The borrow the money for that new car and honk as you go by Loan.

A lot of our customers do you know.

And since we put more people behind the wheel of a new car than just about anybody else around, sometimes it gets a little noisy out in front of our banks seven offices.

Of course we don't mind because the sound of a happy customer is music to our ear.

Come see Community State Bank for your new car loan, you'll find we're good at cutting the red tape and getting you the money you need—fast!

When you get delivery of your new car, be sure to honk your horn as you go by. We'd like to see how great you look in the drivers seat.

We understand how proud a new car can make you feel.

We understand, because at Community State Bank—**People Are Our Business.**

COVER STORY

VOLUNTEER FIREMEN are one of the hardest-working groups we know. They have full-time jobs or operate their own businesses; they provide fire protection and ambulance service 24 hours a day every day of every year; and they pay their own expenses by running fairs and carnivals on top of all the rest. Tops among those who give of their extra time are the members of the Selkirk Volunteer Fire Co. #2. Four are pictured here in front of their Fair sign in Glenmont, I. to r., Harlen Metz, Jr., Richard Hummel, Jack Bailey and Dick Warnken.

The members of the company are completing preparations for the 17th Annual Glenmont Fireman's Fair, which will be held in back of the Firehouse on Glenmont Road, Glenmont, for two weekends starting July 27 and 28 and finishing August 3 and 4.

The friendly firemen have dusted off the various games of skill, added new games, stockpiled a huge supply of prizes and decorated the Fair Grounds, one of the finest in the area, for everyone's enjoyment.

A magnificent new "Cook Shed," a favorite of all who visit the Fair, has been built and will again feature Clams, Hot Dogs, Hamburgers and many other gastronomical delights. Home made pizza, Italian Sausage Sandwiches and your favorite beverages will also be served nightly.

The activities will commence at 7:00 P.M. each night and there will be plenty of supervised free parking available for all at the adjoining Town Squire Shopping Center parking area.

We Need Your Help!

Are you in the middle of spring cleaning and don't know what to do with the things you don't want anymore?

Are you wondering what to do with all the things that are left over from your garage sale?

Do you just have things you want to get rid of because they are taking up space?

The members of SELKIRK FIRE COMPANY #2 of GLENMONT are having an auction this year along with their ANNUAL FIREMEN'S FAIR and in order to make it a successful event we need a large number of donated items. If you feel you can help us please contact either Jack Bailey (463-5979) or Joe Keller (465-3193).

ITEMS desperately needed: furniture, small appliances, antiques, tools, household items, rugs, glassware, anything old, anything new, etc. PLEASE — no refrigerators, stoves, washers, dryers.

Ready to serve you a snack at the Fair will be, I. to r., Don Wigand, Jim McGraw, Harlen Metz, Jr., Nelson Jenks, Dick Warnken, Jack Bailey and Dick Hummel.

Come as you are! Bring a chair or blanket!

LIBRARY NOTES

The July 31 Evening on the Green Program at the Bethlehem Public Library in Delmar will be a showing of Orson Welles' movie "Citizen Kane." The film will be shown at 7:30 on the "green" behind the Library (or in the large community room if Mother Nature threatens).

"Citizen Kane," produced in 1941, is an influential film in movie-making history. It is claimed by some critics that the film is the finest ever pro-

duced — that the technique is excellent, that the acting is superb, and that it is filled with a vitality unparalleled in other movies, both pre- and post-World War II.

The film begins at the end, so to speak, with the death of Charles Foster Kane in a lonely castle named Xanadu. Kane's last utterance is the word, "Rosebud," and it is the search for the meaning of this word that is the basis for the film. The movie zig-zags through Kane's life until finally the significance of "Rosebud" is discovered. Join the reporter in his quest the evening of July 31 at 7:30. There is no admission charge and everyone is welcome.

The Spotlight Goes to School

On Dean's List

Christopher J. Clark, son of Mrs. Janet C. Clark, 19 Euclid Ave., Delmar, has been ap-

pointed to the second semester Dean's List at Nathaniel Hawthorne College, Antrim, New Hampshire.

On Honor Roll

Beatrice Engel, daughter of Mr. and Mrs. Howard B. Engel, 156 Maple Avenue, Selkirk, made the Honor Roll at Westminster Choir College, Princeton, New Jersey, where she is a sophomore.

Graduate

Kevin H. Hughes of 11 Heather Lane, Delmar, received a Bachelor of Arts degree at the May graduation of Boston University's College of Liberal Arts. He majored in political science.

HARD FACTS ON

SOFTBALL

These are the current standings in the Bethlehem Softball League:

	W	L
Elsmerian	8	2
Fireside Tavern	8	3
Van Curlers	6	5
Selkirk #2	5	5
Bradt Plumbing	4	6

Selkirk #1 3 7
D. L. Movers 3 8

It now appears that the league race has just about been cut to four teams with the other three out of the money. The Elsmerian and Fireside keep right on burying their opponents as witness two scores from last week's play: Elsmerian 14, Bradt 1 and Fireside 11, Bradt 5. Pat Brozowski won the first and Kaki Markel the second.

In other games, Ed Reid pitched Van Curlers to a 9-4 win over D. L. Movers; then, two nights later did the same thing as the Curlers beat Bradt 10-4. In the other game, Vic Carrk pitched the Elsmerian to a 17-1 victory over Selkirk #1.

The one-sided victories recorded here had their bright moments: in the five games, there was an average of 20 hits per game; seven home runs with 4 of these in one game; and on the not-so-bright side: 30 errors.

New Agency Location

Burton C. Anthony, Jr., President of Charles B. Clarke, Inc., announces the relocation of his Insurance Agency to 339 Delaware Avenue, Delmar. The new modern location will house an experienced staff of Property and Casualty personnel. In addition there will be a complete Life, Accident and Health Insurance department.

Burton J. Anthony, Jr.

