Invite these two safety experts to the next meeting of your club or organization.

If you're a school or church organization interested in alerting children to the dangers of electricity, you'll find no finer speakers than our two experts pictured here. Their names are A and Zap, and they appear in a 10-minute cartoon called "Electric Safety from A to Zap." Free "A to Zap" coloring books are also offered with this film, so specify the total number of children viewers.

Besides our cartoon feature, Niagara Mohawk's Speakers Bureau can provide your club or organization with a number of other interesting programs and speakers, at no charge or obligation.

For example, on the subject of safety, these two films have a wide audience appeal.

Breath of Life, an award-winning 16-minute color film narrated by Art Linkletter, shows how lives can be saved by the prompt use of mouth-to-mouth resuscitation.

Out of the Shadows is a dramatic 27-minute color film detailing the problems of nighttime crime and traffic accidents.

Of course, there are other programs besides safety programs. They range from stimulating films and talks on nuclear power to color-slide programs and demonstrations, such as how electricity is brought into your home.

To get a complete listing of all the programs (or to arrange a program of special interest), phone your nearest Niagara Mohawk office or mail the coupon to:

THURSDAY, OCTOBER 14

The Women's Auxiliary to The Medical Society of The County of Albany is sponsoring a night at Saratoga Harness Track. The evening will be highlighted by a buffet dinner in the Clubhouse and a special race. The winner of this race will be presented a trophy by the chairmen, Mrs. Arthur Wendth and Mrs. Anthony Mastrianni.

Proceeds from this fall fund raiser will go to aid the medical philanthropies. Reservations can be made by contacting Mrs. Robert K. Heineman, Mrs. John Lang, Mrs. James Sullivan, and Mrs. Manuel Vargas.

The Town of New Scotland, in conjunction with the Helderberg Senior

Citizens Club and Voorheesville Central Schools, will hold a meeting at 7:30 P.M. in rooms 121-123 at the Voorheesville High School.

This meeting is being scheduled to inform the community on recently implemented action concerning the opening of the new Senior Citizens Center which will serve the residents of Voorheesville, Slingerlands, Clarksville, New Scotland, and Feura Bush. Much has taken place since the last Town Meeting which met to discuss this issue last March. Mr. Lauren Kissel, chairman of the Senior Citizens Planning committee, will preside. Of prime interest should be a report by Mr. Willis McIntosh, Town Supervisor, of the continuing work on the renovation of the old New Salem School House, which is to serve as the new center.

All interested citizens are cordially invited to attend. Refreshments by the Helderberg Senior Citizens Club will be served. If transportation is necessary, please call 439-1649 or the Voorheesville High School at 765-2372.

The Women's Organization of Nornside Country Club will wind up the 1971 golfing season today with special prizes awarded for the 18-hole and 9-hole events with beginning tee-off time of 9 A.M. Luncheon will follow.

Mohawk Chapter, DAR, will hold its first meeting this fall at the home of Mrs. John F. Joline, III, in New Lebanon, New York, at 2 P.M. Following a brief business meeting to be conducted by Regent, Miss Caroline A. Lester, the Members will tour several of the restored Shaker buildings on the campus of Darrow School where Mr. Joline is Headmaster.

The Ladies' Auxiliary of the Elsmere Fire Company will hold its monthly meeting and social at 8 P.M. at the fire hall. Everyone is invited to attend and participate in the plans for our new project.

Regular meeting of Delmar Fire Volunteer Fire Department Ladies' Auxiliary, 8 P.M., Fire Hall.

FRIDAY, OCTOBER 15

Gansevoort Chapter will meet at the Aurania Club at 6:00 P.M. for a Friendship Hour, dinner will be served at 7 P.M. Congressman Samuel Stratton will speak on "Perspective from Washington."

Sophomore Class at BCHS presents two horror films: "Tales of Terror" and "The Masque of the Red Death," 8 P.M., auditorium. Adm. \$1.

Meet the Democratic candidates at Center Inn on 9W at 8:15 P.M. Everyone welcome; refreshments.

The Albany County Hockey League Inc. will hold its registration night tonight at the Shaker Junior High School auditorium, 7 P.M.

