### Master's Degree

Judy Danzig will receive her Master's Degree in Social Sciences on May 13 from the University of Louisville, Ky. She is the niece of Mrs. Frank Britton, Slingerlands.

### Laurie DeFlumer Elected

The delegates from the Future Business Leaders of American Chapter at the Bethlehem Central High School returned from the Annual Leadership Conference with the new State Treasurer in their group. Laurie De Flumer, a junior shorthand student at BCHS, was elected to this office with an overwhelming majority. Miss De Flumer's campaign was planned and directed by Mary Ellen Tuck, another BHCS business student.

The New York State FBLA conference was held at the Nevele in Ellenville and this year there were more than 600 high school students from over 40 schools in New York State competing in contests and participating in the many activities of the organization.

Miss Bonnie Meyers, a senior BCHS secretarial student, presented her Annual Report as the outgoing State FBLA Reporter during the three-day meeting. On Monday Miss Meyers was the chairman of the District Meeting which was concerned with the election of the District Vice-President

for District 3 of the State. Monday evening she had the privilege of introducing Edward D. Miller, Associate Executive Director of FBLA from the Washington headquarters. Mr. Miller addressed the conference delegates in a general session. At the awarding of the trophies on Tuesday morning, Miss Meyers assisted with the presentations.

Mrs. Jo Ann Davies, BCHS FBLA advisor, served as chaperrone for the BCHS group and as a judge at the spelling contest which was held on Monday.

Laura Bernard and Patricia Galusha represented the BCHS delegation as voting delegates in the business sessions.

### Gregg Certificates

We of the Clarksville, One-squethaw, Unionville area have a growing need which our communities have, up to now, been unable or have failed to meet. Each summer we are forced to transport our children to obtain supervised sports and outdoor recreational facilities.

In order to remedy this situation it has been suggested that we build a playground. At first this may seem like to monumental a task, as indeed it would probably be for one person or organization, but, with the help of the entire community and all it's organizations it becomes not only plausible, but a worthwhile and challenging prospect. Together we can build a future of happy summers for our children. Time spent in learning new ways to grow and develop mentally and physically, for the old maxim still holds true, "A healthy mind in a healthy body".

A concentrated, collective effort on all our parts requiring but a minimum of individual effort can accomplish this goal. A community playground planned, built and enjoyed by an aware and caring community.

A main obstacle, available land, may already have been

Dear Sir:

I feel very warmly toward the annual fair at the Presbyterian church. The women work hard to make it a huge success. Last year they generously contributed \$500.00 of their profits to what is remembered as the "White Christmas Fund".

This money is kept in the community and used in many worthwhile ways. As the social worker for Bethlehem Central Schools I have frequently turned to it. My requests all involve students in the schools. They can range from sneakers that cannot be managed from the family budget, to the delivery of fuel oil when a home visit is made and you find a freezing house with insufficient resources.

Without their generous \$500.00 contribution this Fund would be closed to extinct.

This just happens to be one of the many ways in which that money from the Fair was used last year. Our thanks to these unselfish women in their efforts. Let's all support the Fair at the Presbyterian Church on Saturday, May 12th.

Sincerely,  
Betty J. Lornell

# THE HOMECOMING

by Larry Martone

The Slingerlands Players' performance of Harold Pinter's "The Homecoming", on opening night in Unionville, was an absolutely superb display of the new British drama. The story of a North London family of men, and one woman, was competently directed by Ed Lange, a native of Unionville. The real trigger for the play's success, however, was the better than brilliant acting of Sydney Turner, who played Lenny, North London's pimp extraordinaire. Mr. Sydney presently teaches drama, speech and theater at BCHS.

Red Sutton delivered an enthusiastic portrayal of Max, the boisterous, aggressive father of the clan. Surprisingly, Max

drew quite a few laughs from the audience, laughs which were probably unintended by the author but which evolved quite naturally through this particular performance. Teddy, the "Doctor of Philosophy" brother who comes home from America, was smoothly played by Richard Walsh, the Renaissance Man of local theater. Dick McGrath was convincing and amusingly true to character as Joey, the would-be boxer. Mary Eagle, as Ruth, handled a difficult part rather nicely. Her continual transitions from restraint to harsh candor, and eventually to wild abandon, are made with a certain clarity which makes her, indeed, the central figure of the play.