Mr. Anthony, widely known in the insurance industry, is a Certified Insurance Consultant with a broad insurance background. He has been in the insurance field since graduation from college. Mr. Anthony spent several years with the Hartford Insurance Group as a special agent before opening his own agencies in 1967. In addition to his office in Delmar, he has agencies in Schenectady and Troy.

Mr. Anthony is coordinator of the Insurance Agents and Brokers Course sponsored by

Siena College and has been an instructor of the course for fifteen years. He is also a member of the Tri-City Education Council, Independent Mutual Insurance Agents (serving on the education committee), Albany County Association of Insurance Agents, Nathaniel Adams Blanchard Post and is President of the Bethlehem Lions Club.

Mr. Anthony is a Navy veteran having served on a destroyer during the Korean conflict. He is a native of Schenectady and is a graduate of Mont Pleasant High School and the State University of New York at Utica.

He is married to the former Joan Nan Cameron and resides with his wife and three children at 44 Axbridge Lane in Delmar.

for the work of 32 voluntary United Way agencies which include the Albany Area Chapter of the American Red Cross and the 31 agencies of the Albany Area United Fund.

Mr. Heck succeeds Colin W. Getz, chairman of the 1973 campaign. Mr. Heck has long been active in the work of the United Way. In last fall's 1973 drive, as first vice chairman and head of the Pacesetter A division, he was the recipient of the Edward J. Riley Memorial Award in recognition of his division's attaining the highest percent of goal by the closing date of the campaign.

Saving A Child

Mrs. Patricia A. Donahue, 112 Elsmere Ave., Delmar, is sponsoring Joseph Lee, a 12 year old American Indian boy

of the Cherokee Tribe, through Save the Children Federation, an international child welfare organization of Norwalk, Connecticut, it was announced today by Dallas Johnson, Director of the organization's American Indian program. The sponsorship will help provide funds for the clothing, school supplies, personal books and spending money which will enable the child to take part in school activities. The average Indian youngster leaves school before the eighth grade, often for lack of these bare essentials.

Part of the sponsorship contribution will be pooled with funds donated by other sponsors to help the members of the tribe accomplish self-help projects of their own choosing. Indian men, women and young people are contributing all the labor to such projects as building health clinics, libraries and community centers. To combat the language barrier which is considered a major reason why Indian youngsters lag two years behind their non-Indian classmates in school, the Federation often helps tribal communities secure supplies and school materials for kindergartens where English is taught to five-year-olds before they enter first grade.

Model Apartments Now Open

Fonda Del Sol, outside Ravena, Rte. 9W is a new \$10 million dollar apartment development with some 600 apartments in 50 buildings on a 45-acre wooded tract.

The first \$3 million dollar phase of Fonda Del Sol is now 90 percent complete, including some 172 units in 17 buildings.

The developers of Fonda Del Sol are Total Living Concepts, Inc. Peter Seidner, the Fonda Del Sol architect, designed the complex so that residents will have an unusual flexibility of life-style choices.

The model apartments now open are decorated and furnished by Sagenkahn Designed Interiors of Syracuse, New York.

has something to show you!

FONDA DEL SOL APARTMENTS

Sunhouse/Rt. 9W/Ravena, N.Y. 12143 (518) 756-2112

A **TOTAL LIVING CONCEPTS** COMMUNITY

Fonda Del Sol is offering a total of 10 different apartment layouts in one and two-bedroom plans. Some of the one-bedroom apartments have dens and alcoves; many of the two-bedroom apartments have dens and alcoves; many of the two-bedrooms are offered with deluxe additions, such as, family rooms, terraces, dens, foyers and some with combinations of family rooms and terraces.

All apartments have individually controlled heat and air-conditioning, wall-to-wall carpeting, color TV-FM master antenna outlets, all-electric kitchens including self-cleaning ovens, choice of wood-burning fireplaces, spacious closets and storage areas, plus all utilities are included in the rental.

The developer's site selection, outside Ravena on Route 9W, was influenced by Ra-

vena's community assets seen as beneficial to the Fonda Del Sol residents. Among the assets are good schools, both water and sewage systems planned to meet growth needs until the year 2000, good Ravena fiscal stability, bus service, a large supermarket within walking distance, nearby shopping centers, plus a soon-to-be-opened savings bank.

Fonda Del Sol developers see Ravena emerging as the regions next growth area.

The specific apartment location possesses a rare site beauty. Fonda Del Sol's apartment complex was placed in a beautiful natural woodland environment. All natural contours were retained to preserve the developments quiet outdoor character. Not a single tree or rugged boulder was removed for the convenience of construction. Entrance-ways wind naturally

JOHN CASTIGLIONE, Pres. of the Bethlehem Tomboys Softball League, presents Mr. & Mrs. Bertram E. Kohinke with tickets to a benefit softball game to be held on July 28, at the Middle School at 2 P.M. The game will be between the managers and coaches of the league and the WOKO Saints. The benefit is to raise funds to purchase land for a softball field for the girls.

to the apartment homes; meandering thru clumps of trees. Windows overlook picturesque settings.

Fonda Del Sol's recreation center, called the Sunhouse, will provide residents with a wealth of social and recreational advantages by giving each resident an opportunity to select programs best suited to their individual life styles.

The Sunhouse, a two-story recreation center, unusual in design, is even more unusual in the way it will be utilized. Ronald Leonard, a recreational consultant to the housing profession, who is also Fonda Del Sol's Social Director, has developed for the Sunhouse, a pilot program serving as model for national social and recreational programs.

Under Mr. Leonard's direction, the Sunhouse will be fully equipped to serve as the center of a fresh, active life style providing residents with a full sense of community involvement.

The Sunhouse spreads its

activities and athletic facilities over two floors. The second floor design provides a friendly atmosphere for larger parties, plus a kitchen and bar area for refreshments and dining. This area is also the main meeting area for activities such as card playing, chess, lectures and has a stage for performers. On the other side of the second floor is the resident Social Director's office, and another cozy room which serves as card room and library. This overlooks the indoor/outdoor pool.

