COVER STORY

RAISING THE AMERICAN FLAG signals the start of the 1972 baseball season of Tri-Village Little League. Opening ceremonies were held May 13 at McGee Park. Photos by Louis Spelich

OVER 540 BOYS are registered in the three divisions of Tri-Village Little League.

... and spirited players try to retrieve that ball.

Among those participating in the opening ceremonies of Tri-Village Little League are (L-R): Jim Marotta, Past President; Joan Grady, President of the Auxiliary Board of Directors; Dan Furey, Past President; Bertram Kohinke, Supervisor, Town of Bethlehem; and John Hauf, Past President.

Bertram Kohinke, throws out the first ball of the season while Ronald Dutil, President of the Tri-Village Little League, looks on . . .

the difference
a *Weber*
can make

This Saturday only, May 27 from 10:00 to 2:30 you can see and taste the difference a **Weber** Barbecue Kettle can make. **Weber's** double grill construction lets you cook every kind of meat to juicy perfection. But don't take our word for it. Come and taste for yourself. There's simply no better way to cook outdoors.

Several varieties of the very best meat from **McCarroll's — The Village Butcher**, — are more reasons you should come to see what it's possible to do only in a **Weber**.

Free during this demonstration only — An **ELECTRIC FIRELIGHTER** with the purchase of a **Weber Kettle**.

Plus Hilchie's carries a complete line of **Weber Accessories**.

And **Weber Kettles** start from just \$16.95. We gladly accept **Master Charge** and **BankAmericard**.

OPEN DAILY 8:30 A.M. TO 6:00 P.M.

It's hard to wait . . .

