## Winner

Gayle Marshman, a senior at Bethlehem Central High School, has been awarded a \$300 scholarship by the Glenmont Elementary P-TA group.

The Glenmont P-TA makes an annual scholarship award to a high school student who attended Glenmont Elementary school for

Gayle Marshman

at least the last two years of elementary education. Gayle is well-qualified on this count, as she attended Glenmont on her first day in school.

Gayle will apply the scholarship toward educational expenses when she enters the SUNY School of Nursing in Albany next fall. According to her parents, Mr. & Mrs. Willard Marshman, Gayle has been interested in nursing for several years and has taken a number of science and biology courses during high school in preparation for her advanced training. She was also recently named as winner of a N.Y. Regents Nursing Scholarship.

Alternates named for the scholarship award were: Timothy Hodder, son of Mr. & Mrs. Harold Hodder of Glenmont; and William Weisheit III, son of Mr. and Mrs. William Weisheit also of Glenmont.

In addition to the scholarship award, Glenmont P-TA sponsors a yearly outing for sixth graders to such places as the U.N., Hyde Park, Cooperstown, etc. The group also provides funds for maintenance of the playground ice skating rink at Glenmont school and for purchase of unusual teaching aides for classroom use. Numerous money raising events are held to finance these projects.

## Fashion Show

Sixth grade pupils at Hama-grael School in Bethlehem are finding out that there is more to a fashion show than simply putting on pretty clothes and strutting around on stage. For several weeks the students have been making paper-flower decorations, building a run-way, being measured for size, and practicing posture improvement in preparation for the fashion show to be presented by the class tomorrow (March 28).

When the idea of a fashion show was first suggested as a possible way to raise money for their class trip to N.Y. City, the girls were very excited and enthusiastic. The response from the 6th grade boys was not as positive, however. They wanted to know if they would have to "walk funny" and "wear perfume, make-up and all that other girl stuff."

Sixth grade teachers, Susan Stolzer, Norma Reardon, and Ethel Collins finally convinced the boys that a trip to the planetarium and museums in N.Y. was worth any embarrassment they might feel and assured them that no make-up and perfume would be required. Now, volunteers to serve as "male" models exceed the requirement.

Clothing for the show will be provided by Sears & Roebuck of Colonie Center, and Sears Fashion Show coordinator Betty Donlin will assist with arrangements. Sixth grade room mothers, Mrs. Herbert Hewitt, Mrs. Francis Anderson, and Mrs. Eugene Mowry have also spent many hours on the project.

Final results of the children's efforts will be seen at 7:30 P.M. tomorrow, March 28, in the Hama-grael cafeteria. Tickets are \$1.00 for adults and 25¢ for children. Refreshments will be served following the show.

## In School Play

Richard Hallman of 159 Westchester Drive, had a role on the recent production of "The Mad Woman of Chaillot" at Webster (Mass.) Academy. The youth's parents are Mr. and Mrs. Marshall C. Hallman.

## Dr. Rienow to Speak Here

Wednesday, April 2, will bring a very special treat to adults at the Bethlehem Public Library. Dr. Robert Rienow, Professor of Political Science at the State University of New York at Albany, will speak at the Sandwich in a Book meeting. Dr. Rienow has been widely published and read. He is the author of many treatises and books on various branches of government. His book "Moment in the Sun" is concerned with the deterioration of the American environment as to natural resources, air and water pollution. Dr. Rienow will discuss the book in detail.

He will also coordinate the ideas set forth by him with those of Dr. Paul R. Ehrlich whose fort-right book, "The Population Bomb," carries on the theories of horrible waste. Dr. Ehrlich points out the gruesome fact that famine within the decade is a certainty unless certain programs are started — not soon, but now!

Bring your questions and sandwiches — coffee will be ready at 12:15. For those who must leave, the formal part of the program will end at 12:45 but such a thought-provoking talk will surely carry on a bit at least.

MESSY HALLS MEAN MEALS FOR NEEDY: Linda Garrey and Gloria Black survey the conglomeration of boxes, cans, and bags which littered hallways during a recent canned food drive at Bethlehem High School. The Student Council sponsored activity may not have been tidy, but it was successful. Over 950 cans of food were collected and donated to SENCAP (South End Neighborhood Community Action Project) for distribution to needy families in the Albany area.