The first floor Health Club boasts of a four-wall handball court, unique for any complex, plus men's and women's saunas, a fully equipped exercise room, indoor golf-driving range, a year round indoor pool. There is also a therapeutic whirlpool bath in the pool.

The other first floor Sunhouse activities are billiards, a ping-pong room, power tools and a ceramic kiln in the work-

SPOTLIGHT PUBLISHER ROBERT KING chats with advertising agency executive Dave DePorte at the Capital District Chapter, National Multiple Sclerosis Society. Open House held recently at the organization's new offices at 8 Colvin Avenue, Albany. The new telephone number is 459-5118.

Meyers Funeral Home

439-5560
DELMAR, N. Y.

Question:

Why should I call your Funeral Home instead of another — aren't all funeral homes about the same?

Answer:

The C & O Railroad once rejected surveyor George Washington's bill for \$300 with instructions that it be returned itemized. Washington re-submitted the following itemized bill — nails and stakes \$5.00: knowing where to put nails and stakes \$295.00.

It is true that all mortuaries sell caskets: here the similarity between them ends. The casket in a funeral service can be purchased from any mortuary, but it is the professional skill of the funeral home personnel and their knowledge of your needs that makes the big difference.

At the Meyers Funeral Home experience incorporated into our professional staff is your assurance that we are qualified to serve you. Our mature awareness of your benefit rights as well as your civil and religious responsibilities is the distinguishing factor that sets us apart from other mortuaries.

shop plus a photography dark-room.

At the Sunhouse there will be a continual schedule of programs including parties, art exhibits, wine-tasting, bridge games, chess, lectures of popular interests on styles in all different areas, and a Fonda Del Sol monthly Newsletter.

Fonda Del Sol's Sunhouse presents only half the recreational facilities; outside there is a tennis, badminton, volleyball, and basketball court available. The playground for children features imaginative games and equipment.

There are many wooded jogging paths, plus small ponds for winter ice skating, all on the developments 45 acre tract; adjacent to the Greene County borderline with Albany County.

Recreational activities do not stop at Fonda Del Sol. Developers have arranged for free social memberships at Sycamore Country Club, and golfing privileges are available.

Area Missionaries in Pageant

When the world-famous Hill Cumorah Pageant is presented at Palmyra, New York,

July 27, 28, 31 and August 1-4, two young Mormon missionaries of this area will be in the cast.

The missionaries are Elder Alan Holt, 20, of Evanston, Wyoming, and Elder Rick Roberts, 20, of Ridgecrest, California.

Both representatives of The Church of Jesus Christ of Latter-day Saints have been meeting with families of the area over the past weeks to announce this year's performance dates. Invitations have been extended to the public to attend one of the nightly performances of the annual summer theatrical.

Elder Holt has attended college in Rexburg, Idaho as well as assisting at the Wyoming State Hospital in alcoholic counseling. He has also represented the church in Lockport and Penfield.

Elder Roberts has attended one year of study at Bakersfield Junior College in California along with working at Wilderness World as a professional boatman.

"It will be a great thrill for us to perform in the Hill Cumorah Pageant," the missionaries said. "First of all, the

Pageant itself with nearly 600 in the cast on 25 stages an exciting spectacle. It tells the story of an ancient American civilization which Mormons believe existed from 600 B.C. to 421 A.D. Kings, prophets, angels, warriors and savage Indians are seen as the production moves from climax to climax.

"As the drama comes to an end, Christ is seen appearing to his followers in the New World, as foretold in the Bible."

"We expect to be appearing before a total of about 100,000 spectators for the week of the Pageant."

Big Night

The evening had the excitement and spirit of all those fun days rolled into one — New Year's Eve, the Mardi Gras, the Rose Bowl Parade and the fantasy of the Arabian nights.

And 16,000 "losers" savored every magical, winning moment.

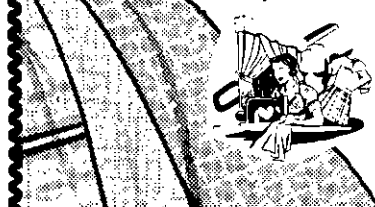

The event: The 10th Anni-

versary celebration of Weight Watchers International, Inc. in New York City's famed Madison Square Garden. Members of Weight Watchers from this area and from around the world attended the spectacular birthday party on June 11th, and delighted in the performances of Bob Hope, Pearl Bailey, comedians Ruth Buzzi and Charles Nelson Reilly and soprano Roberta Peters, according to Marilyn Winig, Area Director for Weight Watchers in the Capital District.

But the rafters of Madison Square Garden shook as never before as a radiant and ebullient Jean Nidetch, founder of the Weight Watchers Organization, stepped into the spotlight.

Mrs. Nidetch, the "formerly fat housewife" who went from a 214-pound brunette to a dazzling 142-pound blonde, was a veritable Cinderella in a magnificent drift of apricot chiffon. The thousands of faithful who surged for-

ward to touch her or ask for even eye-contact turned Mrs. Nidetch into the unquestioned star of the party.

She signed autographs, waved to the far corners of the Garden and flashed her warm and winning smile to people who came to pay homage to the one-time Queens housewife who has inspired millions to be losers and to love it.

Music in the Hills

An evening of chamber music with works by Franz Schubert and Michael Finckel will be presented at The Institute on Man and Science on Friday, July 27, at 8:15 p.m.

Celloist Ingrid Porter and a chamber group will be the guest artists in this third Friday night recital which will be held in the Guggenheim Pavilion on The Institute's Rensselaerville campus.

The program is open to the public and there will be no admission charge. Entrance to the campus is off Route 85 in Rensselaerville.

A Friend Indeed!

The Board of Deacons of the Delmar Reformed Church is enlisting community help in aiding the relocation of an Asian family driven out of Uganda by racial and political pressures.