SATURDAY, OCTOBER 16

A workshop in liturgical-creative dance will be sponsored by the combined Methodist churches of Delmar, Slingerlands, and Voorheesville this weekend, under the direction of Mrs. Anne Smith who currently serves as dance consultant for the Ecumenical Continuing Education Center at Yale and as a regular staff member of the Center's conferences in Worship, Theology, and Imagination.

This afternoon from 2:30 to 4:30, the public is invited to attend a lecture-demonstration designed for church school teachers and others interested in the techniques for teaching sacred dance. This will be held in the Slingerlands Methodist Church. No previous dance experience is necessary.

The public is also welcome to attend two worship services to be conducted by Mrs. Smith tomorrow. At 9:30, service will be held in the Voorheesville Methodist Church. An 11 o'clock service will be presented in the Delmar Methodist Church.

The Bethlehem Lions Club will conduct their annual Light Bulb

PICKPOCKET LOOSE IN BETHLEHEM TOWN HALL! NO! NOT THE MAN AT THE LEFT.

This pickpocket is a philosophy of local government rather than any one person. Such philosophy will leave your wallet and watch, but it will pick millions of dollars from the taxpayers purse. The normal garden variety pickpocket appears like a benevolent Dr. Seuss character in comparison. Short sighted decisions by our Town Board in the past and at present has caused a tremendous waste of our local tax dollars. Can we afford park lands on the river (purchased at a price disproportionate to its assessed value) or \$1,000,000.00 swimming pool complexes with our local tax dollars alone? I say, no! But our Town Board is undertaking such projects and financing them with just local tax dollars because it refuses to seek State and Federal aid available for such programs. I favor and support the acquisition of park lands and adequate recreation facilities, but I do not subscribe to the philosophy that Bethlehem go-it-alone.

State and Federal aid for such projects is available and it ranges from 50% to 75% of the costs incurred by our Town. Can we ignore \$500,000.00 assistance out of every \$1,000,000.00 expended by Town government for such facilities? Like all pickpockets the philosophy of go-it-alone will take more than meets the eye. When the wallet goes — you miss it, but the pickpocket usually relieves you of other valuables which are not readily discovered. The same thing happens when town government spends \$1,000,000.00 (derived from the sale of bonds) now to pay for the facility. But at the end of 20 years when the bonds are retired, the taxpayer discovers he actually spent \$2,000,000.00 (interest added).

We need park lands and adequate recreation facilities. Let's develop them NOW. But in the process of acquiring them we should seek available State and Federal aid and save as many of our local tax dollars as is possible.

Sale today and the two following Saturdays. The members will be selling from door to door in the Tri-Village area. The proceeds are used for their Glaucoma Clinic which is held every other year, and other Sight Conservation Projects.

The home of Mrs. James Crabtree in Delmar will be the meeting place today for Tawasentha Chapter, DAR. Dessert will be served at 1:00 P.M., followed by a business meeting and reports from the recent New York State DAR Conference held in Rochester and attended by the Regent, Mrs. Robert H. Taylor and Vice-Regent, Mrs. Robert A. Jackson. A report on the DAR schools and Christmas donations for these schools will be given by Mrs. Hildreth C. Bailey.

The program for the afternoon will be conducted by Miss Lois Mannheimer of the faculty of Bethlehem Central Middle School.

Looking for something different to do on a Saturday night? Well, Onesquethaw is at it again! At 8:00 p.m., the Onesquethaw Reformed Church, Tarrytown Road, will be putting on another "Toast of Tarrytown," to benefit their Building Fund. We've scoured all the nooks-'n'-crannies in the whole area diggin' out new acts. Closely guarded is the secret of who the performers are but we promise two hours of fulfilled entertainment awaits all those who join us.

Coffee Klatch, 10 A.M., home of Ed and Shirley Sargent, 15 Crannell Avenue, to meet the Republican Candidates for Town and County offices.

Bill Staines, singer of old-time and contemporary folk tunes will perform at the Bethlehem Coffeehouse, 125 Adams St. at 9 p.m. Bill is a professional folk musician and has played at the Coffeehouse once before.