## AN INFORMATION BULLETIN FROM THE HARTRAN Automatic Transmission Shop

An Automatic Transmission is not unlike a fine watch, with upwards of 500 moving parts that are motivated by engine torque, fluid pressure and governed by centrifugal weights, engine vacuum and manual linkages.

Failures are caused by normal wear, abusive treatment of the machine, heat, and un-tuned engine, improper adjustments, bad motor mounts, bad universal joints and not having the proper maintenance at the prescribed times.

Many times the life of your transmission can be appreciably extended by performing preventive maintenance at periodic intervals by a competent and trained transmission mechanic.

The committee has met since its appointment and will survey the present recreational programs and facilities in the town. It is seeking a list of groups conducting recreational programs in the Town of Bethlehem at the present time. The purpose is to compile and make available the completed list. A questionnaire is being developed and will be sent to members of the organizations who attended the meeting of the Interim Committee on Recreation. If your club or organization was not contacted last January, please send the name of your group to the Town of Bethlehem, c/o Recreation Committee, 393 Delaware Avenue, Delmar, New York 12054.

## Reforms Loom

With little fanfare, Town of Bethlehem Democrats held a fund-raising dinner recently that provides the first solid indication of reform within the county Democratic organization in many years.

The Jefferson - Jackson Day dinner was significant not only because it was the first fund-raising event of its kind in the history of the town party, but,

Robert S. Kuhn, 43 Douglas Road, Delmar, has been elected President of Iroquois Door Company, Buffalo and Syracuse, and Iroquois Millwork Corporation, Albany.

more importantly, because it brought together on an amicable basis Democrats who have frequently feuded.

There were veteran organization leaders like Mayor Erastus Corning, County Attorney John J. Cline, and Albany Common Council President Richard Con-

ners, and younger party members like E. David Duncan, Lawrence E. Kahn, Thomas Brown and Joseph Harris.

There were reform-minded New Democratic Coalition leaders like Leon Cohen, Francis Andreson and Otto Honegger, and George Harder, a reformer

from the recent past, was there too.

To the outsider, this conglomeration of politicians from all wings of the party may appear to be the result of conscious effort by Kenelm P. Thacher Jr., the 35-year-old town chairman who ran the dinner.

"Not so," says Thacher. "There was no design involved. We just welcomed all registered Democrats interested in working with the Bethlehem party. It's not a closed shop, you know."

As it turned out, Thacher's policy proved highly successful, with over 200 present at Schrafft's for the address by State Comptroller Arthur Levitt.

## EXACTLY HOW TO BUY YOUR HUSBAND A SUIT.

Last year's jacket was styled like a box. This year's jacket is built like a man.

The big fat lapel is dead. What you want is a slim and styled one.

The sleeve should be short enough to show plenty of cuff.

This season, plaids and stripes and checks are arrogant instead of meek. Colors, greenish-blue, copperish-brown, just-about-anythingish-gray instead of good old mousey. And the fabric must look lustrous, feel silky and stay pressed.

Bulky trousers are a thing of the past. If your husband can slip into a pair with his shoes on, you shouldn't buy them.

If you want this season's look in husbands, don't let them sell you anything but a padded shoulder.

One button is correct. So are two. But don't try for three.

While the up-to-date jacket is longer in style, it's shorter in length.

Be sure to buy your husband this year's suit. Come in and see Mohara\* suits by Tempo. Mohara is a custom-made fabric blend of wool worsted, Kid mohair and Dacron† polyester. Tempo Mohara sells for far less than you would imagine, and you may even have enough left over to pick up a nice little outfit for yourself.

James Denham, son of Mr. and Mrs. Edgar Denham, 11 Borthwick Avenue, Delmar, recently ended his four-year college wrestling career when he took fourth

in a field of twenty-six at the New England Intercollegiate Wrestling Association Tournament held at Worcester Polytechnic Institute. He represented the University of New Hampshire where he captained the wrestling team this past year.