Sadrudin Jakhra, a 26-year-old shopkeeper and office manager, is living with his wife and three small children in a refugee camp in Italy awaiting passage to the United States under the refugee relo-

cation program of the World Council of Churches.

Although all five were born in Uganda, the Jakhra's are of Indian ancestry. Last year the Uganda dictator, Gen. Idi Amin, ordered the expulsion of an estimated 80,000 non-African citizens of his country.

Jakhra left Uganda in November with his wife, Sayieda 24; their two sons, five-year-old Karim and four-year-old Mahebur, and their year-old daughter, Rozila. At the time, the daughter was less than four months old.

In December, Jakhra's sister, Gulshan Jaffer, and her husband, also named Sadrudin, settled in East Greenbush with the aid of the Greenbush Reformed Church.

The Jaffers have become so well established that they plan to take in her teen-aged brother and sister who will be arriving in the United States with the Jakhra's.

The Delmar church accepted the challenge of sponsoring the Jakhra family after receiving word from its denominational leaders that additional families would be arriving this summer.

"We feel this is an opportunity for our church, and our entire community, to display real brotherhood and show that we do have a sense of mission," said the Rev. David L. Cooper, pastor of the Delmar church.

"When our deacons met to discuss whether to help this

BAILEY'S GARAGE

Phone Delmar HE 9-1446
Oakwood Rd., Elsmere

family," Rev. Cooper added, "no one questioned whether such an undertaking was possible or impossible. The only question was where we should start."

Coordinator of the project for the Board of Deacons is Robert Shaw of Elsmere, who said the first task would be to find a place for the family to live. The second task will be to find work for Jakhra, who has had five years experience as a shop manager and more than two years as staff manager for an insurance company.

The church has begun taking special offerings each Sunday to help defray expenses the family will encounter until it becomes self-supporting.

Anyone wishing to aid the church in the project is asked to contact Rev. Cooper (439-9929) or Mr. Shaw (439-0674).

Free Exhibits

Over 190 free agricultural exhibits will be among the many attractions at Empire Farm Days '73, at the Teaching and Research Center of Cornell University's Animal Science Department, Route 38, just south of Dryden.

The show, which is sponsored by the Empire State Potato Club, is the largest outdoor agricultural exhibit in the Northeast. It will be presented August 7, 8 and 9, and will be open daily from 9:00 a.m. to 4:00 p.m. Other cooperating organizations include Niagara Mohawk Power Corporation, New York State Electric and Gas Corporation, "American Agriculturist," New York State College of Agriculture and Life Sciences, Rochester Gas and Electric Corporation, and the Cooperative Extension Services of Cortland and Tompkins Counties.

Featured throughout the three-day show, which attracted nearly 70,000 visitors last year, will be various displays of chemicals and fertilizers, seeds, grain, and feed; acres of demonstration plots; and daily demonstrations of field machinery.

Continuous daily activities for visitors include tours through the Cornell University Animal Science Teaching and Research Center, bus tours to the nearby Dairy Research Center, and illustrated talks on timely agricultural subjects.

For the ladies, there are programs of particular interest to the housewife. These include a fashion show, demonstrations on cooking with wine, wig demonstrations, and a talk on the women of India.

Awarded His Master's

Henry Radzyminski, a local architect, has received a Masters Degree in Public Administration from the Graduate School of Public Affairs at State University of New York at Albany.

Henry Radzyminski

He achieved this degree in two years something of a record considering Hank is employed full time as an architect with the Department of Mental Hygiene. Hank, a native Albanian, graduated from Albany High School and received his Bachelor of Architecture degree from R.P.I. Upon graduation he was commissioned a lieutenant in the Corp of Engineers. After his discharge he joined the State Architects office and contributed to the designs of the State Office Building Campus Complex on Washington Avenue, the planning of which won a national design award from the magazine "Progress-

sive Architecture" in 1961.

Hank, his wife Fran with their children Renee, David, Edward, Steven, and Eric reside at 169 Murray Avenue in Delmar. In his spare time Hank manages in the Tri-Village Little League, is an officer of the Polish-American Club, and a past officer of the Eastern New York Chapter of the American Institute of Architects. The Institute is committed locally to implement the national organizations policies on upgrading the quality of the environment for all citizens. With his new sheepskin Hank should be an asset to the state, the institute, and the community in this endeavor.

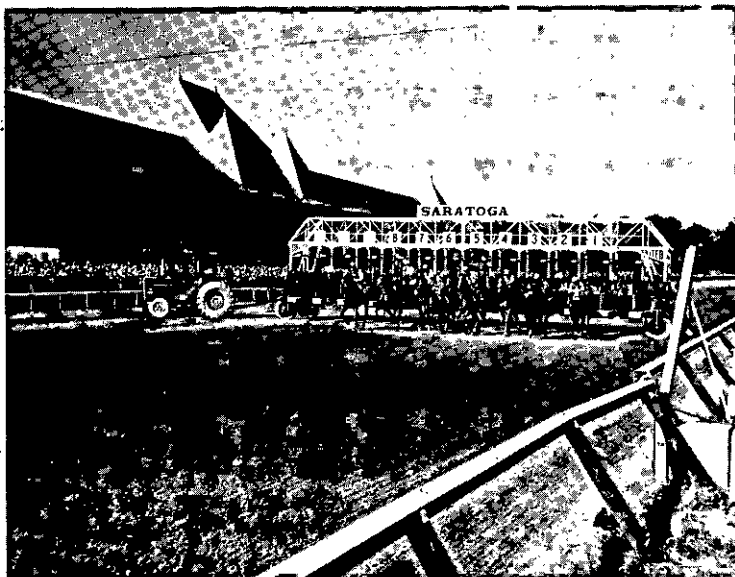

It's Here Again!

Once upon a time — 111 years ago, to be exact — thoroughbred racing first came to Saratoga. This upstate spa was then already in its heyday as a mecca for the elite, who came to take the waters, promenade in leisurely fashion on its tree-shaded avenues, enjoy

a dizzying round of social events and watch the horses in action.