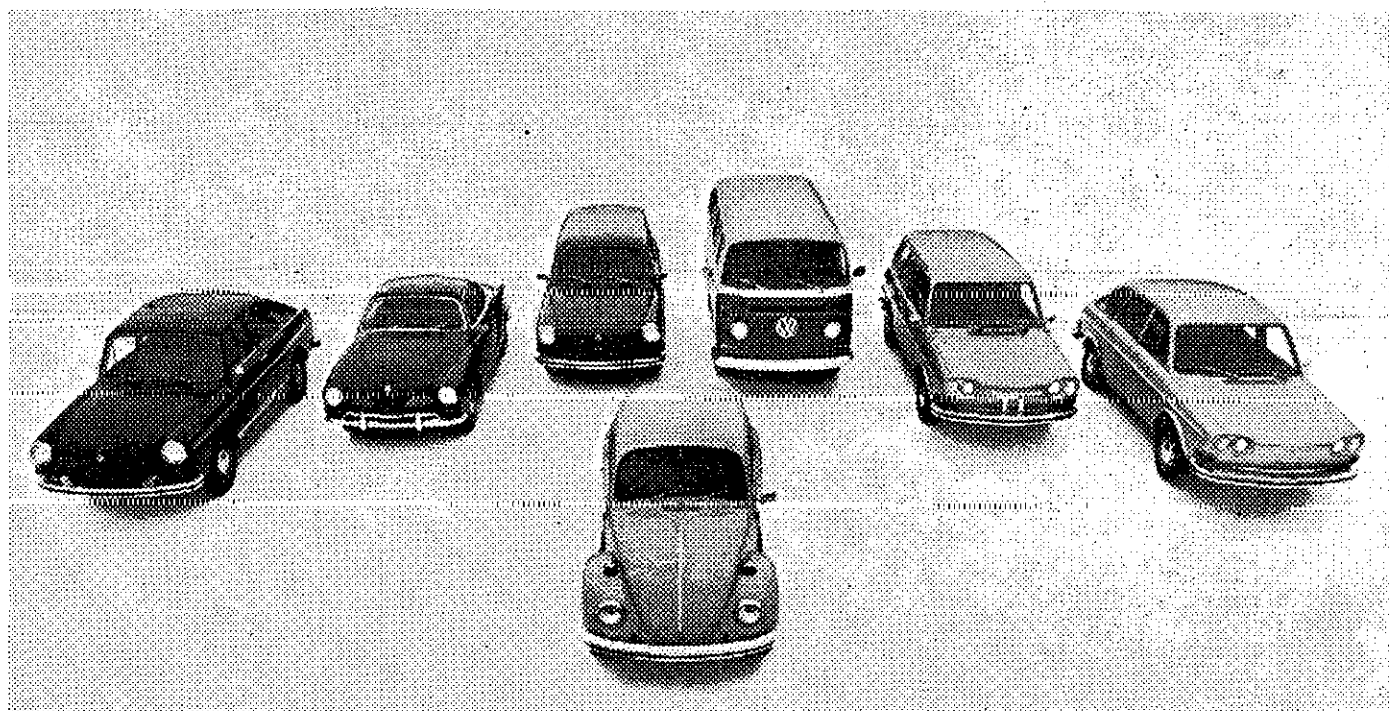

. . . but exciting to play.

Between innings offers that refreshing pause.

You're invited to look in on what we just got in on.

This may be short notice, but you're invited to our Grand Opening party. Thursday-Saturday, May 25th, 26, 27.

Eat, drink and try to guess who the salesmen are. And bring the kids. There will be plenty of refreshments and souvenirs for everybody.

We just want you to enjoy yourself and take a good look around.

Look into our parts department. (There are genuine VW parts for virtually any VW on the road.)

Visit our diagnosis and service department.

(Our Volkswagen schooled diagnosticians can discover those small problems and our Volkswagen schooled mechanics can fix them, before the problems get too big.)

And, of course, look into our full line of VWs. (If one catches your fancy, we'll be happy to give you a test drive.)

But, if you don't get a chance to look into everything. Come again.

The party may be over, but the fun of driving could just be starting.

Spotlight CALENDAR

ABOUT THE CALENDAR

The information printed in this column is a FREE service to **Spotlight** readers. We neither charge nor receive any fee for publicizing these events. It is for this reason that we ask those who send in information to make sure that it is complete; we **cannot** (repeat: CANNOT) make weekly changes in running announcements.

Because the Calendar condenses the coming event in capsule form, it has become one of the most widely-read weekly **Spotlight** features. It was so designed to allow for more space for additional features. Therefore, organizations should **not** expect to find a duplication of facts in another place. If we were to run all of the events **twice**, we'd be cutting down on our available space and thereby defeat the whole concept.

The Light Touch

It must be great to have a teenager in the family. How else would you get to know your faults?

•••

The easiest way to break a habit is to drop it suddenly.

•••

A successful marriage requires falling in love many times, always with the same person.

•••

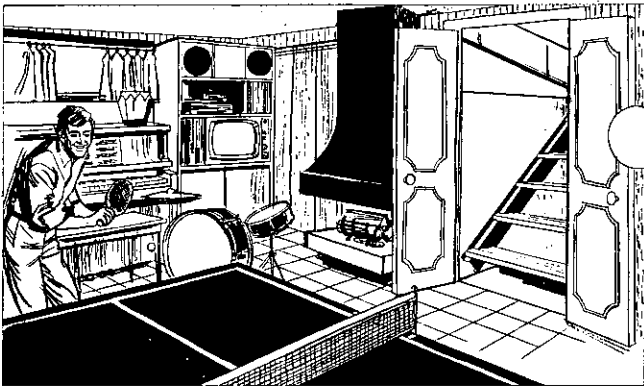

Influence: something you think you have, until you try to use it.

•••

An old-timer says there are three signs of old age. One is the loss of memory, and he can't remember the other two!

•••

We always remember to go easy with you on your home maintenance budget.

The difference between a dead-end cellar and a basement-for-living

Without direct access to the out-of-doors, your basement becomes a seldom used, dead-end area, instead of a "live", low-cost space for the enjoyment of your whole family.

A BILCO Basement Door costs so little when it's included in the foundation construction. With it, you will as much as double the living space of your new home! Let us show you how easily and inexpensively you can include a BILCO Door and Stair Stringers in your building plans.

How many electrical hazards can your child find in this picture?

Many electrical accidents involving children could be prevented by teaching them to recognize and avoid dangerous electrical hazards.

So we designed this little quiz to test your children's knowledge of electrical safety and to teach them to avoid some of the more dangerous electrical hazards.

Here's how to give your children this quiz: First of all, clip this entire ad from the newspaper. Then, tear it in two, giving the picture portion of the ad to your children. Supply them with pencil and paper and have them list as many hazards as they can. When they've finished, review these answers with them.