THIS REHEARSAL SHOT of Syd Turner and Mary Eagle is a final reminder that the Slingerlands Community Players conclude their twenty-first season of live theatre this week at the Playhouse in Unionville. The Players are offering "The Homecoming" by Harold Pinter on May 9 through 13 at 8:30 each evening. Tickets are on sale at L.J. Mullen Pharmacy, C.M. Grover and the Delmar Tavern. Remaining tickets for any evening's performance will be available at the door.

Jack Ryan played Sam, the ineffectual chauffeur. The part was acted quite well, though at times, through no fault of Mr. Ryan's, Sam appeared to be more of a beleaguered uncle to Max, instead of a younger brother.

The unusual comedy found in this performance of "The Homecoming" would seem to exclude the play from the Theater of the Absurd genre. Pinter's dialogue of disparities, wherein water is the equivalent of whiskey, was closer to wit than to the empty expressions of, say, "Waiting For Godot." The "naked truth" cheese-rot incident, marvelously developed by Mr. Turner and Mr. Walsh, is a prime example of Pinter's characters' ability to grasp a trifle and mold it into a great moment of suspense.

The scenery, designed by Jay Deanehan, successfully revealed a seedy family life-style. The lighting, handled by Dick Rosenberg, significantly maintained the flow of the play.

This reviewer had expected an evening of abstract conflict on stage, but was introduced instead to a refreshing view of human

life in free rein. Thank you, Slingerlands Players.

## Rent-A-Parent

When Mamas and Papas want to go away on an overnight and extended trip Sans Enfants — they can take advantage of a babysitting service that sends young married couples in to take care of the children and the house.

**UNIVERSITY FAMILY SERVICES (AGCY)** of Guilderland screens couples for moral character responsibility and good judgment . . . then sends them to your home for an interview and approval. Most couples are College graduates. They prepare all meals, do the laundry and maintain the house while you are away. It's arranged for the sitters to become acquainted with the children before hand so they won't be strangers when the parents leave.

The Agency can also provide House Watchers and Home Caretakers.

## Stroll Memory Lane

Take a stroll down memory lane this May at the Bethlehem Public Library. On display in the corridor is a collection of photographs of Delmar and Bethlehem of the past. The photographs were graciously loaned to the Library by Morris Gerber from his extensive collection of area photos. Mr. Gerber, an Albany resident, is the author of three books, including Old Albany, Volumes 1 and 2.

## POP WARNER

Register now for football? That's right FOOTBALL.

In anticipation of the fall season the Bethlehem Pop Warner Football Team will

be accepting registrations for the junior football teams May 17th, 18th and 19th. And because of the interest in the sport last year there will be two teams on the field this year. On one the 80-110 pound class for the 10, 11 and 12 year olds, the other 105 - 135 pounds for the 12, 13 and 14 year old boys (despite women's lib, girls are intelligible for this sport).

Registration will be accepted for both teams on May 17 and 18 at the Middle School during the lunch periods; at St. Thomas School on Thursday, May 17th, during the lunch hour, and on Saturday morning, May 19, from 10 a.m. to 12 noon at the Middle School.

All youngsters meeting the age and weight requirements will play in all games. There

will be no permanent bench warming squad under the Pop Warner rules.

BERTRAM E. KOHINKE, Supervisor of the Town of Bethlehem, calls upon all citizens of the community to give their wholehearted support to the "BICYCLE REGISTRATION DAY" program. This program will take place on Saturday, May 12, from 9 A.M. to 1 P.M. at the Bethlehem Police Department parking lot and will be under the direction of Sgt. Leo E. Dorsey of the Youth Bureau, Bethlehem Police Department. Mr. Kohinke notes that the purpose of the bicycle registration program is to help reduce the hazards of bicycle riding for both children and adults by training them and encouraging proper riding habits. While Sgt. Leo E. Dorsey along with Officer Leonard Ryan are inspecting the bicycles and teaching safety rules to our Town's cyclists, Steve Brodeur, Store Manager of McDonald's located at 132 Delaware Avenue, Elsmere will present a "BE OUR GUEST" certificate to all those who register their bicycles with the Town of Bethlehem. Also, Mr. Brodeur will be on hand to help assist the Bethlehem Police with refreshments for all citizens that participate in the program.