Though many things have changed in our world through the years, Saratoga retains the

essence of its old fashioned charm. It is still possible to drink from the mineral springs and dunk in the mineral baths, the society world still considers it the place to be in

Things move into high gear at Saratoga Monday, July 30, at 1:30 P.M. when the thoroughbreds leave the starting gate at the famous race course to begin exciting 24-day meet. There will be many outstanding horses competing here, including the biggest star of them all, Secretariat, who is expected in the \$100,000 added Travers Stakes on Saturday, August 18, and possibly in the Whitney or Jim Dandy earlier as his prep for the prestigious event.

THE OLD AND THE NEW — Miss Wendy Kendall, Albany County Dairy Princess, visits old farm machinery room at the Town of Berne historical exhibit at the Town Hall. Nine other "rooms of history" are open to visitors each weekend during the summer. Wendy lives with her parents on a dairy farm in East Berne.

August, and the gleaming thoroughbreds continue to run with astonishing speed. But the spa has moved with the times and, while the ancient trees, rococo summer "cottages," historic landmarks, and famous race course remain, it is very much "now" in terms of tempo and accommodations.

High point of the summer season is the annual 24-day

meet at Saratoga Race Track, which will be in session from Monday, July 30, through Saturday, August 25. An exciting calendar of stakes events has again been scheduled by the New York Racing Association and many of the country's top thoroughbreds are heading in this direction to vie for the splendid assortment of purses. Breakfast on the porch of the famous grandstand to watch the horses in their work-

Crowds at the rail and in the famous Saratoga grandstand will soon be cheering their favorites to the finish line. This was the scene last year when Key to the Mint took the \$100,000 added Travers Stakes, top jewel in the upstate racing calendar. There are nine races each day, Monday through Saturday

outs is a favorite tradition here.

Racegoers will most likely have an opportunity to see Triple Crown winner, Secretariat, in one of his few remaining races before being retired in the Fall. The champion may run in the Whitney on Saturday, August 4, or possibly the Jim Dandy on Wednesday, August 8, as a tuneup for the \$100,000 added Travers Stakes, Saturday, August 18, the most prestigious contest on the agenda at the "Capital of Thoroughbred Racing."

While racing is the drawing card for many here during the month of August, there are raft of other colorful features that bring visitors flocking to the spa year after year.

The Saratoga Performing Arts Center is the permanent summer home of the Philadelphia Orchestra, under the direction of Eugene Ormandy, which will be in residence here from August 1st through 25th. Guest conductors will include Frubek de Burgos, Andre Kostelanetz, Seiji Ozawa and Roberto Benzi. Some of the feature soloists will be Andre Watts, Isaac Stern, Van Cliburn, Benny Goodman, Patricia McBride and Edward Villella, and Frederica von Stade, granddaughter of the late F. Skiddy von Stade, who was a well-known horseman in this area for many years.

A diversified program of special events has been scheduled by the Saratoga Performing Arts Center during this period with one night stands by the Sha Na Na, Liberace, Glenn Campbell and Ed McMahon, among others. The City Center Acting Company is also in residence here until August 18th with a program of favorites and, to top things off, there's a film festival of oldies.

Want fresh air and exercise? Then take to the Saratoga Spa State Park, an outstanding complex of health and recreational facilities on a 1500 acre landscaped tract. It in-

cludes swimming pools, tennis courts, picnic areas, a 9-hole golf course and an 18-hole championship golf course and a summer theatre. Nearby Saratoga Lake also offers boating, water skiing, amusement parks, swimming, and fishing.

For those with a historical bent, the Saratoga National Historical Park is a treasure. It marks the spot where the turning point of the American Revolution took place. There's a museum here, special exhibits and demonstrations, and visitors can travel over nine miles of tour roads around the battlefield. The Saratoga Battle Monument is located in nearby Schuylerville where one can travel up 184 steps in the 155' shaft for excellent views of the surrounding countryside.

Airport Hotel Opening

Americana Hotels will operate a new 188-room luxury motor hotel, to be named the Americana Inn, near the Albany (New York) Airport, James R. Heimbaugh, Jr., President of the international hotel subsidiary of American Airlines, announced today.

Scheduled for a November opening, the nearly-completed hotel is located at the Northway exit to the Albany Airport — with easy highway and airport access — an "enviable location," said Mr. Heimbaugh, for both business and pleasure travelers.

Design features and facilities of the Americana Inn, he pointed out, are "unmatched" by any other motor hotel in the Albany region.

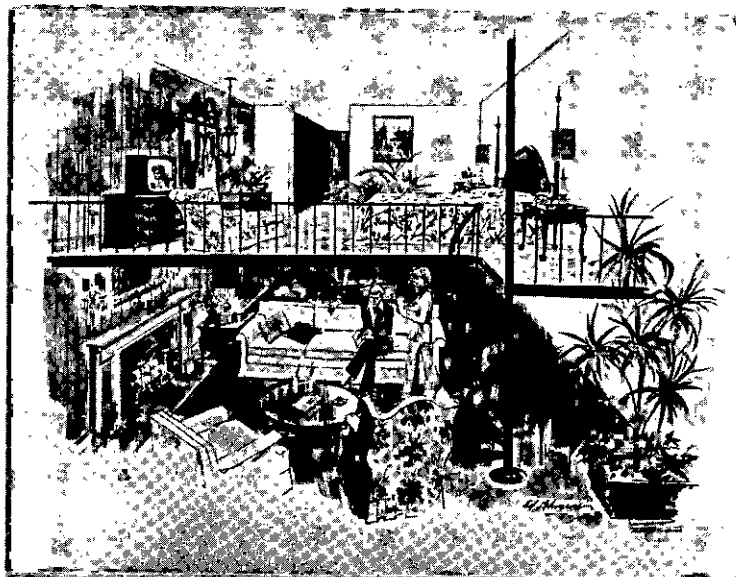

"Besides its convenient location for travelers of any description," said Mr. Heimbaugh, "meeting groups especially will find the Americana Inn in Albany offers hotel amenities in a motor inn environment. Yet it is also a hotel in the true sense," he said, "because every room opens to an inside corridor."