Having your children know and recognize all these hazards could one day prevent a needless accident.

1. Climbing a tree near electric power lines. Never climb a tree near electric power lines. Some wires run

through the tops of trees and you can easily mistake a wire for a branch.

2. Flying a kite near electric wires. If the kite gets snagged on a line, and if the string is wet, or it's a damp, wet day, you may get a nasty shock. A good safety rule to remember: Always fly kites in open fields away from electric wires.

3. Touching downed power lines. Regard every fallen wire as dangerous. Never under any circumstances touch or get close to a downed power line. If you spot a downed line, have your parents or an adult call Niagara Mohawk immediately to give the location of the fallen line. Then, they should stand by until help arrives, warning others away.

4. Climbing over fences surrounding Niagara Mohawk substations. The "Danger—High Voltage" signs and the high barbed-wire fences that surround our substations are there to keep everyone out. It's not even necessary to touch the wires on a high-voltage line or equipment in a substation

to be injured; just getting close can cause an arc—a blinding flash which may inflict severe burns. When this happens high on a pole or tower, the flash can cause a fall which in itself may cause death or serious injury.

5. Handling electrical appliances in the tub or shower. Always avoid touching electrical appliances when your hands are wet or when you're standing on a wet floor, especially when you're in the tub or shower.

6. Never go swimming or stand under a tree during an electrical storm. You greatly increase your chances of getting hit by a bolt of lightning. During electrical storms, try to get indoors or stay in a car with the windows closed.

Senior students at the Neighborhood Playhouse School of the Theatre included the following one-act plays: "I'd Rather Sit Alone On A Pumpkin" by Barry Berg; "The Shoemaker's Holiday" by Thomas Dekker; and "Feiffer's People" by Jules Feiffer.

MADAME LICIA Albanese, a leading soprano of the Metropolitan Opera, will be awarded an honorary Doctor of Fine Arts degree at the 1972 Siena College commencement exercises to be held Sunday, June 4th. The announcement was made by Rev. Matthew T. Conlin, O.F.M., President of the College.

For more than three decades, Madame Albanese has thrilled opera lovers through her appearances at the Metropolitan Opera in New York City and through her many recordings. Born in Italy, she made an unexpected debut as Cio Cio San in Puccini's "Madame Butterfly" in Milan in 1934 when the leading soprano became ill. The following year, she won a national singing contest and made her formal debut at the Royal Theater in Parma. After triumphs in London, Paris and Madrid, she made her American debut at the Metropolitan in 1940, again in "Madame Butterfly."

AN EDUCATION Center, conducted by the Sisters of Mercy, will be held during the summer at Mercy High School, 310 South Manning Boulevard, Albany, New York.

The sessions will be open Wednesday, July 5, and will continue through Friday, August 4.

Monday sessions will be from 9:00 A.M. to 11:15 A.M., and will include English Grammar, Mathematics and Critical Reading for Grades 7 & 8.

On the Elementary Level for Grades 2 through 6, there will be classes in Phonetic Skills, Reading Comprehension and Mathematics.

Registration will be on Monday, July 3, at Mercy High School from 9:00 A.M. to 12 Noon. Each student must present his report card.

Further information may be obtained by writing to Mercy Education Center, Mercy High

School, 310 South Manning Boulevard, Albany, New York or by telephoning 756-2088 or 756-8533.

CYNTHIA WARREN, daughter of Mr. and Mrs. William C. Warren of Elsmere, was graduated with honors from the State University of New York at Albany on Saturday, May 20. She received a Bachelor of Science Degree in the Teacher Education Program in Mathematics. Miss Warren was involved in Student Government for three years. The Warrens have another daughter Kathy, who is also a student at SUNYA.

MERLE L. MILLER, Chairman of the Business Education Department at Bethlehem Central High School, attended the all-Day Area 9 Business Education Meeting on May 11. The meeting, which included representatives from the business departments of the high schools in the Capital District, was called and presided over by Barbara Kusek, Area Leader.

STUDENTS at Bethlehem Central High School who earned Gregg awards for achievement in shorthand and typing during April have received them in their shorthand I, shorthand II, and secretarial practice classes.