SUNDAY, OCTOBER 17

The Rev. Bryson M. Smith, Pastor, Community United Methodist Church, Slingerlands, will conduct the entire 11 A.M. service since the Rev. Dr. Dwight Walsh is unable to be present as guest speaker.

The 100th Year Celebrations of the Slingerlands Church will begin with an organ recital at 7:30 P.M. by Allen Mills at the new Allen organ recently installed as a memorial from all of the members and friends of the church.

Mrs. Anne Smith, dance consultant at the Yale Divinity School, will be featured in a worship service in the Voorheesville Methodist Church at 9:30. Everyone is welcome.

Michael Cooney will give a special benefit performance for "Sing Out," a national folk magazine, at the Bethlehem Coffeehouse. Michael is an extremely popular performer of traditional folk music and has

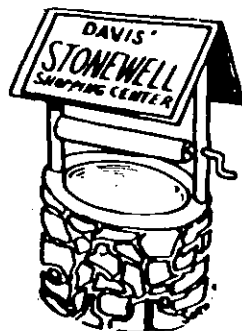

Michael Cooney

played at the Coffeehouse twice before. The songs he plays on the 6 and 12 string guitar, banjo, concertina, penny whistles and fretless banjo are so filled with enthusiasm and enjoyment of the music that it is almost impossible to keep from having a good time. The Coffeehouse is located at 125 Adams St.; the performance will start at 8:30.

The Town Board of Appeals has scheduled two hearings. At 8:00 P.M., the Board will hear an application by Marcello Tile, Terrazzo & Marble Co., River Road, Glenmont. The company wishes to erect an addition to the building housing its offices, with a rear yard less than that required by the Ordinance. At 8:30 P.M., Mr. and Mrs. Frank Shove, Selkirk, New York, will petition for a variance from Article XI of the Town Zoning Ordinance to permit the construction of an attached garage with a front yard setback less than is required by the Ordinance.

Women are invited to hear Miss Mabel Cox, of The Evangelical Alliance Mission in Zululand, South Africa where she is Director of Nurses in the Mosvold Hospital.

CLEAR, COOL WATER

The Story of the Water Supply of the Town of Bethlehem

by Allison P. Bennett, Town Historian
(Continued from Last Week)

In 1934-35, additional bond issues were authorized and with a Federal Grant, a new reservoir was constructed behind the former one in New Scotland, and a new ten-inch feed line was laid to the boundary of the Water District. Under this same grant, a Permutit water softener was installed at the Martin Spring Farm. This was the first municipally-owned softening plant to be installed in New York State.

In 1940 a major step in attempting to eliminate water

shortage in the Tri-Village area was made with the completion of a new gravel-barrel well in New Salem, source of the water supply. When the New Salem well was drilled, it was found in test to supply 1,500,000 gallons in 48 hours. William D. Jordan was Chairman of the Water District at this time. A second deep well was added, but by 1948 this supply had proved to be inadequate to keep up with the growing demand for more water. Some 22 wells were dug in an unsuccessful attempt to

WILLIAM HENRY SLINGERLAND, founder of the Suburban Water Co. Mr. Slingerland was a very versatile and accomplished person — being a highly respected surveyor and civil engineer, postmaster of the Village of Slingerlands for over 20 years, a founder of the Reformed Church congregation in Delmar and a member of the State Legislature.

locate a supply of ground water.

After several years of struggling with the problem of pro-

viding an adequate water supply, the Town government, under the leadership of then Supervisor John M. Oliver,

Spillway and dam construction at outlet on south end of the reservoir.

Dyke and gatehouse of the reservoir under construction on the north end of the reservoir — the north end is toward New Scotland Road.

Beginning of the dam construction and scooping out of basin of reservoir.

proposed in 1953 that a reservoir be constructed by straddling the Vly and Onesquethaw Creeks with two dams, thereby forming one large lake. This is how Vly Reservoir, the present water supply of our Town of Bethlehem, came into being. In 1954 preliminary plans were completed for a new reservoir to replace the then present water supply. At this time Harold C. Barkhuff was Water District Superintendent, a post which he held with great credit from 1953 to 1971. Actual construction of the new reservoir, located between Clipp Road and Rock Hill Road in the Town of New Scotland, began in 1955.