The Americana Inn, Mr. Heimbaugh added, is unique in appearance — an overall Colonial design, highlighted by a central plaza reminiscent of a village square, within the two-story hotel structure.

Guests, he said, will find a pool for year-round swimming within the spacious landscaped courtyard, all of which is completely sheltered by a moveable skylight. Shops, restaurants, saunas and public rooms will border the enclosed garden and pool area.

Steak Roast

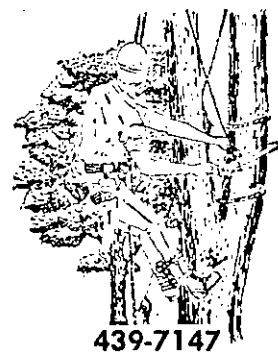

The Bethlehem GOP will hold its Annual Outing and Steak Roast on Wednesday, August 15, at Murray-Jennex Park. Tickets are available from GOP Committeemen or Merwyn Atwood, 409 Delaware Avenue, Delmar. 439-5720.

The Official 1973 United States Bicentennial Medal and Stamp Commemorative

Available July 4-July 31, 1973

This may be your *only* opportunity to own the official 1973 Bicentennial Philatelic-Numismatic Commemorative (PNC)—four postmarked stamps and a bronze medal.

Revenues derived from the sales of the Bicentennial medals will be used to provide matching grants to state, local, and non-profit groups to finance specific Bicentennial projects.

The American Revolution Bicentennial Commission—in cooperation with the United States Mint, is offering this PNC only through July 31, 1973.

The medal, second in the national series, is authorized by the Congress and approved by the President of the United States. It was struck by the U.S. Mint in honor of Samuel Adams and Patrick Henry, who were largely responsible for the formation of the Committees of Correspondence which began to appear in 1772.

The four 8¢ stamps, accompanying the undated bronze medal, each represent a vignette of the Boston Tea Party and together form a composite print of the incident. Each PNC is postmarked in Boston on July 4, 1973, the first day of issue of the Tea Party stamp.

Mail the following order form, together with a check or money order for \$5.00 per PNC order, to:

ARBC
Post Office Box 1976 P
San Francisco, California 94101
Include your name, address,
and zip code.

Scholarship Money Needed

Because some people have cared, many young people in our rural-suburban-urban community have been able to share in the work, learning, fun experience offered for three weeks in August at the Heldeberg Workshop. The Scholarship Program, working now for five years, is re-evaluating its approach and doubling its efforts to reach more students in rural, migrant and inner city areas who may benefit from the program. This year each student on scholarship will be interviewed to help him choose the activity best suited to his abilities and interests. In this expanded effort we look to you, as a person interested in people and in the enrichment of our community living, to give your support to these students.

The cost of a scholarship, which includes registration, tuition, materials, direct bus transportation, and field trips, is \$65.00. Your contribution of a full or partial scholarship will be highly valued by the students. All contributions are tax deductible.

The request for community support for scholarships this year is later than in the past due to a re-organization of committees. As a result of this and the interest built up through the years there already are many more applicants needing scholarships than there are funds available. Please help and send your check, payable to the Heldeberg Workshop Scholarship Fund to: Heldeberg Workshop, Voorheesville, N.Y. 12186.

Dist. Governor Here

Donald G. Brossman of Delmar, governor of Rotary International District 719, will speak to the Delmar Rotary Club on July 31 at Schrafft's according to an announcement by Robert L. Carr, president of the local club.

Mr. Brossman provides help and instruction to 42 Rotary Clubs in a nine-county district in Eastern New York and serves as liaison between them and the organization's

Donald G. Brossman

headquarters office in Evanston, Illinois.

New Pastor

The Reverend David P. McDowell has accepted a call to the position of minister of the Bethlehem Community Church.

Reverend McDowell, who has served as the interdenominational Delmar church's associate minister for the past two years, thus becomes its second minister since it was formed in 1966. The first, Reverend Arthur E. Gay, Jr., recently accepted a call to pastor South Park Church of Park Ridge, Illinois, and has begun his duties there.

Reverend McDowell is a graduate of Niskayuna High School, Wheaton College in Illinois, and Gordon-Conwell Theological Seminary in South Hamilton, Massachusetts.

An outstanding high school and collegiate athlete, the new Bethlehem minister was a three-sport star in football, wrestling and track at Nis-

Rev. David P. McDowell

kayuna High, and an Illinois All-State football player and a Little All-American wrestler at Wheaton. He was named football team captain two years and team most valuable player two years at Wheaton. During his first year at Gordon-Conwell, he won the New England AAU Wrestling-Tournament.

Reverend McDowell was pastoral advisor for the recently-held eighth annual Bethlehem Christian Workshop, sponsored by Bethlehem Community Church.

News of the Lions

As you know, the Lions are totally involved in community service genuinely helping one person, a group of people or an entire community — the needy, the sick, the elderly, the lonely, the handicapped and the under privileged.

Among the more visible Lions services are sight and hearing programs: Sight services include — eye banks, service to the partially sighted,

orientation and mobility, employment, social and recreational services, and the operation of detection clinics for glaucoma, diabetes and amblyopia. Hearing services include: bone banks, assistance for those suffering partial auditory loss, public information, interpreting services for the deaf and employment and detection programs.

But Lions involvement is not limited to this: It includes such diverse community concerns such as the donation of oxygen equipment to a young asthmatic child as his life support; the operation of buses, escorts and chauffeuring for the community's senior citizens; the installation of a large-print dictionary in the public library for use by the visually handicapped; and many, many other needed services.