Other schools participating in the tournament included Springfield College, Dartmouth, Brown, U. of Mass., Coast Guard Academy and M.I.T. Denham's four year college record is 29 wins, 6 losses and 2 draws. While at Dean Junior College, where he received his A.S. before transferring to UNH, he was captain of the team and was voted Most Valuable Wrestler.

Mr. Denham will be graduated from UNH in June with a B.S. in Physical Education. He is a 1965 graduate of Bethlehem Central High School where he wrestled under John Nyilis.

## RECREATION PROGRAM

by William Fuller

### Donkey Basketball

Over 100 tickets have already been sold for the Donkey Basketball Game to be held on Saturday, April 12 starting at 7:30 P.M. in the High School Gymnasium. Tickets (\$1.00) are available in the

Youth Center and in the Recreation Office located in the Jr. High School. Tickets will also be sold at the door.

Donkey basketball is played with 8 donkeys, with riders, wandering around the basketball court. Baskets may only be scored, while the rider is seated on the donkey. Loose balls are gotten by pulling the donkey to the ball. The player dismounts, gets the ball and then remounts, and either passes or shoots the ball. There are no time outs, fouls, or out of bounds. The entire floor may be used and substitutions may be made at any time. The players have been cautioned: Do not approach the donkey from the rear.

Also the players may not pull the donkeys hair, twist its tail, or bite its ears. The players have been practicing daily for the "big game" by shooting and passing the ball around while seated on chairs. This however is somewhat easier than riding a "tame" donkey. The donkeys are said to be deodorized, house broken and wear rubber boots.

Free College and Career Booklets

We have just received in the Guidance Office the following booklets for distribution to interested students:

**It's Up To You** - Although intended as a guide to a career in life and health insurance, this booklet outlines steps that you should follow in making a decision about any vocation. This publication was sent to us with the compliments of the Farm Family Insurance Company.

**Launching a Career**, published by General Electric, presents tips on choosing a vocation and getting your first job. Getting started in a career is likened to launching a missile into orbit, including the following stages: Fueling Up (Your high school years), PERILAUNCH (analyzing yourself and making a survey of your proposed vocation), The Count Down (the job interview).

In Orbit (accepting a job and your subsequent performance).

**Help For Your College Education** - A publication of the State University of New York, presents a resume of the state financial assistance programs to college students, including Regents College Scholarships, Scholar Incentive Program and Student Loans.

You may obtain your copies of the above publications in the Guidance Office.

**College Programs for High School Students - Summer 1969**

**Allegany College, Meadville, Pennsylvania** - Art, Science, Social Science and Humanities - June 23 - July 25 and July 28 - August 29.

**It's Coming!**

The time which all golfers and would-be golfers look forward to so eagerly is approaching - not as rapidly as those golfing-starved men and women would like - but, with the first warm days already behind us, the signs of Spring are unmistakable.

At Normanside Country Club the event which traditionally sounds the opening gun for the fair set of golfers is the Spring luncheon: the date, Saturday, April 12, at 12:30 P.M.

Following luncheon Normanside members and their guests will hear Mrs. Rosalind Lang's comments on "The Importance of Self-Improvement." Mrs. Lang, well-known in the Albany area for her work in charm and fashion, is presently a lecturer at the Albany Business College and the Wood School in New York City.

Mrs. Raymond Stout, Normanside Country Club Women's Organization Social Chairman, will be assisted by Mrs. Lawrence B. MacArthur in arrangements for the luncheon.

**Meeting Changed**

There will be a change in the date of the next "ACNEE" (Action Committee Narcotic Education and Enforcement) from Tuesday, April 1, to Tuesday, April 8, as announced by Dr. Gene Primomo, general chairman.

It is requested that the committee chairmen submit a written report of their activities so far.

**1970 Staff**

Hugh J. Brown, a business teacher at Bethlehem Central Senior High School and advisor for the Oriole, has announced the members of the 1969-70 Oriole Yearbook Staff.

Next year's Yearbook will be published under the direction of an Editorial Board made up of Mary Austin, Susan St. Clair, Kathy Kiley, and Claudia Wight. Bonnie Kawczak has been named Business Manager, and Margaret Preston will be secretary.

