### Open Letter

The Time is NOW!

The financial drive is now formed and ready to start its drive to raise \$40,000 necessary to allow your committee to borrow the needed money to build your new American Legion home.

Two drives will get underway early in November. A membership door-to-door drive of all members of the Post will be put on. Please welcome your fellow Legionnaire who calls on you — every little helps! You can make a one-year pledge payable every

three months — ask your solicitor about it. This phase of the fund drive is in charge of George Butman, Alvin Greenwood, Ralph Butler and Fayette Walworth.

A local business drive will be started at the same time. This committee consists of the following members: Robert Edwards, Roland Kernahan, William Campbell and Jack Cheney. All local business people will be contacted to seek their aid in our anticipated desire for a new Legion home — a project we hope to have our community

take pride in, and be a part of.

At the present time your building fund has approximately \$5,000. This was voluntarily donated by members of the finance committee and Post members

and friends — indicating how wholeheartedly they are behind our dream of a new Legion home. Please be as enthusiastic as your finance committee!

After your committee received a vote of 96 for and 2 against at a Post meeting last fall, endless time has been involved in setting up drawings, meetings of committees and the one thousand and one things that such an undertaking entails. I would at this time like to thank each and everyone involved in our goal for their time, the faithful attendance at meetings, etc. The amount of work and devotion given by these members could never be repaid. If I have overlooked anyone, sincerely, it was unintentional. I hope all our membership responds as wonderfully as these members have and will continue to do. Thanks to everyone we feel will help as we go along with your project.

The committee will keep membership abreast of progress being made through the Ten Forty Times and at Post meetings. Please attend a few meetings and become part of your project. Call any of the men named - they will be happy to answer any questions you may have and also accept your donation or pledge.

What is Nathaniel Adams Blanchard Post?

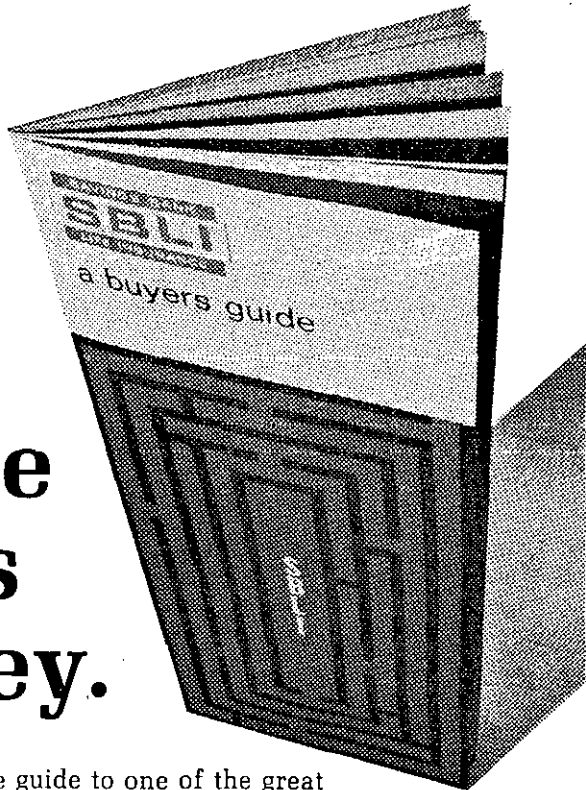

Post #1040, American Legion, is a Bethlehem Community Post. It is made up of nearly 800 men who have served their country in the cause of freedom. Its Ladies' Auxiliary serves side-by-side with them in carrying out worthwhile community projects.

The Post has outgrown its present building and plans new headquarters which not only will be a credit to the Town of Bethlehem but to the neighborhood in which it is to be located.

The Building Fund Goal is \$40,000 toward a \$120,000 total building cost. The support of the community and its residents toward attaining that goal is sought - just as community support is given by all the Town's Legion-

**... And What Does It Do For The Town Of Bethlehem?**

Among many things, it sponsors by itself, or gives financial and manpower aid to many community projects. The enlarged and improved facilities now planned will enable the Post to expand many of the activities, such as:

Bethlehem Committee that Cares: Vietnam; Boys' State and Girls' State Projects; Americanism Project; "Indoor Sports" Entertainment and Party for the Physically Handicapped; Memorial Day Parade and Services; "Go To Church" Breakfasts; American Flag Donation Program; Annual Decoration of Graves; Community Ice-Skating Party; Boy and Girl Scout Projects; Veterans' Hospital Programs; the Community Children's Christmas Party; Bethlehem Lions Club (including support of Eye Bank and Sight-Saving Projects); Red Cross Blood Bank; National Oratorical Contest (won this year by an Albany County youth); Sports Activities - American Legion Ball, Little League, Pop Warner League.

with responsible individuals or agencies in a position to render assistance; cooperate with other narcotic guidance councils and with the state and federal narcotics commissions and agencies in bringing local and community trouble areas to their attention."

