Interest on interest on interest on interest on interest

And so on, every day.

At the ME Bank you earn even higher dividends on the highest rates in the state.

This simply means that no matter which way you save with ME, your savings earn interest every day continuously. The interest you earn today earns interest tomorrow. And the interest, and the interest on the interest, earn interest the day after tomorrow. And so on, every day of the year.

So, the 6% you earn on 2 year certificates of deposit, really comes to 6.18% in a year.

The 5¾% you earn on 1 year certificates of deposit, really comes to 5.92% in a year.

The 5¼% you earn on 90 day certificates of deposit, really comes to 5.39% in a year.

And the 5% you earn on regular savings, day of deposit to day of withdrawal, and Christmas and Vacation Clubs, really comes to 5.13% in a year.

If you already save with ME, your interest is already being compounded continuously.

It matters to you. It matters to ME.

You haven't been to Niagara Mohawk's Progress Center even once?

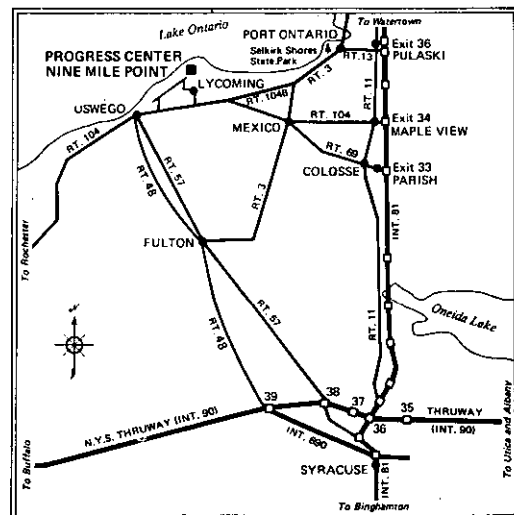

There are many people who have visited Niagara Mohawk's Progress Center on Lake Ontario, six miles northeast of Oswego. And then, they have returned again, usually bringing their friends and neighbors to enjoy this exciting, unique tour.

The handsome Progress Center building, with exterior walls made of 400-million-year-old stone, houses the largest, exact-scale replica of a nuclear-electric station ever built in the United States. Eight feet high and nearly forty feet long, this model comes to life with lights and sound effects, showing how the actual counterpart produces electricity. Then there's the Center's eerie Fission Chamber. Visitors feel like they're floating in outer space as a lifelike chain reaction is unleashed. The Progress Center tour also includes a thrilling show that tells the story of electricity from the first waterwheel generator to the generator powered by the atom.

There's lots more to see, and it's all free at the Progress Center. Visiting school and college classes and other groups are welcome to reserve and use a fully equipped classroom as part of their tour program.

The Center is open from 10 a.m. to 5 p.m., Tuesday through Saturday; noon until 6 p.m., Sunday; and is closed on Monday.

You'll learn a lot you never knew about electricity and atomic power.

The Spotlight CALENDAR

ABOUT THE CALENDAR

The information printed in this column is a FREE service to **Spotlight** readers. We neither charge nor receive any fee for publicizing these events. It is for this reason that we ask those who send in information to make sure that it is complete; we **cannot** (repeat: CANNOT) make weekly changes in running announcements.

Because the Calendar condenses the coming event in capsule form, it has become one of the most widely-read weekly **Spotlight** features. It was so designed to allow for more space for additional features. Therefore, organizations should **not** expect to find a duplication of facts in another place. If we were to run all of the events **twice**, we'd be cutting down on our available space and thereby defeat the whole concept.

The Spotlight Goes to School

THE FUTURE Business Leaders of America Chapter at Bethlehem Central High School has begun planning for its final event of the year. Bonnie Myers, Chapter President, has named Donna Collen Chairman of this year's Banquet Committee.

Miss Collen is in the process of selecting committees and choosing a location for this highlight of the year's program. At that time the officers for the coming year will be installed and the awards earned by members throughout the year will be presented.