The general staff will be under

Looking for a new way to serve chicken, then try this recipe which makes 4 servings:

1 three-pound frying chicken, cut into pieces; Flour for dredging; Dried thyme; Salt and pepper; 1/4 cup butter or margarine; 3/4 cup canned tomatoes; 1/4 pound mushrooms, chopped; 1/4 cup onions, finely chopped; 1/2 cup Great Western Aurora Sauterne or Dutchess White Wine; 1/4 teaspoon chervil or tarragon; 2 tablespoons parsley, chopped.  
Dredge chicken pieces in flour seasoned with thyme, salt and pepper. In large skillet heat butter or margarine, add chicken pieces and brown on all sides. Add tomatoes, mushrooms, onions, wine and herbs. Cover and cook slowly until chicken is tender, 30 to 45 minutes.

### Classes Full

The popularity of the American Red Cross waterproofing and swimming classes for boys on Friday night and girls on Wednesday nights at the Bethlehem

Central Junior High School has been so great that all classes are filled and no more children may enroll.

Mrs. Mildred Westerfelt is director of the Wednesday night classes and James H. Carnahan is supervising the Friday night program.

### Water Safety

The Water Safety Committee of the Northeastern New York State Territory American National Red Cross will offer a course of instruction in Small Craft Safety and Handling starting Saturday, April 12.

James H. Carnahan and Albert E. Cahill, co-directors of the course, stated that it is open to all persons from ages 11 on up, who can swim at least 50 yards and who are in good physical condition. The course will be conducted at Rotary Scout Training Reservation, Poestenkill, New York.

According to the Committee, buses will depart from Bethlehem Central Junior High School at 7:45 each Saturday morning, with an interim stop at Panetta's Restaurant in Menands at 8:15 A.M. They will leave Camp Rotary at 1:00 P.M. for the return trip. There will be a \$7.50

fee for the cost of the bus trip. This will include all trips from April 12 thru May 24 when the courses end. All money collected will go to defray the cost of the buses. The course is otherwise free as offered by the Red Cross.

Persons who have completed the basic rowing, canoeing and motorboating course will be eligible to take the Small Craft Instructor Aide Program. Persons 17 and older, who have the Basic Course or its equivalent will be eligible to become Small Craft Instructors in Boating and Canoeing.

According to the Red Cross, the New York State Young Boat-

## Lease-Lend

"Successful" is the way Dr. Frank Filippone describes the book leasing program in the Ravena - Coeymans - Selkirk School District. The program enables pupils to take home — for an unlimited time — the latest books by leading publishers.

Dr. Filippone, superintendent of the R-C-S district, said the new books are leased rather than sold to the schools. The hardback, cloth-bound books are not textbooks. Called "curricu-

lum enrichment books," they are for general reading in the home or for use as reference sources in doing homework, he explained.

Because the publisher replaces missing or damaged books, the unusual "rent-a-book" plan has proved highly economical, thus far. Equally important, it makes available large numbers of books in many homes where the pupil does not normally have access to them.

Under the plan, books become the property of the school after

a four-year leasing program. This could cut the cost of quality books for school use by as much as 50 per cent as compared with outright purchase.

The books include such substantial reference works as dictionaries and encyclopedias. Also available to pupils are books on history, geography, science, social studies, art, music and sports.

No complicated checking-out central library-type procedure is necessary when a pupil wants a book. In most cases, all he has to

do is to take the book off a shelf in his classroom, Dr. Filippone explained. The books may also be used in adult study groups, he added.

The fact that the child is on the honor system and does not have to check out the books formally, breeds a sense of responsibility, the superintendent emphasized.

And, the child can select his own books, rather than have them assigned as lessons, thus creating his own reading program. The student sets his own pace and the fast learner is not being held

My last 30 days have been spent with the Division Forward Command post in Tay Ninh Province (60 miles NW of Saigon). The division was ordered there for the TET holiday period to assist in closing off the main infiltration routes from Cambodia. We were involved in some heavy fighting in recent weeks.

At present I am on a 4 day stand down in Saigon awaiting departure to meet my wife in Hawaii. This is the first real slack period I've had since my arrival.

