet of garden-fresh vegetables, robust baked potato and famous Golden Fox salad with a choice of six appetizing dressings. Try it. "A little tenderness" will add immeasurably to your day.

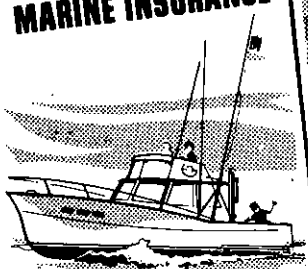

After dinner, linger awhile and relax to the intimate music of Mr. Mickey Milan, popular vocalist and recording artist.

**On Dean's List**

One-hundred and eighty-seven students at Westminster College have been named to the Dean's list for the last semester of the 1966-67 Academic Year. To achieve the academic honor a student must maintain a 3.5 aver-

*Would You Believe*

*it Actually*  
**Costs Less... Yes Less,  
to own a Wood-Mode Kitchen?**

**THE PROFESSIONAL DESIGNER:** Our professional designers will save you money because they are highly trained, experienced and efficient. Our designers leave "no loose ends," "no guess-work," so that nothing is "left to luck."

**SOME KITCHENS COST MORE:** True... but none can equal Wood-Mode's reputation for superb quality. Only Wood-Mode offers 6 cabinet styles, 3 woods and 37 "hand-rubbed" natural enamel finishes. For example, only Wood-Mode offers a rich, dark, solid oak wood. Instead of superficial fragile sealer stains we use deep, penetrating, everlasting oil stains.

**TIME IS YOUR MONEY:** The professional designer's experience and "know-how" saves your time and money. Our designers are trained to solve coordination problems that are seemingly insurmountable to the novice, and ultimately costly to you.

**ACCURATE COST ESTIMATES:** Blue prints and perspective drawings of your Wood-Mode kitchen "original," plus an accurate cost contract "to the penny," are prepared before the job is ever started.

**HIGH RESALE VALUE:** Wood-Mode "hand-rubbed" fine furniture cabinetry is an irresistible attraction should you ever decide to sell your home. Its resale value is so high it's impractical to buy anything but Wood-Mode.

VISIT OUR "SHOWROOM OF KITCHENS" THIS WEEK  
LET'S DISCUSS A WOOD-MODE ORIGINAL FOR YOU!

AUTHORIZED DEALER

AUTHORIZED DEALER

LOOKING FOR A NEW CAR \$1,639\*? FOR ONLY

\$1,639 is the suggested retail price at the port of entry for a Volkswagen sedan.

## YOU'VE COME TO THE RIGHT AD

That's how little we charge for a Volkswagen. Of course, you don't get certain things with it. Like a drive shaft. (The engine's in the rear.) Or a radiator. (It's air-cooled.)

Also, because a VW gets about 29 MPG., you don't get a whopping bill at the end of every month. Come in and take a look. We think you'll like what you see. And also what you don't see.

10 MINUTES FROM ALBANY