In shorthand speed Christine Tuck, a junior, earned the top award by taking five minutes of dictation at 100 words per minute and transcribing her notes with 95 percent accuracy. In shorthand II Joanne Campbell earned a similar award, but took the dictation at 60 words per minute.

Shorthand I students earned speed awards also. Rita Bassani, Anita Carroll, Joanne Hansen, Patricia Iandoli, Betsy Osterhout and Carol Totten achieved the 60 word-per-minute level for a five-minute period, while Christine Brannick took 60 words per minute for three minutes to qualify for a certificate.

In shorthand II Donna Collen, Deborah Domermuth and Donna Grovenger also earned certificates by taking dictation of three letters at 60 words per minute and transcribing two mailable copies in 20 minutes.

Typing speed awards were distributed to Bonnie Myers, Deborah Kundel, Mary Beth Flynn and Gail Donovan. In each case the student typed for five minutes with a maximum of two errors.

Senior Typing Production Tests were earned by Amy Barthe, Annette Barthe, Louise Dollard, Carole Fiato, Joanne Hansen, Karen Salisbury, Lynn Sprague and Pat Tuzzolo.

JANET E. THOMPSON, daughter of Mr. and Mrs. Philip J. Thompson, at 95 McGuffey Lane, Delmar, was awarded an Associate in Arts degree in Liberal Arts at the 135th commencement exercises at Green Mountain College, Poultney, Vermont, May 14.

ON THE WEEKEND of May 12 and 13, music organizations from the Bethlehem Senior High Music Department participated in the New York State School Music Association Competition held at the South Glens Falls High School, Glens Falls. All Bethlehem Senior High music groups, for the eighth successive year, earned an "A" rating in the following grade level of difficulty: Choraliers 6&A, Orchestra 6A, and Senior High Concert Band 6A, Choristers (9th and 10th

choir) 4&A, and the Bethlehem Mixed Chorus 3A.

At this competition music organizations were judged according to NYSSMA state-wide standards and were evaluated on six aspects of performance: tone, intonation, technique, rhythm, balance and interpretation. Furthermore, each group selects a level of difficulty, ranging from grade one to grade six. Grade six is the highest level of difficulty to compete for high school performers.

Directors of the Senior High music organizations are as follows: Choraliers, Choristers and Mixed Chorus - Mrs. Magdalene York; Orchestra - Mr. Bruce Scanton; and Senior High Concert Band - Mr. Samuel Bozzella.

THREE Bethlehem Central students were awarded prizes in the recent National French Contest sponsored by the American Association of Teachers of French. Miss Laurie Vaughn won third place and Miss Irence Faust tied for fourth place in French 4 in the Hudson Valley Region. Miss Margaret Mott was awarded fourth place in French 5.

BREAKFAST WITH DADDIES—Mrs. Mary Freeman's two kindergarten classes at the Slingerlands Elementary School recently entertained their fathers at two separate breakfast programs. Benjy Walter is shown pouring coffee for his dad, Mr. Lanny Walter. After meals of juice, cereal, pastries, and coffee, the dads were treated to songs and poems about good nutrition and health habits which the children have learned. The breakfast activity is a long-standing tradition of Mrs. Freeman's, which is her way of giving her pupils' fathers the opportunity to be involved in a school event.

on "What is Happening in High School Science" at a meeting of the Association of New York State Introductory College Science Teachers, to be held June 1 and 2 at Skidmore College in Saratoga Springs.

THE ANNUAL school census for the Bethlehem Central School District will be conducted during the month of June. All homes in the district will be visited, so that a list can be compiled of all children living in the district between the ages of birth and 18.

Mrs. Richard Haverly, census director, has announced that the census takers will have identification papers so persons should feel free to ask to see them.

The district census enumerators are: Mrs. Haverly, Mrs. Kenneth Williams, Mrs. James Brown, Mrs. Raymond Caswell, Mrs. George Kirk, Mrs. Frederick Riehl, Mrs. David Chambers, Miss Sue Sager, Mrs. Roland Dutil, Mrs. William Reusswig, and Mrs. Walter Slater.

BY A UNANIMOUS vote at its May 16 meeting, the Bethlehem Central Board of Education adopted a school budget for 1972-73 which will not result in increases in school tax rates.