JACK WASSERBACH, son of Mrs. John Wasserbach and the late

Mr. Wasserbach of 213 Kenwood Ave., Delmar, has been named to the Dean's List of Colorado State University, Fort Collins, Colorado. He is a Junior, enrolled in National Resources Conservation Wildlife Management program.

SHORTHAND I students at Bethlehem Central High School have begun qualifying for awards under the Gregg Certificate plan. In March, Donna Collen, Carol Fiato, Patricia Galusha and Rebecca Davis earned awards by taking five minutes of dictation at 60 words per minute and transcribing their notes with 95 percent accuracy. During the same month, Rita Basani, Carol Bryson, Lynn Marino, Carol Totten, and Mary Ellen Tuck earned similar awards, but took the dictation for only 3 minutes.

School certificates were presented to Christine Brannick, Anita Carroll, Elizabeth Osterhout and Lynn Pandolf for taking five minutes of dictation at 50 words per minute and transcribing their notes with 95 percent accuracy. Additional school certificates were earned by Kim Gamble, Skye Joslin, Cathy Link, Sandy Pittz and Kathy Sullivan who took dictation at 40 words per minute for five minutes and transcribed it with 95 percent accuracy.

JOHN KLIM has been elected chairman of the Budget Information Committee, a group recently formed to advise the Bethlehem Central Board of Education on its budget preparations for the 1972-73 school year.

At its first official meeting on April 20, the citizens' group also elected Mr. J. Omer LaPlante as vice chairman and Mrs. Peter Strand as secretary.

The committee is now meeting regularly, to review the current budget draft and offer suggestions for change, prior to the Board's adoption of a final budget in mid-May. Residents of the Bethlehem Central School District will vote on the adopted budget on June 14.

Newly-named members of the Budget Information Committee are Mr. and Mrs. Charles Bryant and Mrs. Martin Barr.

RALPH HOLMGREN, a 15-year veteran of the Bethlehem Central Board of Education, has reversed an earlier decision and declared that he will be a candidate for re-election to the Board.

His seat on the Board is the only one up for election this year. To date, no other candidates for the Board seat have filed petitions, but the filing deadline is not until

(JUST OFF DELAWARE AVE., BY A. & P.)

May 30. Residents of the school district will vote on the Board seat-and on the 1972-73 school budget-at the Annual Election on June 14.

In a statement released last week, Mr. Holmgren said:

"To the Residents of the Bethlehem Central School District: Due to my business obligations during the past several months, I had decided not to seek re-election to the Board of Education. My friends have asked me to re-consider this decision. Now that I am again able to devote the necessary time to the work required of a Board member, I have re-considered and I am a candidate for re-election, so that I can continue to work for a sound educational program in our district. Your support would be greatly appreciated."

THE SEVEN Future Business Leaders of America from Bethlehem Central High School returned from the Annual State Leadership Convention on April 18 with three honors.

Miss Bonnie Myers, the BCHS President, was elected State Reporter in a campaign managed by Wendy Furman and Debbie Kundel. Campaigning was also carried out by the other BCHS delegates: Jan Alger, Donna Colleen, Mary Beth Flynn, and Allyson Johnston.

As a result of the excellent scrapbook and report submitted, the BCHS Chapter was awarded the third place position in the Chapter of the Year competition.

Further, Bonnie Myers earned second place in the public speaking contest.

The group was accompanied on its trip to the Nevele Country Club, side of the convention activities, by Mrs. Mary T. Elliott, FBLA advisor.

MRS. KATHLEEN Venter's general business classes at Bethlehem Central High School are studying communications. As a part of their unit, they visited TV station WTEN and radio station WROW.

At WTEN they were on the "Dialing for Dollars" show where John Stewart and Ralph Vartigian are the masters of ceremony. They observed Disc Jockey Charles Merty broadcasting on WROW when John Stewart and George Cole conducted the groups through the radio station.