# The Light Touch

The happiest ending in the movies is when the guy behind you finishes his popcorn.

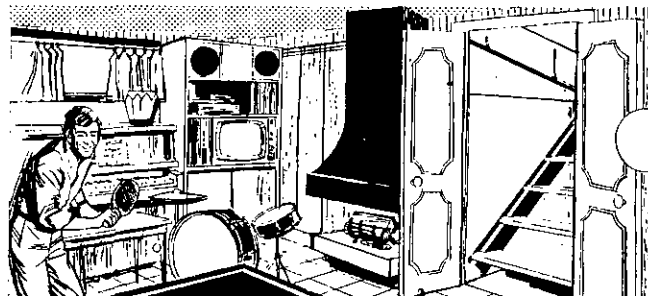

Man, offering cigar to co-worker: "My eighth child. Take one puff and pass it along."

Untouchables: people as broke as we are.

The years between 26 and 60 pass as fast as the fuel in a teenager's gas tank.

Encouragement: giving someone a shot in the arm without letting him feel the needle.

We'd like to encourage you to look at our Bargain of the Month.

## Don't move! Open your basement.

Is your family pinched by a shortage of living space? Chances are the space is right there in your basement. The first step in converting a seldom used dead end into a basement for living is by adding a direct accessway to the outside with a modern Bilco Door. You'll then have a basement just as convenient and livable as the whole upstairs.

Let us show you how to add a complete new accessway to your home with a modern all-steel Bilco Door and Stair Stringers. You'll like the Bilco Doors' weathertightness, ease of operation and the way it's built to last. And we have all the other materials you'll need.

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

### "Ham" Dinner

The annual dinner of the Albany Amateur Radio Association will be Saturday, May 19, at 6:30 P.M. at Bartke's Restaurant on Route 9-W in Ravena.

John Longley, WsANB,

of Slingerlands, president of the association, announced that the speaker will be Perry Williams, WIUED, of Hartford, Conn., assistant secretary of the American Radio Relay League, national organization of amateur radio operators. Frank B. Jordan, Jr., WA2KUL, of Coeymans Hollow is dinner chairman.

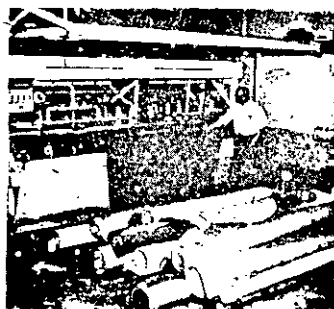

ON MAY 3, MORE THAN 200 eighth graders from the Bethlehem Central Middle School met at the new Elm Avenue Park. They were divided into 3 teams, one to cut brush, a second to pick up litter and the third group planted some 1000 young trees for soil conservation and landscaping. The project was under the direction of Dick Nestlin, BC teacher, and J.D. Hills, director of the Town Parks and Recreation Department. Pictured above is the tree-setting team as they began digging holes and setting the trees.

**Question:**

I was married for several years until divorced recently. My former husband died shortly after our divorce. Do I qualify for any death benefits?

**Answer:**

Apart from any divorce settlement involving insurance and property which are not considered death benefits you may qualify for a Social Security annuity:

1. If you are responsible for the care of your husband's child under age 18.
2. If you are over age 60, were married at least 20 years before your divorce, and were receiving support, or you were entitled by court order to receive support, from your divorced husband

Only if you paid the funeral costs are you entitled to receive the lump sum Social Security death benefit. If you were responsible for these costs and they have not been paid you may assign this check to the mortuary.

The general chairpeople for the fair are Mrs. Ronald Tweedie, Mrs. James Wharton and Mrs. Francis Sheridan.

## Camping Trip

The Ravena-Coeymans-Selkirk Junior High is planning a 24-hour, overnight, educational trip for all Junior High students whose parents will permit them to go. The camping site will be the 4-H camp at Alps, New York.