The proposed budget, which includes financing of the Bethlehem Public Library, totals \$8,758,372. This figure represents an increase of about 4.7 per cent over this year's school budget, but almost all of that increase will be offset by increased revenues.

Voting on the proposed school budget, and on candidates for one seat on the seven-member Board of Education, will take place on Wednesday, June 14, from 7 a.m. to 9 p.m., at the Middle School. No prior registration is required this year for district residents.

School district residents who live in the Town of New Scotland will be forced to pay higher school taxes, because the equalization rate there has been lowered one point by the State Board of Assessments and Equalization. The Board of Education had no control over this action.

The Bethlehem Central Board of Education aimed all this year

to arrive at a budget for 1972-73 which would hold the line on school tax rates. It is proud at having been able to achieve this goal, particularly since it has not been possible in the recent past and many surrounding school districts do face tax increases for next year.

Among factors which contributed to the "no-tax-rate-increase" budget are: An increase in the amount of State Aid the district will receive, an enrollment reduction on the elementary level, a larger-than-anticipated balance of funds from this year's budget, and some reduction of staff. (Further details on these factors are explained in an expanded issue of "Central Highlights" which will be mailed to all district residents during the first week in June.)

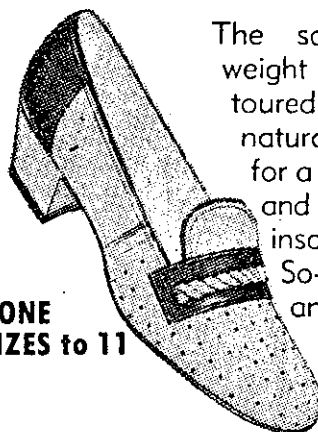

Representatives of the community were involved in budget preparation this year, through a Budget Information Committee comprised of parents, taxpayers, pupils and teachers, which spent many hours reviewing budget drafts prior to its adoption on May 16. In a report presented by Committee Chairman Mr. John Kilm at the Board's meeting on that date, it was announced that the Committee "supports the budget and recommends passage of the budget to the committee." More about the Committee's findings will be reported in next week's "Spotlight."

The Budget Information Committee will sponsor an open meeting on the proposed budget on Thursday, June 8, at 8 p.m., at the Middle School. All residents who want more information about the budget are urged to attend the meeting.

Persons with questions may also call the Director of Public Information at 439-4921 mornings or 439-5224 at other times. In addition, persons who would like to sponsor smaller meetings, such as neighborhood coffee hours, to discuss the proposed budget, may call the Superintendent's Office to request that the Board member, school administrator, or budget Information Committee member be present.

(JUST OFF DELAWARE AVE., BY A. & P.)

for the Bethlehem Central schools for the 1972-73 school year. As the Superintendent of Schools assesses the future needs of the school system, and simultaneously considers the escalating costs of education, he believes different solutions to the age-old problems must be found.

In what Dr. Zinn labels a re-assignment of administrative responsibilities, he is assigning two elementary principals the responsibility of administering two of the smaller elementary schools each. (The pattern up until now has been to have one principal assigned to one elementary building, regardless of the size of the student body or staff.)

Since four buildings will be receiving basic administrative services next year from two principals, two elementary principals are freed for other duties. Mrs. Grace Erkson, present principal of the Glenmont Elementary

School, will be re-assigned to the Office of Program Development, to coordinate the curriculum, instruction, organizational changes and in-service work of the elementary schools. She will also be expected to establish co-ordination between the elementary schools and the Middle School and High School. In her new position, she will work closely with all principals and supervisors.

Mr. Ray Stephany, present principal of the Clarksville Elementary School, will also be re-assigned to the Office of Program Development, to assume a number of duties which, when handled by one individual, should provide for greater efficiency of operation than in the past. He will become responsible for the program budget, much of the personnel work, Federal grant programs, development of field trip procedures, textbook inventories,

and special subject scheduling.

Mr. Joseph Schaefer will serve as principal of the Clarksville Elementary School and Delmar Elementary School for the 1972-73 school year. Mrs. Virginia Lowe will administer the Slingerlands Elementary School and the Glenmont Elementary School.