The newsroom was explained to the group by Herb Star, newscaster and John Bryson, WTEN production Manager, and they had an opportunity to observe the arrival of news on the wire teletype service. Details of the visit were worked out by Miss Joan Stainsby, public relations director.

tee at Bethlehem Central High School, in cooperation with the Guidance Department and with representatives of the Woman's Auxiliary of the Albany County Medical Society, has planned a day-long program for Bethlehem Central High School pupils which will include films, panel presentations, and numerous exhibits and demonstrations of various health-related career functions, and

WHEREAS, invitations to this program have also been extended to Middle School and district elementary school principals, nurses, guidance personnel, and some pupils in about 30 neighboring school districts, and

WHEREAS, many persons from the community are contributing their time and talents to this program, including school volunteers, the High School Parent-Faculty Organization, and persons engaged locally in health-related careers,

THEREFORE, I hereby declare Thursday, May 4, to be HEALTH CAREER FAIR DAY in the Town of Bethlehem.

THREE BETHLEHEM Central High School pupils have been accepted for this summer at Camp Rising Sun, a scholarship camp located near Rhinebeck, which annually selects a limited number of boys from all over the world to participate in its summer program.

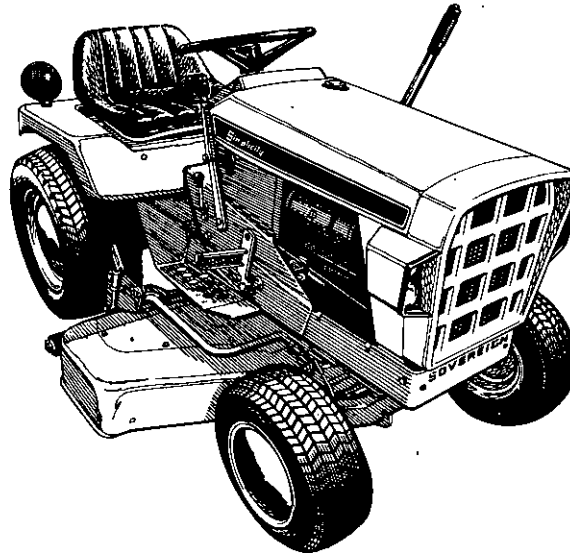

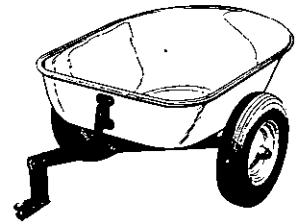

Camp Rising Sun was founded in 1930 "for boys who are eager to make their lives useful." According to a camp brochure: "We know that a boy goes to camp to have a good time and we believe in the joy of living. We also believe that intelligent boys want more than 'just fun' in a summer experience."

Bethlehem Central pupils have applied for and been accepted at Camp Rising Sun in past years, but three acceptances in one year is particularly noteworthy. The three boys are: Richard Herrmann, son of Mr. and Mrs. Richard J. Herrmann, 11 Dumbarton Dr.; Mark Mooney, son of Mr. and Mrs. Joseph Mooney, 14-A Clermont St.; and Anthony DeFranco, son of Mr. and Mrs. Edward DeFranco, 66 McGuffey Lane, all of Delmar.

Richard Herrmann is an Eagle Scout, a member of the Bethlehem Central High School Band, and is taking flying lessons. Mark Mooney plays intramural basketball and track, enjoys golf and bowling, and has been active in Science Fairs, and works as a newspaper boy and does yard work. Anthony DeFranco

THE APRIL MEETING of the Sales and Marketing Executives of Eastern N.Y., Inc. was devoted to Distributive Education, Robert A. Pierson, the Bethlehem Central High School Coordinator of Distributive Education, reported. William Gearhardt, Chairman of the Business Education Department at Ravena-Coeymans-Selkirk Central School presided over the arrangements for the "Salesman for a Day" program.

As a part of the program Linda O'Connell, a BCHS junior and a member of Distributive Education

II class, spent Monday, April 17, at American Airlines. Linda had also worked in the American Airlines booth at the Travel Show on Saturday and Sunday, April 15, and 16, at the Washington Avenue Armory, Albany. Distributive Education students from the area high school distributive education programs also visited businesses of other SME representatives on Monday.