As you can see, the basic function of the Lions clubs (non-political, non-sectarian and not for the profit of the individual club or its individual members) is service; the Lions credo is "we serve." To help finance and fulfill this function, clubs ask the public to purchase an infinite variety of products. This public support is sought, and given, on the mutual understanding that the net funds raised will go to fill community needs.

The Lions involvement, service and action takes time and effort. The cost to sustain and extend existing community services and develop newly need-

ed programs requires money: The Lions — and your community — need your help and it's needed now.

Three area Lions Clubs (the Albany Host Lions Club, the Guilderland Lions Club and the Bethlehem Lions Club) have joined together in a common fund raising activity.

Each Lion member will solicit area business firms and companies for material or product donations, e.g. an automobile dealer may contribute the use of an automobile for 30 days, a men's haberdashery a \$25.00 gift certificate for exchange at his store. The possibilities are almost limitless. There is only one caveat: No alcoholic beverage product (whiskey, wine or beer) can be accepted as a donated product or through a gift certificate.

In any instance, a cash or check donation will be accepted.

All of the materials, products, certificates, cash or check donations are considered as charitable donations and are tax deductible.

All of the material, products and gift certificates will be auctioned at the Altamont Fair grounds from a Lions booth maintained from 9:00 A.M. to 11:00 P.M., August 13 (Monday) through August 18 (Saturday). The auction will be conducted by the announcers of radio station

WHRL (FM-103 on the dial). The auction will take place each evening from 6:30 P.M. to 9:00 P.M. each day of the Fair and bids will be received and accepted over telephones manned by Lions at the Lion booth. In addition, bids will be accepted from the one million visitors to the Altamont Fair (the Altamont Fair is second in attendance only to the New York State Fair in Syracuse).

The name of the donor business, its location and donation will be mentioned over the air by the announcer — repeatedly — during the course of the auction.

1. Donations with a retail sales value of from \$10.00 to \$50.00 will receive \$50.00 worth of business publicity during the course of the auction.

2. Donations with a retail sales value of from \$50.00 to \$500.00 will receive business publicity commensurate with their retail sales value.

3. Donations with a retail sales value of over \$500.00 will be bid on during the entire week and will be auctioned off on the last day of the fair (August 18 — Saturday).

4. No final bid less than 75% of the retail sales price will be accepted. If less, the donated item will be returned to the contributor.

5. Donations in cash or check form will receive radio

publicity commensurate with the value of the gift.

6. Each donor's name, address and donation will be posted at the Fair's Lions booth and will be highly visible to visitors.

Ravena-Coeymans-Selkirk

By Larry & Sandy Martone

767-3477

Model Plane Buff

The Coeymans-Ravena Rotary Club had as its speaker this past week Dave Kellowitz of Spancrete who is also a model plane fan. Mr. Kellowitz gave a talk and an example of a special circular wing plane model. His model has been variously named the Flying Pancake and Flying Saucer: in reality it is labeled

"Panaflight." According to Mr. Kellowitz the advantage of building a circular wing plane is a very simple one — it is much smaller in length than straight wings which can run anywhere from 30-50 feet. In addition, the circular wing offers better maneuverability than conventional aircraft. The model which Dave brought for Rotarians to view, traces back to some work done by Herb Kissinger some 14 years ago.

The Rotarian calendar has the following events listed:

- Tuesday, July 24 — Steak Dinner at Camp Rotary
- December 8 — Christmas Party
- December 16 — Old-Timers' Dinner
- Mar. 23 — Ladies' night
- June 15 — Installation Dinner

Steak Roast

On Sunday, July 29, the Selkirk Fire Company will hold its annual Steak Roast for firemen and their guests at the Fire Station on Maple Avenue in Selkirk.

Officers Elected

At their July 17 meeting, the RCS School Board elected its officers and appointments were also made. Prescott D. Archibald was re-elected school board president and Howard Engel of Selkirk was re-elected vice-president. Appointments were as followed: District Treasurer, Robert Mayo; District Clerk, Charles Emery; Tax Collector, E.

Jean Hoffman; School Physician, Dr. Norbert Ringelman; Legal Counsel, Simeo Gallo; Attendance Officer, David Dev-

itt; insurance advisor, Frank Stoltz.

Census takers were also appointed for the following year.

IN KEEPING WITH Welcome Wagon's interest in Civic matters, Adele Strickland, Hostess for the Village of Ravena, Town of Coeymans, presents Mrs. Raymond Bailey, wife of the Mayor of Ravena, and Mrs. Ralph Pape, wife of the Supervisor of the Town of Coeymans, information prepared by the New York State American Revolution Bicentennial Commission from the "MOST FAMOUS BASKET IN THE WORLD."

Wandering & Wondering . . .

THE URBAN MEDIA HAS CARRIED so many stories about the "so-very-poor-record" of Owens-Corning at its plant in New Jersey that we thought it only fair to present the picture from the point of view of Barrington, New Jersey's first citizen, the mayor. Here is that letter:

BOROUGH OF BARRINGTON
MUNICIPAL BUILDING
BARRINGTON, N. J. 08007

July 16, 1973

Mr. B. E. Kohinke, Town Supervisor
Town of Bethlehem
393 Delaware Avenue
Delmar, New York 12054

Dear Mr. Kohinke:

It has come to my attention that, in connection with an interest on the part of Owens-Corning Fiberglas Corporation in locating in Bethlehem Township, a number of negative comments have been made about the Barrington, New Jersey plant. I feel an obligation to offer my views on the association which our community has with Owens-Corning.

As both a resident and Mayor of Barrington, I feel that from an overall community standpoint, we are fortunate to have Owens-Corning in our area. The plant has been a constructive force in the community, and the company has demonstrated that it recognizes its responsibilities as a citizen of the community. Their employees participate in community activities. The plant management is receptive to community requests, and the plant does more than its share to help meet local needs.