The council must consist of not more than five members and shall include at least one clergyman, one attorney and one physician in accordance with the statutory mandate.

Mr. Kohinke has announced the appointment of Dr. Roger T. Drew, Rev. Paul H. Gassmann, Edward J. Grogan and John A. Boykin. Chairman of the council is Mr. Grogan. Dr. John J. Lyons, Albany County Health Commissioner and Dr. Frank C. Maxon, Jr., Bethlehem Health Officer, have been advising the council and were instrumental in its creation.

The Town of Bethlehem Narcotics Guidance Council is presently in the process of organizing committees and in seeking the cooperation of various civic, school, religious, service, veteran and fraternal organizations, as well as interested members of the community.

**Council Formed**

The Town of Bethlehem, acting under a law passed by the 1968 New York Legislature, has created a Narcotics Guidance Council. In announcing the formation of the guidance council, Supervisor Bertram E. Kohinke stated that under the law the council shall develop a program of community participation regarding the control of the use of narcotics and dangerous drugs at the local level.

The state law requires the council to direct itself, among other things, "to make immediately available to the community basic knowledge acquired in the field of drug use, especially by youth; create a climate in which persons seeking assistance in coping with narcotics problems can meet, without embarrassment,

**Andrew Wyeth**

In our affluent society, more and more people are joining the ranks of those who 'have everything'.

Buying a gift for someone in this category can be a trial at the least, and sometimes an embarrassment.

If you're faced by the problem, why not give him or her a picture - not just any picture - but one by Wyeth.

Why? Because he is perhaps the only living artist who is respected by traditionalists and the Avant Garde alike. His exhibits are invariably attended by record-breaking crowds. His work is characterized by an awesome technique, yet is always profoundly meaningful, never simply slick.

Reproductions of his work are in great demand and short supply. We've hoarded a small number in our shop. We have reproductions of drawings, water colors and oils. They are well framed and start at \$10.00.

Give one to that well-heeled relative. You'll flatter him. And who knows; he may remember you in his will.

## THE INSPECTOR GENERAL COMES TO DELMAR

by Peter Heron

A famed New York Times critic called Bethlehem Central Senior High's Charlatans "Perhaps the greatest high school theater group in America. I highly recommend Charlatans and all its wonderful productions." The critic (since fallen from fame) was right. Charlatans has come up with another excellent production. This year's play is "The Inspector General," a Russian farce by Nikolai Gogol.

The play itself revolves around a small town in Russia, completely drenched in political graft. The mayor loves to gamble and overtax, the doctor knows little about medical matters, the judge has a particular affection for women, and the police commissioner enjoys drink. When word gets around that the Inspector General has arrived to investigate the town government, chaos reigns supreme, and the results are amusing and entertaining.

Sydney Turner is directing, and the cast is comprised of newcomer Larry Eddo, and many old-timers to the BC stage, such as Steve LaNier, Lee Bailey, Janet Wall, Terry Jones, and Jon Grey. Other members of the cast are Bill Kriedler, Mike Sharp, Jeff Klepper, Julia Miller, Carl Lassaco, and Marty Dineen. Janet Katz has the huge problem of stage managing the play.

The play will be presented on November 22 and 23 at the Bethlehem Central High School auditorium and tickets may be obtained from any Charlatans' member. Curtain is at 8:15.

Town officials Bill Kriedler, Jon Grey and Lee Bailey cause financial "troubles."

milk. Sometimes they do come into a house and find the children in bed. More often they must bathe, feed and put the children to bed. All these years they have received the fifty-cents an hour and have refused to ask for more. This, by the way, is what I paid when they were babies.

I could forgive any of the above remarks, but I most emphatically object to the final remark of "name submitted." "At least we are keeping these girls off the streets and out of trouble." Where does she go to get her baby-sitters? I certainly do hope that she is not someone on my daughter's list of customers. This person has absolutely no understanding of these fine girls who most of us trust with our dearest possessions - our children.

Yours truly,  
(Name Submitted)

Dear Sir:

The Slingerlands Community Players are to be the recipients of the proceeds of the Tri-Village Welcome Wagon Newcomers Club "Brunch" which will be held on Nov. 19 at 10:30 A.M. at St. Stephen's Church in Elsmere.

I would like to express the sincere gratitude of our group for this very generous gesture. As stated before, we are very proud to be a part of the Tri-Village cultural aspect and we are happy to receive the recognition of groups such as the Welcome Wagon Club.

Our community thrives on new residents and for these newcomers we feel that we have much to offer. The Welcome Wagon is the first step in making these people feel "at home" in our area and then it is up to us all to follow through.