The reservoir was created by building a dam and dike, two miles apart. The reservoir, when completed, was two miles long, half a mile wide and 42 feet deep, with a capacity of 1.25 billion gallons. The cost of \$2,200,000 was underwritten by a bond issue, amortized over a 30-year period, with no State aid given for the project. Also put into operation at the time of completion of the reservoir was additional softening equipment and a concrete and steel filtration plant, one of the most modern in the Northeast, designed to process two million gallons of water a day. Additional pipe-laying gave the district in excess of 50 miles of 12" and 16" water mains. In January 1957 the sluice gates were closed and the collection of water began. The reservoir impounds water not only from its two principal sources, the Vly and first branch of the Onesquethaw Creeks, but also gathers water from rain, snow and runoffs from the surrounding hills. In 1965 a portion of the flow from the third branch of the Onesquethaw, above Clarks-ville, was diverted into the reservoir. This is accomplished by a conduit running from the creek to the west side of the reservoir. The reservoir holds enough water to supply the needs of the Water District for a three-year period.

Almost simultaneously with the opening of the new reservoir, came an expansion of the Water District. An additional 20,000 persons were served by the District in 1958 and outlying communities within the Town began to petition the Town Board for extension of the water mains. In 1959 the Water District was extended to include upper Delaware Avenue, served by a 16" main. In 1960 the District reached out to the Glenmont area at a cost of \$345,000 and the people there are now assured of a fine water supply. Other extensions were made as follows:

- 1963 — Corning Hill Ext.
- 1964 — Selkirk Ext.
- 1965 — Brought in Stage III — additional source
- 1965 — 16" Reinforcement Line on Elm Ave.
- 1966 — Cedar Hill Ext.
- 1966 — Lower 9W Ext.
- 1966 — Industrial Area — Feura Bush Rd. Ext.
- 1966 — New Scotland Rd. — McCormack Rd. Ext.
- 1966 — New Scotland Rd. — Reinforcement 12"
- 1967 — New York Central Railroad Ext.
- 1969 — North Bethlehem Ext.

During the recent New York State Improvement of Delaware Avenue, it became necessary to replace the water lines. Looking to the future, our Town government doubled the capacity of these mains with the best materials. There will be no need to dig up old lines in the days ahead when more water may be required in that area. Equally satisfying are the plans that will see water mains being run along the route of the proposed by-passes, providing an adequate base from which to extend our water supply when it is feasible to do so. Bethlehem has long been considered one of the most forward-looking communities in the Albany area and it is in a favorable position for steady future growth with the good community planning and foresight for our adequate and enviable water system.

The Spotlight Goes to School

ALL SCHOOLS in the Bethlehem Central School District will be observing American Education Week, Oct. 24-30, by inviting parents to visit classrooms at different times during the week.

Theme of this year's American Education Week is: "Help Schools Bridge the Gap." The week-long observance is sponsored annually by the National Education Association, the National Congress of Parents and Teachers, the United States Office of Education, and the American Legion.

Open House programs for parents will also be held during the week at both the High School and Middle School. Parents of 7th and 8th-graders are invited to a "Back-to-School" night on Oct. 28. (The 6th grade parent's program is scheduled for Oct. 21). Parents of pupils in grades 9 through 12 are invited to an Open House program on the evening of Oct. 27.

Middle School parents are also invited to visit the school

for "Open House Visitation Day" on Wed., Oct. 27, at any time between 8:30 a.m. and 2:15 p.m.

All parents and other interested citizens are urged to use these opportunities to gain insight into the variety of the educational program and the teaching techniques now being used in the Bethlehem Central School District.

BONNIE MYERS, President of the Bethlehem Central High School Chapter of Future Business Leaders of America, has named Deborah Wright, Chairman of the Annual Tea for Faculty and staff. The event, which will honor new members of the BCHS

staff, will be held at 3:30 p.m., October 20, in the Library.

Miss Wright has announced her committees. Diana Lashway will design and direct the making of the names tags for the guests. Allyson Johnston is in charge of the invitations and thank-you notes; while Anne Calvagno and Nancy Heath will share the responsibility of clean up.