The students will be divided into teams which correspond to their grade level. Teams will depart and return according to scheduled dates running from May 29 through June 15. School buses will transport the students

from school to camp at 9:30 A.M. the first day, and from camp to school at Noon of the second day. Returning students will complete the school day at the Junior High Building.

The camp facilities include sleeping barracks, modern latrines and showers, an olympic size swimming pool, a recreation hall, and a mess hall. Teachers and selected Senior High school students will be with the Junior High students throughout the day and night. A nurse will be in

attendance for the camping period. Swimming will be supervised by authorized life-guards, and conducted under the buddy system. A full program of instructions will be carried out at the camp.

All expenses for rental of the camp, transportation, etc., will be paid by Student Council funds. The only charge is approximately \$1.50 for 3 meals. Students who are not allowed to make the trip will attend regular session at the school.

## Rotary Speaker

William Gearhardt, chairman of the Business Education Department at RCS, spoke to the Coeymans-Ravena Rotary Club on May 7 about the operation of a new club for students called the Future Business Leaders of America. The Rotarians meet at Bartke's Restaurant, Ravenna, on Monday at 12:15 P.M.

## Good clean-up

Congratulations to the Centennial Belles for their delightful Clean-up and Promenade in Ravena on May 1.

The Bonnie Blue Belles, a very busy chapter, received an invitation to parade in the Albany Tulip Festival this past Saturday.

On May 12, the same ladies will conduct a Travelling Bake Sale through Ravena and Coeymans.

Another chapter, the Trinity Belles, will hold a bake sale at the Coeymans Hollow Methodist Church at 10 A.M., May 12.

## Meeting Changed

Bob Caddell, President of the Selkirk-South Bethlehem Democratic Club, has announced a change in the monthly meeting from May 3 to May 10, at the Selkirk Fire House No. 1, 8 P.M.

The guest speaker will be William Mahoney, candidate for Albany County Sheriff.

## Grange Meeting

On May 23, the Bethlehem Grange will hold its open meeting at the Grange Hall, Beckers Corners. Visitors from the Columbia County Grange will present the evening's program, thematically titled "Opportunity 101," relating to 101 years of Grange activity.

## Seniors Open Store

75 members of the RCS Senior Citizens attended the May 1 meeting in Ravena. Earlier in the day, the Senior Citizens officially opened the Tricentennial Store on Main Street, Ravena.

BEARDS AND MUSTACHIOS on Ravenna men have set the pace for the village's Tricentennial celebration but it was the more than 150 Tricentennial Belles who really got things going last week when they appeared with tools to clean Main Street. Among those taking part were these Fire Belles, above, left to right: Carol Kennedy, Irene Palmer, Mary Jane Vatalaro, Marion Van Wormer, Marjorie Zampella, Pat Snyder and Mary Driscoll. # TRICENTENNIAL

RAVENA SENIOR CITIZENS, under Burton Albright (left) and assisted by Mose Pelton have taken over the operation of a Tricentennial souvenir store on Main St. The store is open daily from 12 to 6 P.M. and anyone making a purchase will receive a ballot to vote for a candidate for a candidate for Tricentennial Queen.

## Wandering & Wondering . . .

**THIS SEEMS LIKE A GOOD WEEK** to talk about pornography. It's a good week because the has-been actress and former Rat Pack moll, Shirley MacLaine, has burst into print by writing the Newsweek column, "My Turn — Eros and the Nixon Administration." She almost professes that she is in favor of all that's what we call "dirty."

Her entire column is written in an attempt to defeat a bill now before the Congress which would attempt to wipe out some of the more flagrant x-rated movies, sex books with their only aim at sensationalism, etc. Miss MacLaine believes that all of this stuff should be made available to everyone — with no laws, no restrictions — otherwise we will lose our "freedom." She makes no comment on what we stand to lose as things stand now.

She says that a government that is beset by the ITT and Watergate messes has no right to assume protection of our youth.

Her reasoning is about as erudite as the heads of the college in the State of Iowa that permits, encourages and flaunts homosexuality among its students by allowing them to have separate clubs, living accommodations and social functions.

It all leads one to wonder just who is sick today? Instead of trying to help those who are physically and mentally ill, we should encourage them to get worse and to infect any others who are on the borderline with whom they may come in contact.