I would like to take this opportunity

to thank all of the citizens of Delmar who have been responsible for organizing and carrying out the mission of the "Committee that Cares." Not only have I enjoyed receiving the packages and cards, but the feeling that these efforts convey do have the effect of bolstering morale here in the combat zone. I am sure that the enlisted men serving with U.S. units, who at times spend up to 60 days between visits to a base camp, feel and appreciate this effort even more than I do.

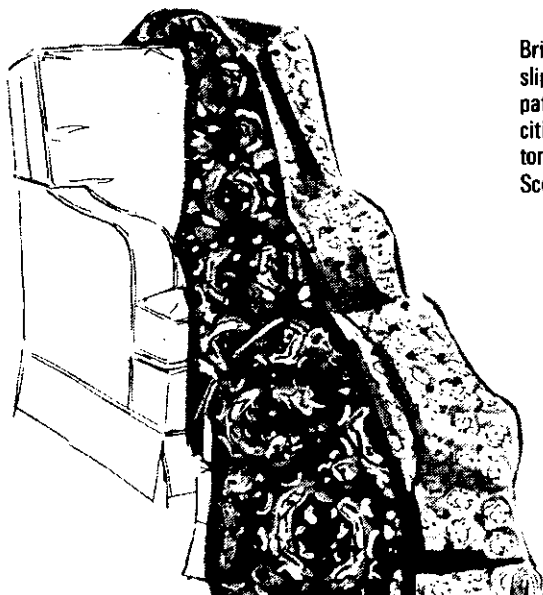

I will be returning to Delmar in June and at that time would be pleased to meet with any

day, March 29, in the Regency Room of the Thurway Motor Inn in Albany.

On the program will be a filmed interview with Mrs. William H. Sullivan, Jr., by David Susskind, Thomas Hyde, director of the senior chorus at Ravena-Coeymans-Selkirk Jr. - Sr. High School, will present a singing group of 20 students.

**Service**

On Wednesday evening, April 2, at 8:00 P.M. the observance of the Feast of the Paschal Lamb will be celebrated at St. Peter's Episcopal Church for all members of Scottish Rite, their families and friends.

James G. Tebbutt, Jr., Most Wise Master will preside over the service, which is primarily for those who have completed the cycle of this earthly life during the past year. It also commemorates the Last Supper and the Feast of the Passover, to which Jesus gathered His Disciples.

Present day Rose Croix Knights retain the feast symbolically and invite their brother Masons and friends to join them in offering up thanks for the bounties of life, to pay due respect to the memory of deceased Knights, and to ask for divine guidance with renewed Faith, Hope and Love.

The principal address will be given by the Rev. Dr. Laman H. Bruner, Jr. Rector, and the St. Peter's Episcopal Church Choir will be under the direction of Mr. Donald Ingram, Organist and Choirmaster.

**Panel**

The problems of how to obtain and how to pay for health care, both now and in the future, will be the subject of a panel discussion, sponsored by the Unitarian - Universalist Women's Federation on April 2 at 8 P.M. in the First Unitarian Church of Albany.

Two of the panel participants are Tri-Village residents. Doctor Gordon Hatch of 25 Gladwish Road, Delmar, is director of the Bureau of Medical Care of the New York State Health De-

partment. He will discuss possible future changes in the methods of paying for Health Care.

A second member of the panel is Dr. Frances Vosburgh, a past president of the Albany County Medical Society, who has been in private practice in Albany for 42 years and for 32 years was a part time doctor for the New York Telephone Company. She will speak on the problems and advantages of the current system of private solo practice with fee for service rendered. Among her community services, Dr. Vos-

**Horse Show**

The annual horse show sponsored by the Capital District Multiple Sclerosis Society will be conducted Sunday, June 8, at the Troy Riding and Driving Club, Inc. grounds, Route 150, Troy-West Sand Lake Road.

Selection of the date was announced by Dr. Albert H. Harris, medical director of the Northeastern New York Red Cross blood program and chairman of the Capital District Chapter of the National Multiple Sclerosis Society.

osis Society.

The show is sanctioned by the American Horse Show Association.