Charlene Allen and Joanne Campbell are responsible for the activities in the Library Workroom. Jan Alger, Debbie Kundel, Ann Tierney, Chris Bronnick, Debra Warnken, Janet Cozzy, Pat Kesitzka, Carole Fiato, Kim Smith, Bonnie Myers, Wendy Furman, Kim Gamble, Cathy Link, Carol Totten, Rita Bassani, Debbie Shoddy, Donna Colleen, and Maureen Smith will assist as hostesses and with

QUESTION: Just who is responsible for discipline, especially in the elementary grades? I was under the impression that the principal carried out this duty, after efforts of teachers and noon-hour aides failed. The administration's failure to put promised "fill-in" sand on one school playground is not helping the situation any, but causing more frustration on the part of the children who have not much to do on the playground. Please answer this, as we parents are concerned.

ANSWER: The principal of each school is ultimately responsible for handling discipline problems when they are referred to him or her by teachers or noon-hour aides.

A new system has been instituted this year at district elementary schools, putting each school's one full-time aide in charge of managing noon-hour activities. The part-time aides are directly responsible to her. She, in turn, receives guidance from and is directly responsible to the principal.

The fill-in sand needed on the playground you refer to has been delivered and placed by the district maintenance staff, so that playground should now be completely usable.

THE BETHLEHEM Central High School Chapter of Future Business Leaders of America began its program for 1971-72 with an organizational meeting on September 22, conducted by Bonnie Myers, President.

The first activity of the year was planning for a group of the BCHS officers, accompanied by Mrs. Mary T. Elliott, to attend the New York State FBLA planning meeting at the Latham Holiday Inn on October 2. The all-day meeting featured the presentation of the Gold Seal Chapter award earned by the 1970-71 chapter and awarded at the National FBLA Convention held in Miami Beach, Florida in June. Robert G. Fleig, the New York State Education Department Advisor of FBLA, and the presentation. This is the fourth time the BCHS Chapter has been so honored.

Future Business Leaders of America is a national organization for high school students who are business students. Besides the National Convention, held each year in June in a major city, the organization is divided into state and local units.

THE ARTS CENTER, 1069 New Scotland Road, announces a ten-week course in printing with a silk screen. The course is designed for persons seeking to create prints of their own design to apply to practical and beautiful gifts; expressive of one's own person. Some areas of work possible in this course are book covers, paper napkins, and place mats, banners, calendars, stationery headings, cards, etc. The instructor is Sister Joanne Mary Paquin, M.A. graduate of Arizona State University.

The course begins on Monday, October 18, and will

continue for ten weeks—each Monday afternoon from 1:00 to 4:00 P.M. The class must be limited to 8 or 10 persons. Sister Joanne may be reached for further information at 438-8428.

MRS. HELEN ADAMS, a senior Business Education major at the College of St. Rose, Albany, is a temporary addition to the Business Education staff at Bethlehem Central High School.

Mrs. Adams is completing her student teaching requirement for her degree. She is working with Mrs. Mary T. Elliott, business teacher. Mrs. Adams has been observing the business program at Bethlehem Central each Wednesday since the beginning of school. She will begin her actual classroom work on November 1, teaching office practice. She will also teach secretarial practice and typing during the eight-week period that she is in the school.

Mrs. Adams has four children, lives in Westmere, and has had considerable practical experience in offices.

ON FRIDAY, October 8, Merle L. Miller, Chairman of the Business Education Department at Bethlehem Central High School, and 20 students from the Business Department attended the Annual High School day at the SUNY Agricultural and Technical College at Cobleskill.

The students participated in a variety of contests given on the campus. These included shorthand, typewriting, rapid calculation, and general business information.

The students also had an opportunity to tour the campus, visit with students enrolled at Cobleskill, and learn about the various programs offered.

At noon, Mr. Miller joined other high school teachers and guidance counsellors at the President's Luncheon in Prentice Dining Hall.

SORRY!

We've made some political candidate errors that must be acknowledged and corrected:

In the issue of September 23, we had Albert Hessberg, II, as a candidate for Bethlehem Town Clerk — it should have read: Albert Hessberg, II, candidate for Councilman on the Democratic ticket.