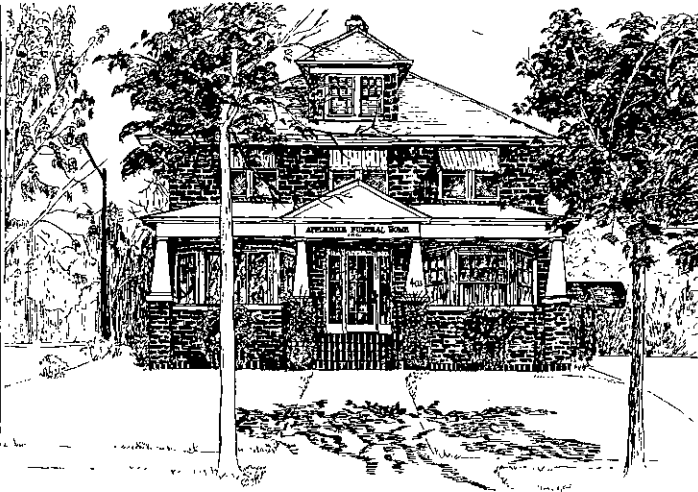

Perhaps these are the types of people who would also condone what is happening in some of our larger cities: young boys are trapped, made to perform abnormal sexual acts, then forced into male prostitution. All this is never reported because the parents are glad to be rid of them. Maybe it can be argued that these things have always been with us: the "smoker" movie, the books that used to be sold from under the counter, and all kinds of perverted prostitution. But this hardly means that now these things have to become a part of our society to the extent that everyone is exposed to them.

Shirley MacLaine's arguments are valid if we also agree that the drunk driver should not be arrested because we are taking away one of his God-given freedoms! Just how stupid does she think Americans are? The editors of Newsweek should receive some kind of award (booby!) for printing such rot!

A suggestion: the Jane Fondas and Shirley MacLaines of this world have sufficient money to purchase several hundred acres of virgin land on the moon and then go there, set up their own degenerate society ruled by degenerates for degenerates. Why don't they do it?

Planned is a drawing with \$50 cash as the prize; the players are also considering the sale of residential and industrial cleaning materials. Other officers elected at the May 3 meeting included Dave Austin, Vice President; Dave Dutil, Secretary; Jim Fuller, Treasurer; Dave Essex, Assistant Treasurer.

The next meeting, the final one for paying the registration fee, will be held on Sunday afternoon, May 20, at 3 in the Bethlehem Public Library. The meeting was scheduled for Sunday in an attempt to get more of the players present.

**THE WRITER OF THE FOLLOWING** letter is upset — and justly so. It was not received in time for us to make any investigation or to check with the Bethlehem Police Department in an effort to get the background information on reported thefts, vandalism, etc. We will do so before the next issue and we hope to have some facts and figures.

Here's the letter:

Dear Mr. Fuller:

I am addressing this letter to you, because I thought you might like to comment on this in your column.

This week our son had his second new ten-speed bicycle stolen. Yes, it was locked, but when he called the police he was told it was probably already in Albany. That it was the work of professionals.

Small comfort when our insurance is \$100 deductible.

There is a wave of vandalism in the town. How do I know? The information comes to me first-hand from the victims themselves when I meet them in the store or at a luncheon or bridge party.

There is also a wave of break-ins, mainly for money, and many believe the "wrong numbers" and the disconnects when the phone is answered are a prelude to such activity.

Why am I writing this to you?

Because I think it is important that the Spotlight carry a column similar to the one now appearing in Albany papers listing the police reports.

I do not think it would lead to paranoia, but I do believe it would alert residents. If it becomes general knowledge that homes are being checked out by vandals and sneak thieves, townspeople will realize it is up to them to take precautions and they will lock their cars so they can't be rolled down driveways; they won't leave a ladder in an unlocked garage so that it makes illegal entry inviting.

Had our son known that professional bicycle thieves were operating in the town, he would never have relied on a bike lock. Any comment?

Tulip exhibits and arrangements will be by the Nature Conservancy, Albany Public Library, Department of Environmental Conservation and the Men's Garden Club.