The climax of the day for the high school students came with the dinner where they were guests of the SME executives at the Crossroads Restaurant, Latham. The business meeting, which preceded the dinner, gave the students and members an opportunity to react to the day's program through a

IT'S TIME FOR SPRING CLEANING
Delmar Car Wash
(Opp. Delaware Plaza)

The New Scotland Town Board has designated the week of May 8 thru 12, 1972 as clean up days for the Town. Residents are requested to place their trash at roadside on their respective regular pick up days. In addition to regular pick up, the above dates are set aside for the pick up of unusual items such as furniture, stoves, refrigerators, bed springs and mattresses, lawn rakings in containers, brush tied in bundles and whatever other junk you may wish to dispose of. The decision to designate May 8 thru 12, 1972 was made because of the late Spring.

panel moderated by Mr. Gearhardt. A sales demonstration was also given and an area distributive education student, Joseph Scardina, a senior at Scotia-Glenville Central, spoke on "what Distributive Education Means to Me."

ON THURSDAY, May 4, from 9 A.M. until 3 P.M., students at Bethlehem Central High School will have the opportunity to view exhibits on many of the health-related careers open to them. The exhibits will be a part of the first Health Career Fair to be held in the Capital District.

The event has been planned and organized by a student committee, in conjunction with the Woman's Auxiliary of the Albany County Medical Association and the High School Guidance Department. Members of the High School Parent-Faculty Organization will provide hospitality and refreshments.

Bethlehem Town Supervisor Bertram E. Kohinke has declared May 4, 1972 as "Health Career Fair Day" in the Town of Bethlehem. (See photo and proclamation.)

The numerous exhibits, to be on display in the High School gymnasium, will be manned by local health career professionals and representatives of medical institutes, colleges and government agencies. Each display will relate to a particular aspect of a health career, such as dentistry, toxicology, laboratory work, and management fields.

In addition to the exhibits, a film festival will be run throughout the day in the High School auditorium. "What's My Line" panel presentations, with representatives from six health-related careers, is another planned activity.

The day promises to be an exciting one, and interested members of the general public are welcome to drop by.

THE BETHLEHEM Central Board of Education is committed at this

time to a total school budget for 1972-73 which will not require an increase in district tax rates. This announcement was made by Dr. Lawrence A. Zinn, school district superintendent, at the Board of Education meeting on April 18.

Dr. Zinn also said: "Though the present 1972-73 budget draft does not include salary increases, the Board is hopeful that an amount can be included later without violating the "no tax rate increase" commitment. Since negotiations with the Bethlehem Central Teachers Association are presently being conducted, details cannot be released.

Factors contributing to the "no tax rate increase" budget include: expected additional income through State Aid; increased property valuations in the school district; a decrease in elementary enrollment; and a decrease in staff, chiefly through attrition.

The Bethlehem Central School District has received word from the State Board of Equalization and Assessment that the equalization rate has been lowered in the Town of New Scotland from .17 to .16. Because of this change, New Scotland residents will be faced with a slight increase in school taxes. This is obviously a factor over which the school district has no control.

A Budget Information Committee, composed of residents of the community, will be meeting during the next few weeks, to review the budget draft and make recommendations to the Board. Public hearings on the budget will also be scheduled prior to the adoption of an official 1972-73 school budget, which will be voted only by district residents on June 14.

In other business at its April 18 meeting, the Board:

—Heard from Dr. Zinn that he will meet soon with Bethlehem Supervisor Bertram E. Kohinke to discuss implications of the recent rezoning of 119 acres in Delmar which will allow construction of a complex of 300 apartment units and 80 town houses. The action may have a definite impact on the school district in the future.

—Received figures showing that—even though the BOCES issue was defeated by the narrow margin of 67 votes—voters in the Bethlehem Central School District supported it by a vote of 579 to 196.