Then, in the issue of October 7, the captions on the pictures of Republican Councilman candidates William Johnston, Jr., and William Segur were reversed. In order that they make any sense, it was necessary to read the caption and then put it with the opposite picture.

Our sincere apology to all three men!

DONALD D. DE ANGELOS, Republican candidate for Town Justice is making his first run for elective office. Don has served for three and one half years as counsel for the Bethlehem Police Department. He is a graduate of Cornell University — B.S. Industrial and Labor Relations — Albany Law School, LL.B. and Juris Doctor. He is a practicing attorney and has spent many pleasant years working with Bethlehem youth. He is a member of several civic and fraternal organizations — a former advocate and 3rd degree member of the Knights of Columbus. He and his wife, Mary, and their six children, reside at 54 Woodstream Drive, Delmar. They are Communicants of St. Thomas' Catholic Church.

MARTIN J. CROSS, JR., Republican candidate for Superintendent of Highways, is seeking his third term. He has been an important man in the Town of Bethlehem Highway Department for 16 years. During his service with the department he has perfected the operation of the Highway Department including the repair and maintenance of 122 miles of Town roads and the efficient removal of snow in all parts of the township. He is a member of the Selkirk Fire Department, the Bethlehem Grange and a Communicant of St. Ann's Catholic Church. He lives in Cedar Hill with his wife, Marilyn, and their six children.

GEORGE W. HARDER
Democratic Candidate

A PICKPOCKET is loose in Bethlehem Town hall. No! It's not an elected public official. This pickpocket is a philosophy of local government rather than any one person. Instead of losing your wallet or watch, this philosophy will relieve Bethlehem's taxpayers of millions of tax dollars. The cause of loss results from the Town Board's failure to take advantage of State and Federal programs designed to assist local governmental bodies like towns. Can we afford to buy river front park lands for prices totally disproportionate to the actual assessed value or pay \$1,000,000.00 for a swimming pool complex — without seeking financial assistance from both the State and Federal governments that is available for such facilities. It has happened. Money diverted from your pockets in this manner makes the usual garden variety pickpocket look like a benevolent Dr. Seuss character, in comparison. Short-sighted decisions by our Town Board in the past and at present has caused a tremendous waste of our tax dollars.

I am not opposed to parks and recreation facilities. In fact I support and favor the creation of town parks and recreation programs that serve the total needs of our community from the youth to senior citizen levels. However, I do not subscribe to the political philosophy that Bethlehem must go-it-alone. Our town can obtain State and Federal aid ranging from 50% to 75% for the purchase of park lands and the development of recreational facilities. For example, if we want to spend \$1,000,000.00 for a swimming pool complex, we can obtain at least \$500,000.00 reimbursement from or through the State of New York. These funds are available to other towns. And they are available to Bethlehem. You and I already contribute to these State and Federal programs through taxes we pay to the State and Federal governments. Why not use such money for our local benefit. To compound the problem of acquiring park lands, our Town Board has refused to accept land — free of charge — from various local developers who wanted to donate acreage for neighborhood parks or green belts.

I classify this philosophy of government as a pickpocket approach because, like all pickpockets, you lose more than is apparent to the eye. When your wallet goes, you miss it. However, the pickpocket usually relieves you of other valuables that are not readily ascertained. The same thing happens when town government spends \$1,000,000.00 to develop any facility that is financed through a bond issue. Immediately the taxpayer sees each an amount expended now to pay for the specific project. But at the end of 20 years when the bond issue is retired, the taxpayer discovers he actually paid \$2,000,000.00 (interest added).

We need park lands and adequate recreation facilities now to preserve the orderly, scenic and ecological development of our town. We must provide now for our future well being. Once

BERTRAM E. KOHINKE
Republican Candidate for Re-election
Supervisor, Town of Bethlehem

TODAY, perhaps more than ever before, our residents are more government cost-conscious than ever before. That is one of the reasons we were happy to announce last week that there would be NO INCREASE in the general town taxes for 1972.