According to the Superintendent of Schools, these moves are being made at this time in an effort to determine if the total administrative team can become both more efficient and more effective. It is expected that the building principals will be greatly assisted by the work to be done by Mrs. Erkson and Mr. Stephany, and so will be able to concentrate more on supervision and staff planning.

Dr. Zinn emphasized that this is not a plan to add to the administrative staff. He hopes, on the contrary, that it will lead ultimately to a reduction of administrative costs. He pointed out that Mr. Wilson Hermance, Director of Transportation and Plant Operation and Maintenance, who will retire this summer, is not being replaced by a single individual. His duties will be distributed among a number of current employees in the Business Office, Office of Program Development, and the Superintendent's Office.

BETHLEHEM School Board candidate Bernard E. Harvith will be the featured guest at a "Meet the Candidate" Coffee Hour at the new Bethlehem Public Library tonight at 7:30.

A 33-year-old professor at Albany Law School, Mr. Harvith is a native of Delmar and attended Bethlehem schools from kindergarten through high school. He graduated from BCHS in 1956 and later earned degrees at the Univ. of Rochester and Harvard Law School.

One of the seven seats on the Bethlehem School Board will be offered for election this year. Balloting on the school budget and board seat is scheduled June 14.

In discussing the two coffee hours, Prof Harvith said "The school board would do well to consider informal sessions such as these as a means of determin-

ing the public's thinking on school matters. If elected, I will espouse such meetings, and will recommend they be held prior to the board's preparation of the annual budget."

He added that the Thursday evening session is aimed at young people because "it is especially important that new voters have the information they need about candidates and issues, so they can make an informed vote."

Prof. Harvith is married to the former Janice Kirkman, also a graduate of BCHS. They have two daughters, ages six and five. The Harviths live at 73 Fernbank Ave. in Delmar.

SUE CARTER, daughter of Mr. and Mrs. James S. Carter, Slingerlands, has been graduated with honors from Pine Manor Junior College, Chestnut Hill, Mass.

DEM.'S SPADARO ATTACKS ABORTION REPEAL VETO

HUDSON — John P. Spadaro, Democratic candidate for Assembly, today termed disgusting and deplorable Governor Rockefeller's veto of the abortion repeal bill passed by the Assembly and Senate last week.

Spadaro said the governor's "utter disregard of the people and the majority vote in both houses" was demonstrative of his disregard to human life.

"You may rest assured," he said, "that I will use everything in my power and at my disposal, including church groups, the Women's Right to Life committees, and others, if I am elected in November, to have the liberalized abortion

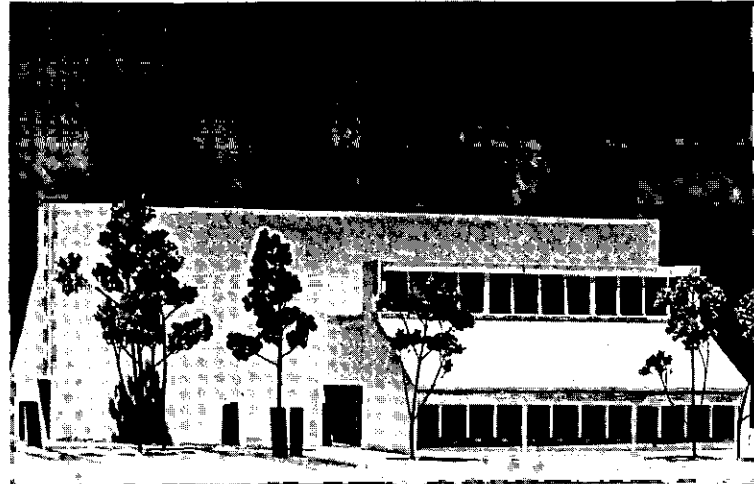

law repealed."

"As far as I am concerned," Spadaro said, "this veto, cast by Rocky, showed very clearly, even after President Nixon's remark that he would favor abortion repeal, that the governor is a self-centered person. I will do everything in my power to see he is not re-elected."

Spadaro is seeking the seat held by Republican Clarence D. Lane in the 102nd District.

The Democratic contender discussed "getting Democrats Elected in the Fall" at a dinner dance of the Cairo Democratic Club Saturday night at the Bon Fire Restaurant and Lounge in Cairo.

established and progressive reinsurer and also evidences concern for the sensitivity to human needs.