—Accepted, with regret, the following resignations of instructional personnel; Mrs. Elizabeth

HERE AND THERE

SCOUTING KEEP AMERICA BEAUTIFUL DAY is Saturday, April 29. This year the Girl Scouts have been invited to join with the Boy Scouts and Keep America Beautiful, Inc. to focus public attention on the nation's litter problem and to stimulate American nation-wide to do something about it.

In Bethlehem, Girl Scouts will be participating in this education-action project though it will not be on April 29. The scouts have volunteered their services to the Bethlehem Environmental Improvement Association who have quite a number of projects lined up for this Spring. Because of the school Spring vacation ahead of April 29, co-ordination efforts between scouts and the BEIA was a bit difficult, but work projects are being lined up that scouts can dig into—so watch out for groups of girl scouts at various sites around Bethlehem in May.

Delaware Avenue in Delmar. However, there are still many blanks on the volunteer sign-up sheets, particularly for volunteers to walk and carry records and magazine to the new building.

Won't you sing up?

Join the "March of the Records" which will start at 3:30 P.M. on Friday, May 5, 100 carriers are needed; each one will carry 16 record albums from the old library to the new one. Be a part of the Library Hit Parade!

And on Sunday, May 7, 30,000 magazines need to be moved to their new home. The march will begin at 2:00 P.M. Can you help by carrying a dozen magazines? Why don't you sign up?

The sign-up sheets are posted on the bulletin board in the old library. Please help if you can—and, just think, you'll get to sneak a peak at the new building before it opens. And, what a fabulous building it is!

DONALD W. EBERLE of Slingerlands won highest company honors by placing \$3 million of life insurance in his first year in the business, announced Harold D. Farber, President of the International Life Insurance Co. of Buffalo.

Farber presented Eberle to the Board of Directors of the International Life Insurance C. of Buffalo at the March meeting. General A.C. O'Hara of Loudonville is a member of the insurance firm's board of directors.

DONALD W. EBERLE of Slingerlands is shown, second from left, receiving a certificate in recognition of placing \$3,000,000 of life insurance in his first year in the business. Presenting the award is Harold D. Farber, President of the International Life Insurance Company of Buffalo, along with Michael A. Pascale, General Agent (far left) and David W. Barrell, Division Manager. The firm's offices are located at 526 Troy-Schenectady Road, in Latham.

MR. AND MRS. CORSON J. UTTER, 28 Douglas Road, Delmar, celebrated their 50th Wedding Anniversary on April 23 with a reception and dinner at Tall Timber Country Club. Mr. Utter completed 45 years with Niagara Mohawk Power Corporation on January 1, 1965.

"Less than two percent of all insurance agents ever write that amount of business in one year," Farber told the board, "and Don did it in his first year."

Eberle's efforts ranked his second nationally in 1971 for Waddell & Reed, Inc., the nationwide financial services organization affiliated with the International Life Insurance Co. of Buffalo, and earned he and his wife Ann an invitation to the Waddell & Reed, Inc. Circle of Champions conference in Spain.

In addition to the above honors, Eberle placed third nationally in combined mutual fund and life insurance sales and led the Empire State Region in both categories.

The Eberles reside at 13 Carstead Drive, Slingerlands, with their three sons.

POP WARNER FOOTBALL for boys 10-12 years old will be available in the Ravena-Coeymans-Selkirk area this fall if the men in the above photograph have anything to say about it. They, along with several others, have re-organized the Ravena Warriors and intend to be ready for action when the Capital District Pop Warner League begins action in September. Shown going over play patterns are coaches Reggie Patterson, Charles Bulliss and Thomas Hard. Registration will be held in July and training starts in August. In the meantime, the men will be contacting area businesses to get financial support for the needed equipment and insurance. The coaches and officers are all area men, volunteering their time to bring Pop Warner Football to their area. Patterson and Hard are employed by Atlantic Cement and Bulliss is with the Penn Central.

TESTIMONIAL DINNER

The Tall Timber Country Club was the scene on Mar. 29 of one of the outstanding events of the year in the Town of New Scotland when a testimonial dinner was given in honor of Dr. Donald G. Sutherland in recognition of his having been a doctor in the town for 30 years. Physician and friend to many, the affair was attended by over 200 residents and guests.