It is a well-known fact that the State and Federal governments share part of the expense of certain specified projects initiated by our township. Thus, we can announce this week that a check for \$13,322.16 has been received by the Town of Bethlehem from New York State as reimbursement of one third of the direct costs for the operation and maintenance of our existing sewer treatment plant. For the past several years, New York State has approved our application for this aid.

Concerning State and Federal aid, 60% of the eligible project cost or approximately \$4,310,700 is expected to be received through the current New York State "Pure Waters Program" in conjunction with the "Federal Clear Water Restoration Act of 1966.

The project is also eligible for an additional 25% Federal aid when the program is funded.

The construction of the over \$2,000,000 Water Pollution Control Plant at Cedar Hill continues at a rapid rate. Work on the plant started July 16, 1971 and at the present time most of the excavation work has been completed. Concrete work on the aeration tank and clarifiers is progressing. The general contractor is now concentrating on having the administration building enclosed by the middle of December in order to have the plumbing, heating and electrical work proceed during the winter months.

Construction of the 8 mile long interceptor and 33 miles of the new collection system will start early next year.

Bertram E.
Kohinke

land is developed for housing or industry we will never get it back in its natural state or as green parklands. Let's look ahead and prepare today for the development of our presently attractive town. But in the process of acquiring green space and recreation areas, we should actively seek available State and Federal aid. Hopefully, the Bethlehem taxpayer will conserve and save as many local tax dollars as is possible.

Now we can give you broad car insurance.

At a compact price.

Auto insurance may never be the same around here again. Because we have something special to offer you: Auto-Rite, the policy for safe drivers.

If you have a good driving record, we think you should get something out of it... such as a lower rate for your insurance.

It's not only what you pay that'll come as a happy surprise. The real surprise is in how much

you get.

Because Auto-Rite is not the trimmed-down, minimum-coverage policy you might expect for the price. It's the opposite. It's quality insurance that can give you a full range of coverages. Liability—up to \$500,000. Collision. Fire. Theft and comprehensive. Medical payments. You can even have emergency road service.

You get another advantage: Aetna's countrywide claim service. Take our word for it, it lives up to its reputation for speed and fair play. And naturally, our agency is always here to give you personal service and attention.

Find out if you qualify for Auto-Rite. Let us quote you the facts and figures. You could be in for a happy surprise.

RAG BOND IT'S NOT

Everybody knows that fine executive stationery is often printed on a very expensive paper known as **rag bond**. It would cost somewhere in the neighborhood of \$1-plus just for the paper if we used rag bond for the **Spotlight**. Perhaps you don't get our point — but what we're trying to say is: The **Spotlight IS** printed on a paper far superior to that used in newspapers. If there's a photo or a story that you'd like to preserve, our paper stands up very well. Five years from today, it won't crumble if you touch it!

That's how your **PAID SUBSCRIPTION** helps us to give you a quality publication that you can clip and keep for years.

52 issues of the **Spotlight** cost \$4.00 — cheaper than most weeklies today — **BUT**, for a limited time, we're offering you an even bigger break:

Wandering & Wondering . . .

HAS THE PRESS BECOME LESS EFFECTIVE? Just ten or fifteen years ago, the mere mention of a circumstance like our motorcycle story of a couple of weeks ago and Pouffff! — either the whole thing would have quietly faded away or the authorities would have forcefully put an end to the dangerous nuisance. Not so today.

On Sunday, October 3, our motorcycle "friends" had a ball. We discovered that not only is it a fact that at least some of the vehicles are unregistered but some of the operators wear no protective helmet and some don't bother to turn on their lights. This narrow, twisting road is the perfect setting for an accident — we hope and pray that it doesn't reach this kind of climax before it stops.

Just in passing, we wonder how many localities in our area are plagued by these two-wheeled monsters? In answer to our query, one of our readers came into the office just as this was being typed and offered the information that he is positive that the same thing is happening on both the Middle School and High School grounds in Delmar. Is it possible?

SOMETIMES UNSUNG HEROES crop up almost next door — and show us the inadequate reporting job we're guilty of. One such instance has been brought to our atten-

tion and we'd like to correct it.