Toward this end, for 17 years Slingerlands Community Players have in their productions activated the talent and interest of our Community. We have recently purchased property and in the near future we will have our own theater. The proceeds of the Newcomers "Brunch" will go toward this project and I urgently ask the Tri Village Community to give the Welcome Wagon Club its support.

Tickets are \$3.00 and reserva-

tions may be made by calling Judy Lempert at 439-6747. A short dramatic program will be presented by the Players along with a briefing of the progress being made by the group.

Again, may I thank the Welcome Wagon Newcomers Club for this very generous offer.

Very Sincerely,  
Douglas G. Marone,  
President

## Moving Day!

On November 17 at 1 P.M. the Slingerlands Community Players are moving from their present location (upstairs over the IGA store in Slingerlands) to their recently acquired building on Delaware Turnpike (the historic Warrick Hotel in Unionville). Anyone interested in helping would be most welcome.

On the evening of the 17th the regular meeting of the group will be held in the new building and all those interested are invited to attend. The meeting will be held at 8 P.M.

## Patriotic Service

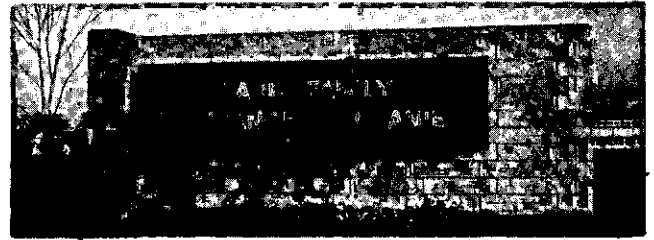

On Sunday, November 17, Bethlehem Lutheran Church will hold its Third Annual Patriotic Service at 11 A.M. The Guest Speaker will be General Cortland Van Rensselaer Schuyler. Special invited guests include the

## Our Girls Want Work

Bethlehem Central Junior High's employment agency, Junior Jobs, has been functioning for three weeks. During that time, boys and girls have worked in more than fifty homes in the Tri-Village area at leaf raking, yard cleaning, lawn mowing, baby sitting, garage cleanup, washing windows, putting on storm windows, light housework, and ironing. Most of them have received the best commendation possible — being asked to return to the same family for further work at another time.

The boys have all been busy with as much work as they could do (please continue to call for them), but there have not been enough calls for girl workers to keep the 25 girls who have applied for jobs busy. Would you like to have a dependable girl for light housework, ironing, cooking, serving dinner, washing dishes, or sewing at \$1.25 an hour, or for babysitting at 75¢ an hour? Two girls would like work caring for animals while you are away, at your home or theirs. Would you be interested in such a service?

If you need help, please call 439-4984 on Monday between 1:15 and 2 P.M. and on Tuesday through Friday between 1:45 and 2:30 P.M.

are permitted in C-Commercial zones under the Bethlehem zoning statutes.

The zoning request was approved by a 3-1 vote. The dissenting vote was cast by Paul Dickenson.

Mr. Dickenson pointed out that the board rejected a request of Donald Halsford for permission to construct a car wash at 333 Delaware Avenue because of the traffic congestion it would create on Delaware Avenue. "I can see no significant difference in this request," he declared.

The board also rejected a highly controversial car wash proposal planned for Delmar about two years ago.

Charles Fritts, board member, pointed out that the entrance and exit of the Main Bros. proposed automatic car wash would be on Hallwood Road, a side street.

"Since they are going to build a car wash there anyway, we may as well permit them to have the stacking space and the best facility possible at that location," said Board of Appeals President William Johnston. "The zoning ordinance permits them to have the car wash."

Without the additional space, there would be stacking space for only 20 cars, the board was told.

Mr. Dickenson contended that all the cars eventually were going to "pile up" on Delaware

Avenue regardless of their ingress and egress via Hallwood Road.

The request was approved with several conditions attached: that the car wash not be opened before 7 a.m. and close no later than 7 p.m.; that it be closed on Sundays and holidays; that a fence two feet high be erected on the Delaware Avenue side of the property, and that the car wash be attended during all hours of operation.

### Budget

Bethlehem's \$1.3 million budget proposal was the target of only one complaint at a public hearing conducted before the Town Board.

William Buchanan of Delmar criticized the board for not sending copies of the budget to residents of the community so citizens might have an opportunity to examine the budget before attending the hearing. He said he recommended this same action at last year's hearing.

Copies of the budget were given to all of those attending the hearing last night.

Approval of the budget was recommended by nine residents, including Scott Prothero of Elsmere, Robert J. Wiggand of Glenmont, Walter Eck of Slingerlands, John Flannigan of Slingerlands, Howard Paddock, chairman of the Bethlehem Planning Board, and Jesse Turner of Delmar.