The dinner and program was under the direction of the Town of New Scotland Kiwanis Club, headed by Richard Huber, who was in charge of arrangements.

Mayor William J. Wenzel of the village of Voorheesville was the toastmaster in the absence of Dr.

John A. Lyons, New York State Commissioner of Health, who could not attend. Dr. Lyons and Dr. Sutherland have been personal friends for many years. Rev. John A. Keefe, pastor of St. Matthew's church, gave the invocation and benediction. Congratulatory messages and telegrams were read by Mayor Wenzel. A telegram of note was read from Governor Nelson A. Rockefeller congratulating Dr. Sutherland on his years of service and dedication to the community.

Charles R. Caron, president of the New Scotland Kiwanis Club, presented Dr. Sutherland with a bronze plaque naming Dr. Sutherland the "Citizen of the Year." A gift, representing the residents of the Town of New Scotland, was a purse, presented to Dr. Sutherland by Paul Starker.

Kenneth D'Arpino, representing the Voorheesville Fire Company, also presented the doctor with a purse. Dr. Sutherland is a 25-year member of the fire company.

A guest book and certificate of merit and dedicated service was presented to the doctor by Mrs. Jane Blessing, president of the Town of New Scotland Historical association.

Flowers for the occasion were presented to Dr. and Mrs. Sutherland

land by Genetaska.

Representing the Town of New Scotland, Mrs. Charles R. Carson presented gifts to Mrs. Sutherland for the many things she has done throughout the years in assisting the doctor.

A number of residents of the town spoke on "Memories Through the Years with Dr. Sutherland."

Donald G. Sutherland, Jr., a senior at the New York State University at Albany, was a guest with the par-

ents. A telegram was read by Mayor Wenzel from the Sutherlands' daughter, Mrs. Mark T. (Cheryl) Provost, of Tiburon, Calif.

BUSIEST PEOPLE around these days are those Slingerlands Players getting 1000 clowns ready for the boards on May 12 & 13 on the BCHS auditorium stage. 3 new faces are featured in the cast: Charles Cassidy, Paul Losacco and Susan Kop-

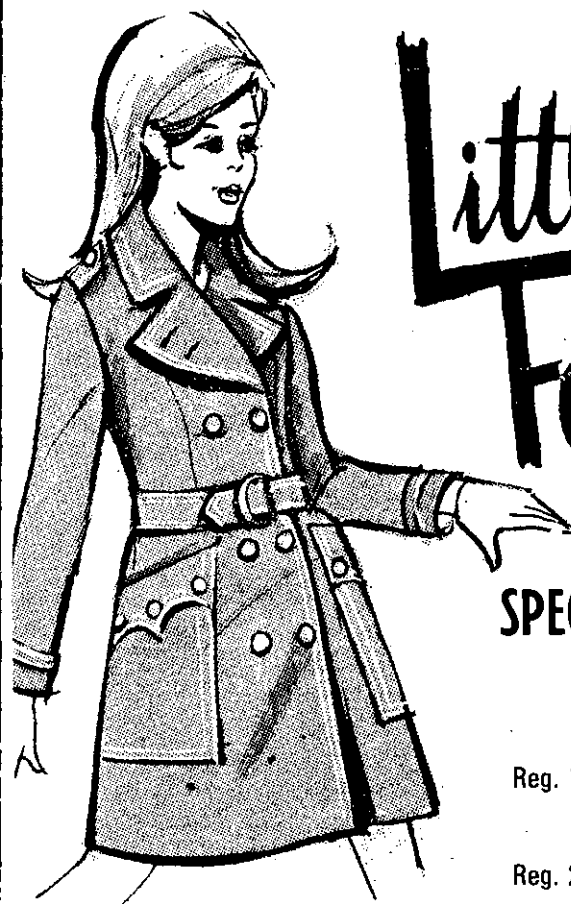

lovitz. . . another great performer who will be back for his third performance at SPAC this summer is Bobby Sherman, darling of the teenager, who has sold more records than any single performer since Elvis P. This young man, in addition to his singing, can play 10 musical instruments—maybe to offset the cacophony of the screaming, swooning followers who appear wherever he does.