Guilderland Mutual Reinsurance Company is a multiple line reinsurer authorized to provide all forms of reinsurance exclusive of life, annuity and title. The company was founded in 1854 as a farmers' cooperative insurer, and reorganized in 1940 exclusively as a reinsurer. Internal administrative officers are: Earle L. Forthman, Delmar, New York—President; E. David Price, Delmar, New York — Vice President; Harold L. Jones, Schenectady, New York — Secretary & Treasurer; David W. Day, Ravena, New York — Assistant Secretary.

TROOP 75, Boy Scouts of America, will hold an Eagle Court of Honor to award Scouting's high-

est rank to David Robertson. The Court of Honor will be held at the Delmar United Methodist Church at 7:30 P.M., Thursday, May 25. David is the son of Alan and Barbara Robertson of 198 Adams Street, Delmar. Troop 75 wishes to invite friends of David to attend the Court of Honor.

Other Scouts will also be advanced at this time. Refreshments will be served.

THE SARATOGA Festival requests its patrons to make note of the following changes of date in the special events schedule for the coming season.

GROUND WAS broken last Thursday, May 18, for a new Home Office facility to be constructed by Guilderland Mutual Reinsurance Company on Bethlehem Court in Delmar.

The one and two story structure, of custom design by Geyer & Hollister Associates, A.I.A., of Delmar, will be situated on a one acre plot overlooking the Normanskill valley.

The design is of a contemporary nature while maintaining a distinct relationship to the Dutch name and background of the company. The architectural concept portrays the integrity of an es-

Nancy Wilson, originally slated to perform on Saturday, July 1 will now be appearing Sunday, August 27. Replacing Miss Wilson on the July 1 date is band-leader Doc Severinsen. Melba Moore, whose scheduled performance on Sunday, July 2 was announced earlier this year, remains confirmed for that date.

The concert featuring Melanie has been moved from Sun-

day, June 18 to Saturday, June 17.

Isaac Hayes, scheduled at Saratoga for June 11, has just announced the cancellation of his summer dates, including Saratoga. A replacement will be announced soon.

VOLUNTEER go-getters are currently out scouring the Tri-Village area for all sorts of donations to be auctioned off from June

Squiggles From The Book Worm!

You've heard the tongue twister, "She sells sea shells by the sea shore." Well, the Bethlehem Public Library has a display near its circulation desk that is a variation on that theme—sea shells shaped into delightful and whimsical creations by Mrs. M.C. Simon. With the aid of a variety of shells and a lively imagination, Mrs. Simon has created a menagerie of intriguing little beasts-and a lovely-lady-too.

And, speaking of lively imaginations, have you seen what the young mind can create? Look on the wall of the Children's Room. It is decked out in the most fantastic art work you've seen in a long while. Creations that would put Picasso to shame! And they all come from the hands of the youngsters at the Tri-Village Nursery School. Surely there are many budding artistic geniuses in the Tri-Village area judging from what is being produced by three-year-olds!

The Library has achieved a long desired goal — a pole from which to fly a flag! Money was donated in 1942 for the purchase of a flag. Watch for it unfurled in the breeze on the pole on Delaware Avenue near the Library's front entrance.

And, finally, a word to our delinquent borrowers: The Library is not charging any fines during the month of May. You still have time—search your nooks and crannies for those long overdue books and return them now. It won't cost you a cent and it will help the Library fill up those gaps on its shelves.

Thanks!

The feature speaker was Ned Pattison, treasurer of Rensselaer County, who spoke on "Modernizing County Government." He tied together two areas of current League study and action, a charter for Albany County that provides for a strong county executive, and planning in Albany County. From his experience as a member of the Rensselaer County Charter commission and treasurer of the Capital District Planning Commission he advised the League to continue their active interest as citizens in these areas, including the petition drive for a county charter commission.

AETNA'S SAFE DRIVER MEDAL.

If you have a safe driving record, we'll reward you with savings on your auto insurance.

Having a good driving record should be worth more to you than simply a warm glow of self-satisfaction.