"The horse show is designed to augment our regular fund-raising program at the same time it provides a full day of family fun for area residents," Dr. Harris said.

Tickets will go on sale shortly, he said.

Funds raised by the local chapter are used for research into the causes and possible cure of multiple sclerosis and for services to area patients.

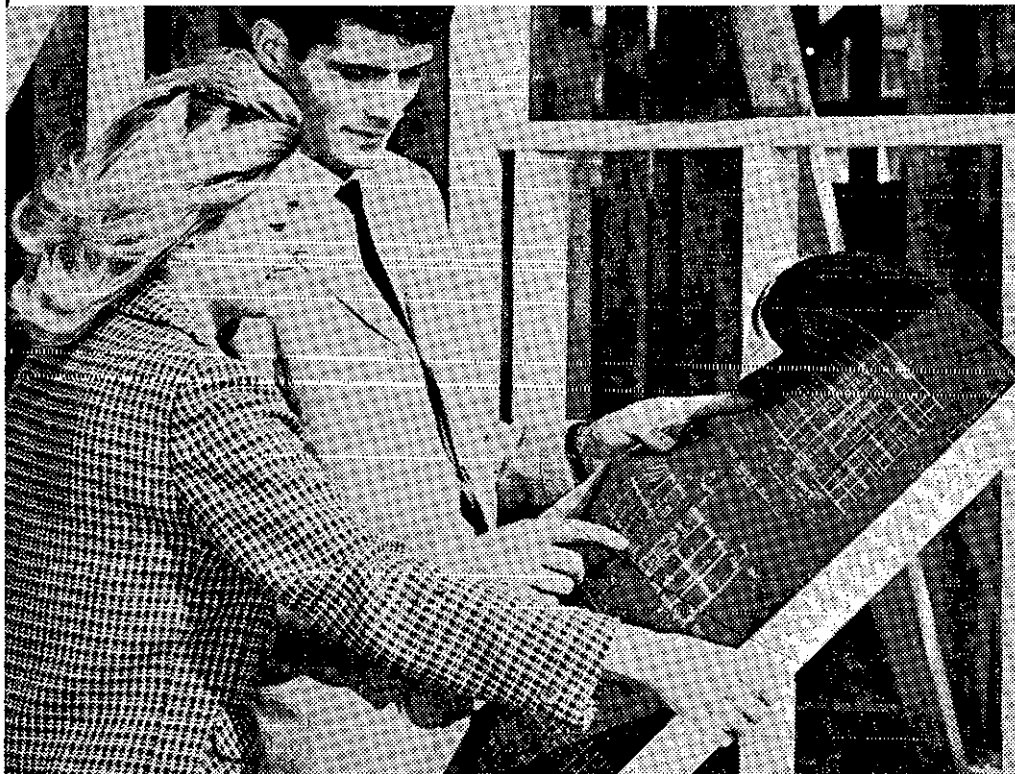

The local society provides patient services in nine counties - Albany, Rensselaer, Schenectady, Saratoga, Schoharie, Greene, Columbia, Warren and Washington. It has more than 150 pieces of equipment, worth some \$22,000 on loan to residents of those counties who have multiple sclerosis.

Multiple sclerosis, a progressive disease of the central nervous system, is known as the greatcrippler of young adults, because it generally is first diagnosed in persons between 20 and 40 years of age.

**Keep Records**

If you plan to list a business deduction for travel and entertainment expenses be sure to have the records to substantiate these expenses, Donald T. Hartley, District Director of Internal Revenue for Northeastern New York State, said today. Estimates of these expenses are not legally acceptable for tax purposes.

Mr. Hartley said in many instances, a taxpayer should keep a diary or timely record as well as receipts and invoices to back up a travel or entertainment expense.

To substantiate entertainment expenses you must establish the amount of each separate expenditure except for miscellaneous items like cabs, phone calls, tips and meals while traveling away from home, which can be added together for each day. In addition, the date of the expenditure must be confirmed, the name of the person entertained indicated and the type and location of

## Busy, Busy!

The next several weeks will be extra busy ones for aquatic biologists working on the State Conservation Department's experimental program to develop a high quality salmon fishery in New York.