THE SLINGERLANDS Players will stage the one-act play, "Monica," at a general meeting and workshop scheduled for 8 P.M. on Saturday, May 6, at the Playhouse in Unionville. Everyone is welcome.

JOHN SPADARO, Democrat candidate for the New York State Assembly who is running for incumbent abortion law supporter (at least in 1970 he voted for it) Clarence D. Lane, made headlines recently when he

announced his opposition to the controversial law. Mr. Spadaro, a Roman Catholic, said his religious beliefs have nothing to do with his stand. Some of his comments: "... abortion law repeal support comes from many non-religious affiliated groups... the state of Washington with a 12% Catholic population had 46% of the voters oppose a permissive abortion law... the Mormon Church believes that the destruction of life, even in its fetal form is contrary to the concept of Christian life... Orthodox Jews say terminating pregnancy for arbitrary reasons is religiously blasphemous and socially destructive..." And finally, Mr. Spadaro says he will sit down with any group who would like to discuss it.

AUNT BEE ALGER sent us some information on her Sunny Acres Day Camp: Mike (Uncle Obie) O'Brien will be the camp director again this summer; the camp will open on July 3 and close August 25. On the waterfront: Mike Garcia with Constance Sargent handling the "wee ones." Some of the other staff members: Joyce Vosbergh and Aunt Pat Gallacchi who directs the lunch program. And here's a tip for parents of campers-to-be: register your child NOW! Aunt Bee will not over-crowd the camp and the quota is rapidly filling. So don't be disappointed — register now!

WORD FROM THE Vancouver area tells us that Dr. Robert G. Bump had a very busy day on April 5 when a tornado ripped through this Washington State city. The doctor spent most of the night setting the broken limbs of children caught in an elementary school which was demolished. Path of the storm was very narrow, sometimes only one house wide. The doctor is the son of Mr. and Mrs. Gardiner Bump of Delmar and a graduate of BCHS.

Now we can give you broad car insurance.

At a
compact
price.

Auto insurance may never be the same around here again. Because we have something special to offer you: Auto-Rite, the policy for safe drivers.

If you have a good driving record, we think you should get something out of it . . . such as a lower rate for your insurance.

It's not only what you pay that'll come as a happy surprise. The real surprise is in how much

you get.

Because Auto-Rite is not the trimmed-down, minimum-coverage policy you might expect for the price. It's the opposite. It's quality insurance that can give you a full range of coverages. Liability — up to \$500,000. Collision. Fire. Theft and comprehensive. Medical payments. You can even have emergency road service.

You get another advantage: Aetna's country wide claim service. Take our word for it, it lives up to its reputation for speed and fair play. And naturally, our agency is always here to give you personal service and attention.

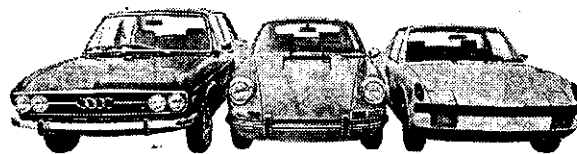

Find out if you qualify for Auto-Rite. Let us quote you the facts and figures. You could be in for a happy surprise.

Wandering & Wondering . . .

I AM DEPARTING from the editorial "we" for this part of this column in order to make my thoughts and remarks that much more personal. First, let me assure the readers of this column that the ideas expressed here are strictly my own and in no way are they to be construed as those of anyone else. Okay? Okay.

This column is signed every week. Anyone who reads it knows with whom he either agrees or disagrees. Therefore, I strongly object to having **unsigned** letters sent to me. If you don't have enough backbone or the courage of your convictions, why waste yours and my time writing? I have

said many times that I will **not** use unsigned material — and I intend to stick to it — no matter how insulting the writer may get.