Like many plants in New Jersey which were designed and built before today's more rigorous environmental standards were in effect, the Barrington plant and the State of New Jersey have had differences to resolve. However, the inference should not, I repeat, should not be made, that the Barrington plant has been unresponsive to its environmental responsibilities as a citizen in our community.

As community environmental standards have been tightened over the years, the Barrington plant has spent many millions of dollars to install equipment to improve their environmental performance. I know it to be a fact that, in many cases, the company has had to develop its own type of control equipment in order to make these improvements. I also know it to be a fact that the local plant receives ongoing support of technical personnel from the Corporation's research facility in order to further refine and improve the plant's environmental performance.

As such, the Barrington plant deserves to be cited for its responsiveness to its environmental obligations. There has been no degradation to the immediate environment as a result of the plant's operation. The attitude of the community is overwhelmingly favorable toward the company. I know that when important changes are scheduled to take place, the plant activates a program of special visits to its nearby neighbors in order to explain these changes and their effect.

If my experience as Mayor of Barrington is typical, Bethlehem Township is indeed fortunate that Owens-Corning has chosen to locate there.

Sincerely yours,

Mayor E. F. Schuck
Borough of Barrington, New Jersey

Your "Good
Neighbor"
for

WANDERING & WONDERING (continued)

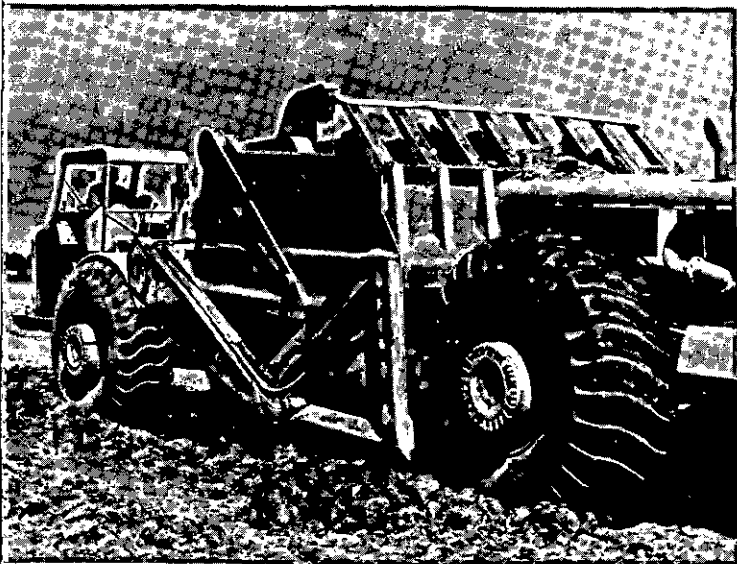

HERE'S ANOTHER NICE LETTER — the kind that people so often neglect to write! Thank you, Mrs. Baume.

Dear Sir:

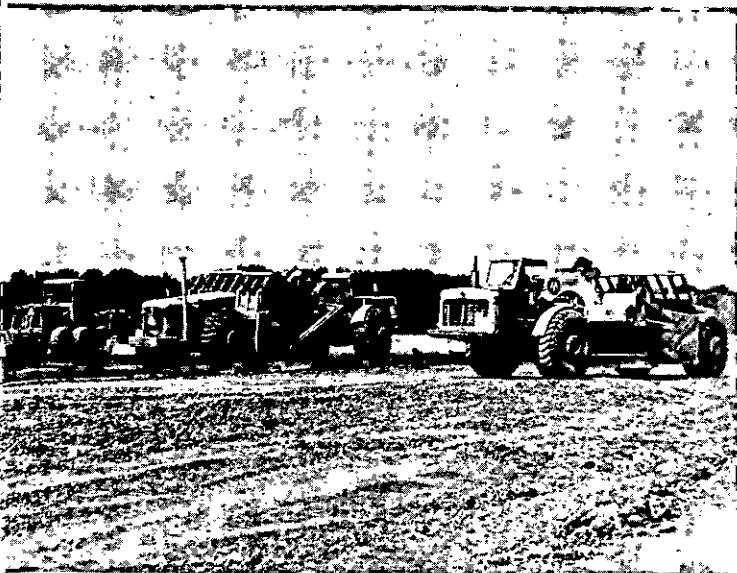

I wish to commend and praise the members of the staff of the Town of Bethlehem Elm Avenue Park swimming pool. Their courtesy, kindness and friendliness have enhanced this excellent facility in this, its first summer of operation.

The new pool and the people who make it a fine place for the young (and not so young!) together are a credit to our town.

Sincerely,
Olga Baume

A WORM'S-EYE-VIEW OF WHAT THIS BEHEMOTH must look like to the small creatures on the ground. The scene is the site of the proposed Owens-Corning Fiberglas plant on Route 32 in Feura Bush as James H. Malloy, Inc. moves dirt and levels the ground. In the picture below, three of the huge machines cross the site in preparation for the multi-million dollar factory complex. Jim Fuller Photos

community corner

IT'S GLENMONT FAIR TIME

What: Selkirk Fire Co. #2 Firemen's Fair

When: Friday & Saturday, July 27 and 28
Friday & Saturday, August 3 and 4
Starting at 7 P.M. every night

Where: At the Firehouse, Glenmont Road, Glenmont.

This is probably the biggest firemen's carnival-fair in the area. The men have built a brand new cook shed where there's a Clam Bar, Hot Dogs, Hamburgers, Homemade Pizza, and Italian Sausage Sandwiches for sale. Everything is bigger than ever with all kinds of games with the usual prizes. And the money is used to help defray fire company expenses during the coming year.

BLOOD-GIVING TIME

What: Bloodmobile

When: Tuesday, July 31, 10 A.M.-4 P.M.

Where: St. Thomas School, Kenwood Avenue, Delmar.

Every day of the year, blood is needed to save lives. The Tri-Village-Spotlight area residents are urgently asked to contribute a pint of this life-saving fluid.

Community Corner, a public service column of important community events, is sponsored by the people of the