This summer Feura Bush fielded one of the finest softball teams in the Capital District. We never heard of it — maybe because no one was handling public relations for the boys. Suddenly everyone came to life when they won a Capital District Tournament which featured some 48 teams. The Tournament was held in Sportsman's Park, Schenectady. Other than the Feura Bush Farmers, all teams in the finals were from Schenectady and, naturally, the local fans wanted a local team to win. Tempers flared, emotions ran high, but the Farmers defeated all challengers.

If we look at the batting averages, we can see why this team had so much power: Danny Seaburg, third base, .612; Bob Shultes, roaming fielder, and Jim Banahan, second, were tied at .482; Mickey Brozowski, center field, .444; Pat Brozowski, short stop, .393; Mike Jones, catcher, .385; Khaki Markel, pitcher, .320; Jerry Zinzow, first base, .296; Jim Gallogly, left field, .242; and John Gallogly, right field, .214. Can you imagine pitching against that line-up?!!

The boys were from Feura Bush, Selkirk, South Bethlehem and Glenmont and the team manager was Clarence Markel, Selkirk.

Congratulations to the team — even if we are a little late!

ONE OF THE WORLD'S GREATEST come-back athletes is Sugar Ray Robinson. In our area, there are five who have trod the come-back trail and are also doing very well. These five men were on the 1949 bowling team representing the local VFW Post #3185. About the best they could do was 4th place in the Tri-Town League which bowled at Sport-haven Lanes. The individual averages ranged from 149 to a high of 165. In 1953, they decided they'd had it, so the team disbanded.

Eighteen years went by — then one of the team members became Post commander and decided that additional outside activities were needed. Thus it was that Commander Tom Pratt re-activated the old team and again entered it in the old Tri-Town League where many of their former competitors are still bowling — especially the Elsmere Laddermen. Well, the whole League has learned that there is a lot of hot spark in the "old" Vets.

Just for fun, we've included a picture of the Vets in 1949 and one taken recently as they opened the new season. By the way, our local VFW Post celebrated its 25th Anniversary on October 2.

A LITTLE HEAVIER, A LITTLE GRAYER but with the same old fire-power! At the top: 1949; bottom: 1971; left to right: Larry Jeram, Tom Pratt, Wally Safarik, Ray Felgentreff and Jim Altimari.

HAD A NOTE from Harold Williams of Selkirk reminding everyone that there'll be cider and doughnuts — plus a little politickin' tonight at the Selkirk Fire House. Republican candidates for local offices will be present to answer questions about past accomplishments and future plans. Everyone is welcome. Time: 8 o'clock.

WHEN WE APPROACH the Fall years of our lives, we guess it's permissible to go slightly maudlin once in a while. So here goes!

One thing we can never condone or get used to is the disrespect for those in high office today. In our youth, we damned the "establishment" for what we felt were its shortcomings; we violently disagreed at times — but we kept it a private thing. We wouldn't have shown disrespect in public. We wouldn't have shouted obscenities at the President of this country. We had more love of country and respect for the man than that.

Here is a concrete example of what we are driving at: In all our years we have never had a President with whom we disagreed more than with the late Franklin Delano Roosevelt. To us, his every move was a wrong move. We always believed that he started us on the road to Socialism and that he leaned to the "left" to the extent that since his administration we have continued in this direction and we believe that we're still going down that road at too great a speed. For instance, we are well aware of the good parts of Social Security — but we could write thousands of words and put forth a hundred arguments explaining its evils and how come the whole bureau is practically bankrupt today. But more learned men than we have already done all this and the end result is always the same: a RAISE in the amount we must pay into it every few years.

As usual, we got derailed and lost the essence of what we were saying. We were in radio (announcing and writing continuity) when President Roosevelt ran for his second term. When he visited the city where we were working, we were chosen to be his announcer for his network speech. Now here's the clincher: As much as we disagreed with this man and disliked his policies, the greatest thrill of our life was when we said: "... and here is the President of the United States, Franklin Delano Roosevelt!!"

Today, Jane Fonda and her cohorts can't even muster enough respect to call President Nixon Mr. Nixon. They use his last name and say it with a smirk and a snarl. Just how far down the path of ignorance and moral turpitude can we go before we cause the collapse of our whole system??