One more thing before I sign-off and try to think of something pleasant: I will never endorse or cease to fight communism and all it stands for. An offer: if any of these writers have the courage for a face-to-face confrontation, I'm perfectly willing — but I will not glorify any coward who doesn't have the guts to sign his own name!

. . .

ON THE BRIGHTER SIDE: Two phone calls this week which considerably raised our flagging spirits. The first was from Jim Breig at the Evangelist asking permission to quote this column. Permission given — gladly. The second was from Mrs. Matthew of Glenmont who also agreed with our thoughts on the abortion law and sent us a letter to prove it. It will appear in next week's column.

. . .

JIM BREIG ALSO TOLD US OF A STORY in the Evangelist that we somehow missed. It went something like this: During the first year the abortion law was in effect, it is a known fact that 62 of the aborted babies were alive and lived for an unknown amount of time. **Only 56 death certificates were issued for the sixty-two. Of five there is no trace — BUT — the sixth not only lived but was put up for adoption!**

Is it any wonder that there is pressure on the Legislature to repeal or at least modify the existing law? Other question is: Will there be enough pressure to stop what is certainly **legalized murder?**

. . .

WE TOLD YOU LAST WEEK that our information on the fired patrolman in Bethlehem was confined to the daily papers, TV and radio. Last Thursday night at 7, W-TEN (which had promoted the fact that the latest developments would be seen and heard) merely rehashed all of the media stories in a weary attempt to keep the public interested. And still, nobody tells us nuttin'.

. . .

HERE IS A LETTER which defends the building of a Quarter Horse Racetrack facility in Selkirk:

Dear Sir:

I am prefacing my comments by stating I am a business man in the Selkirk area having operated a producer-retailer milk business for the last eighteen years and a restaurant for the past seven years and have been a resident here for thirty years so that I might point out that have a considerable past and a hoped-for future here.

For the past several years or since his appointment as postmaster in the Selkirk area, I have read or heard a

for less than the rest.

various times, Mr. Picarazzi's opinions voiced as the spokesman, but I want to make it very clear he does not speak for me.

The development of this area has been very slow which has always puzzled me considering the many attributes that we have here. The mighty Hudson has its West bank here and it is only lightly sprinkled with industry. There are miles of pleasant coves and islands that some day will be playlands for hundreds of people if the Hudson is ever clean. There is the New York State Thruway with its Exit 22 and the Mass. Turnpike, the main entrance for the East for both industry and pleasure.

The largest railroad facility in the world lies in our boundaries. Texas Eastern Transmission Co. will be remembered for its foresight in recognizing the hub-like location of Selkirk.

Surely no one can question the contributions of these companies, plus General Electric, Atlantic Cement, General Dynamics and now Quaker State Oil which is erecting a new storage and distribution warehouse to our south, have made in the erection of four new schools in the R-C-S area. And, now, I have heard of a new enterprise planning to come to the Selkirk area: Bethlehem Downs, a quarter horse track planning to invest from \$5 to \$20 million here. Surely they have recognized our potential.

Personally I wish to welcome them and wish them success in the many State approvals and financial arrange-

ments they have to secure. Having never frequented any large race tracks because of the distance and time involved in getting there, (I will surely attend this one), I cannot recognize the thousands of cars Mr. P. sees all piled up in Selkirk because there are three routes serving the chosen site and Rt. 396 being only one of these routes.

State highway 396 passes thru the hamlet of Selkirk and it is in good repair and my memory does not recall a serious accident in many years.

There will be inconvenience and some problems will surely arise and the State Transportation Dept. will be faced with correcting them.

By the tone of Mr. P's, letter he has laid the full responsibility of his visions on our Town Government and, as usual, he has made them the whipping boy for all problems.

My way of closing is to urge support for this enterprise from all residents of this area and the calm study of any problems that arise. I am confident that our Town Government, with the interest of all the residents of the Town of Bethlehem in mind, will work with, if necessary, all branches of State Government to correct, improve, and help this new enterprise to be a welcome part of our community.

Sincerely,
Edward J. Mocker