Action on the budget will be taken at a future meeting. The proposals calls for a \$1.72 tax increase per \$1,000 of assessed valuation. The preliminary budget represents a \$94,000 increase over the current budget.

period at the budget hearing, John Collier of Delmar asked if there had been any money appropriated in the proposed budget for the preparation of a town tax assessment map. When Supervisor Bertram Kohinke replied in the negative, Mr. Collier suggested that the budget be amended to provide funds for the preparation of such a map.

Mr. Kohinke said there is legislation pending before the Legislature which would provide funds for the development of countywide tax maps. He added that if the board became faced with the immediate need of a new tax map, it could secure the funds by borrowing on a tax note.

Before the budget session, the board scheduled a public hearing for Nov. 27 on Jason Minnick's proposed \$10 million Planned

Unit Development District. The hearing will be held to determine whether the proposed site for the luxury-apartment development should be changed from an A-Residential zone to a planned unit development district.

The proposed 600-unit apartment development would be located on a 125-acre tract surrounding Blessing Road in North Bethlehem. The Bethlehem Planning Board has examined the plans and has recommended that the town board approve the zoning change.

Electric heat needs no annual cleaning, no filter replacement, no rust removal; no boiler repairs, no furnace repairs — no nothing!

There's more. With electric heat you don't have to order the fuel. You don't have to stay home to accept delivery. You don't have to worry about sudden breakdowns.

There's more. With electric heat you don't have to swelter in the living room to keep the bathroom warm. You don't have drafts along the floor where the baby crawls

around. You don't have to wait around in the chilly dawn for the heat to come up.

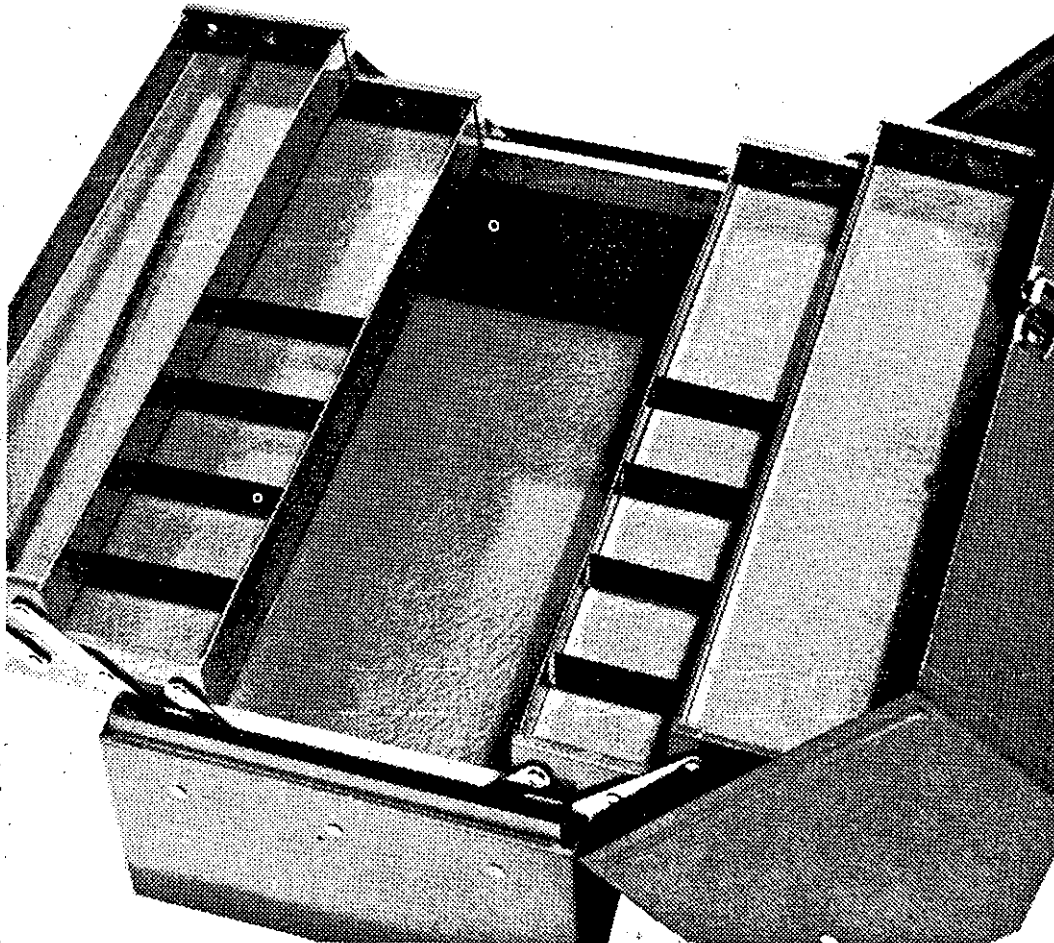

You pay a little more for electric heat. You get more with electric heat. You get modern, steady, even heat. Clean heat. Peace-of-mind heat.

... you don't pay for electric heat with headaches.