Now it is. Because Aetna has recently introduced the Auto-Rite policy in this area — a policy especially designed for safe drivers. If you have a good driving record you're eligible for our lowest rate.

Auto-Rite saves you money. But it's not a trimmed-down, minimum-coverage policy. Far from it. You can get a full range of coverages, including liability, collision, fire, theft

and comprehensive, medical payments, bail bond and emergency road service. Liability limits are available up to \$500,000.

Auto-Rite brings you something else. We mean Aetna's countrywide claim service, and its reputation for fast action and fair play. And we'll back that up with our agency's personal service and attention.

Come in and tell us about your good driving record. You'll like what we tell you about Aetna's Auto-Rite policy for safe drivers.

Wandering & Wondering . . .

THIS IS ANOTHER OF THOSE WEEKS! To start it off, we had a subscription-renewal refusal like this: "Not as long as it (Spotlight) is a re-run of my Evangelist subscription." First, this person is **NOT an Evangelist subscriber** as claimed. The Evangelist doesn't have subscribers! Every Catholic family in the diocese automatically receives the paper . . . for **FREE!!** We feel justified in holding up the Evangelist as an example of a fine religious weekly — and our belief was borne out last week when the paper was judged to be just about the finest Catholic weekly in all of North America. That's quite an honor — and we feel honored to be allowed to quote freely from its pages. The Mailies, TV and radio all joined in congratulating Evangelist editors on their award. We add ours — and hope that our subscriber will change his or her mind!

MUNT BEE ALGER, operator of Sunny Acres Day Camp (and one of our ardent boosters), wrote to ask what happened to this column a couple of weeks ago — and then proceeded to tell us about some of the gifts the Elm Avenue camp has received: A memorial gift in honor of Harry A. Meffert, was made by Delmar's Ben and Martha Meffert. This gift will be used for some bright new baseball equipment. Harold and Sylvia O'Brien, Jr., of Glenmont, presented Sunny Acres with an outdoor fireplace and a Totem Pole which was made at an Indian Reservation in North Carolina. The third gift was a labor of love from Mario Gallachi of Delmar who, these past few years, has done those thousand-and-one jobs necessary to open and operate a summer camp.

LOOKING THROUGH OUR NYS Police Newsletter, we found some interesting information. Supt. William E. Kirwin warns all drivers that on and after June 1, a new law requires that an insurance identification card be carried in every vehicle. Failure to produce identification upon demand will be presumptive evidence of uninsured operation.

NYS Police are experimenting with a digital computer that can tell a trooper in two seconds whether a car under observation has been stolen.

And drunk driving increased by 26.4% in 1971 over arrests made in 1970.

Along with the above somber facts, here's a piece of trivia: In 1971 NYS Police cars traveled more than **54 million miles** or the equivalent of 2200 trips around the world!

OUR LOVE AND RESPECT FOR RUTH MINER goes way back to 1945 when she wrote us one of the finest complimentary letters we have ever received. From that date to this, we have watched and witnessed the many wonderful

things this woman has accomplished — most of them were never recorded in any newspaper, neither were they headlined by TV or radio. A short time ago Miss Miner made some very accurate observations at a luncheon where she was the featured speaker before the Saratoga Farm Bureau Women's Committee. Here are some of the things she said:

" . . . for all of our commitments of our wealth for education, we should get more in return." She expressed great concern for what she termed "tremendous contradictions in our educational systems, churches and halls of justice. She blamed the lack of return for educational dollars spent on the visionaries, not the students. She said she felt that there is need "for more discipline of ideals, character and morals" so that students will return something to society rather than demand more.

Miss Miner said that one of the highest priced commodities on the market today is justice and even though our Constitution guarantees justice for everyone, today it is denied the poor. "While we build bigger and better courthouses and add more judges, we do little to improve the opportunities for justice for the poor."

And in conclusion: "To overcome the poverty of riches, we must instill in youth a love and respect for our country and what made it great, lest our young people put their trust only in material goods."

MAY 14-20 WAS National Police Week and next week we'll have pictures and story of the Citizens Valor Award which is presented annually to a resident of the Town by the Bethlehem Police Benevolent Association. This year's award was presented to Robert Burns by Alfred Lamouree, PBA President, at Bethlehem Police headquarters on Friday, May 19. More next issue.