Coho salmon are now being marked at the Department's hatcheries at Randolph, Chateaugay, Crown Point and Warrensburg in preparation for stocking this spring. The fish, now averaging six inches in length, are fin-clipped in order to distinguish them when caught from salmon stocked in the Great Lakes by other states and the Province of Ontario. The marking and stocking is being coordinated

# SPOTLIGHT CLASSIFIEDS

by the Great Lakes Fishery Commission.

After marking, 10,000 cohos were stocked in Cattaraugus Creek on March 19. Approximately 100,000 will be stocked in the Little Salmon River (Oswego County) on or about March 27 and 20,000 in Oak Orchard Creek (Orleans County) on or about April 2.

These stocking sites were chosen after careful consideration of all New York tributaries emptying into Lakes Erie and Ontario. A Conservation Department coho site selection sub-committee recommended Cattaraugus Creek, Oak Orchard Creek and the Little Salmon River as the most suitable stocking sites after examining water temperature, flow rates, water level fluctuations, depth and biological factors.

An additional 15,000 fall fingerling cohos were stocked in the Pulaski Recreational Pond

last December to determine if they would carry over in the pond until this spring and then migrate downstream to Lake Ontario. Biologists have installed a downstream trap to check progress of their movement.

New York's first stocking of coho salmon in Lake Erie and Lake Ontario tributaries took place last spring. A number of early maturing "jacks" returned to the Salmon River and Cattaraugus Creek late last summer and in the fall. However, the main run is expected in the fall of 1969.

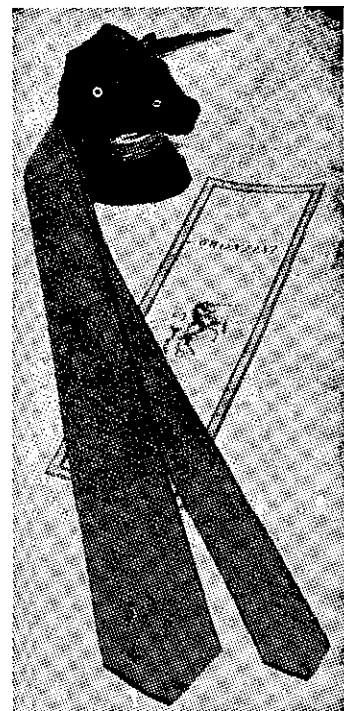

The Department also announced that it plans to make its first planting of chinook salmon fingerlings in the Little Salmon River in late April or early May, depending on water conditions. The chinook is a larger fish than the coho and if all goes according to plan adult fish averaging 20 pounds and more will be returning to the Little Salmon in three or four years.

While early indications have pointed to success in New York's salmon program, Department spokesmen emphasized that this is still an experimental program and much needs to be known on how the coho and chinook salmon adapt themselves to Lake Erie and Lake Ontario.

wrong?

A — Taxpayers are either forgetting to add the surcharge or they are figuring it wrong. Mistakes like these delay processing as well as any refund that may be due.

To avoid these mistakes check your instructions which explain how the surcharge should be handled.

Q — Can I deduct the federal tax I pay on my phone bill?

A — No, this is an excise tax and excise taxes are not deductible.

**BUSINESS OPPORTUNITY**

I am prepared to pay in excess of \$10,000 annually to the person I'm looking for. This will be a salary - NOT A DRAW. He will have available a complete line of insurance to sell, plus mutual funds. If he prefers commissions to a salary, this is also available. If you are interested in learning more facts about this tremendous opportunity call The Career Development Manager for the Nationwide Insurance Companies, phone number UN 9-9568 or stop in at our office at 1847 Central Ave., Albany, N.Y. and arrange for a personal interview.

P.S. We are NOT a debit collection type company.

**MEN WANTED**

- To help operate well drilling and core drilling machines.
- To install and repair pumps.
- To lay water and sewer lines.
- To weld, fabricate, and do machine repair work.

Experience desired. Good company benefits. Overtime. Driver's license necessary. Must be able to stay out of town on occasion. Call Steve Strong weekdays at 439-4961.
