Come Celebrate With Me Our New Elsmere Office Grand Opening

What possible better way to celebrate a day in May—any week day in May—than with a **free checking account** from your newest Union National Bank at 193 Delaware Avenue in Elsmere? Qualify for our Charter Check Credit program and qualify for free checking, free checks, automatic personal loans. It's just part of our promise to bring you innovative community services, like Rent-A-Kid, or innovative people services, like Fly Now/Pay Never. Yes, come celebrate with us...

With Premiums You have a bean-bag full of choices when you open a checking or savings account as follows:

- \$100 or more, select a Lux Electric Clock or handsome picnic jug.
- \$500 or more, select an always useful Thermal Blanket or Tote Bag.
- \$5,000 or more, select a Clock/Radio or superb Traveling Garment Bag.

Free Flower Seeds Every customer will receive either a package of Giant Zinnia or Marigold flower seeds absolutely free. And remember, Union's Jack—the Giant Killer with the Green Thumb—picked out these seeds personally:

Students Participate at Ward's

Distributive Education students at Bethlehem Central High School have had an opportunity to engage in practical applications of their classroom theory.

On Tuesday, May 7, William James and Wallace Reed spent the day at Montgomery Ward's creating a prize-winning display. They were assigned to the appliance department to develop a display of electric fans for the summer selling season. Their efforts won each of them a pair of sunglasses.

On Wednesday, May 8, Lisa Beckett, Adrian Brisee, Joseph Dottino, Sue Jenks, Wayne Keezer, Julie Lindell, Julie Patterson and Laura Ruff spent the entire day at Ward's as BCHS representatives to DECA Day. Each student spent his time in a different department, actually getting an opportunity to participate in the activities of the department. Lisa Beckett was in fashions; Adrian Brisee and Joseph Dottino were assigned to housewares; Sue Jenks spent the day in the advertising department. Wayne Keezer sold sporting goods, while Julie Lindell worked in intimate apparel. Julie Patterson was assigned to the garden and pet shop; and Laura Ruff worked in the catalog and gift wrapping department.

These students are completing a two-year distributive education sequence taught by Robert A. Pierson, Coordinator of Distributive Education.

Test Results

In April the senior business education students at Bethlehem Central High School took the New York State Civil Service Examination in the Stenographer-Typist School Program of the Albany Area Department of Civil Service.

Spelling, typing and short-hand tests were administered. The results have been received by Merle E. Miller, Chairman of the Business Education Department of BCHS.

Rita Bassani led the list with a 100 percent grade as

her final steno mark. Other qualifying stenographers are: Anita Carroll, Lynn Cook, Dianne Gaudette, Janet Gulizia, Kim Houck, Skye Joslin, Kristine Klein, Maureen Reeves and Mary Ellen Tuck.

Those who achieved Typist ratings were: Laura DeFlumer and Margaret Fitzgerald.

Westervelt Attends Conference

Mrs. Margaret H. Westervelt, a business teacher at Bethlehem Central High School, attended the 22nd Annual conference of the Business Teachers Association of New York State in Syracuse on May 10-11, at the Hotel Syracuse.

This year's conference centered around the theme, "Problems in Business Education . . . Not What, But How."

Exhibits of the latest in textbooks, teaching materials and equipment for business education were an important part of the conference. Section meetings were held covering a variety of topics, including "Preparing for Employ-Abilities," "Teaching Modules for Consumer Education," and "Teacher Evaluation."

Forthman on Dean's List

Deborah Lyn Forthman is one of 1300 students at the University of California, Riverside, who have been placed on the Dean's Honor List following completion of the 1974 Winter Quarter in March.

Students named to the list have maintained at least a "B" average in all work undertaken at the University and, during the recent quarter, have finished a minimum of 12 units with no grade less than a "C."

Band Program

This is a reminder that a summer evening band program, co-sponsored by the Town of Bethlehem and the Bethlehem Central School District, is again being planned for instrumental band students currently in grades 6 through 12, and any interested alumni. The program will be directed by Mr. Samuel Bozzella, BCHS band director, and is scheduled to begin Monday, July 1, and end Tuesday, August 6, with a \$15 registration fee for each participating student.

The program will consist of two weekly rehearsals and two outdoor evening concerts. All music will be supplied by the Bethlehem Central Music Department and instruments are available without charge to school district residents.

A sufficient number of performers is necessary, in order to conduct both evening rehearsals and concerts. Therefore, this program will exist only if a balanced instrumentation enrolls. All interested students are urged to complete the forms given to them by their music teachers and return them by June 10, making checks or money order payable to the Town of Bethlehem.

The public is invited to attend an Art Show to be held in the Elsmere School gymnasium Thursday and Friday, May 23

Petition Deadline

Wednesday, May 29, is the deadline for the filing of nominating petitions for candidacy on the Bethlehem Central Board of Education.

The seats currently held by Mr. John Clyne and Mrs. Ann Patton are up for election this year. Both have indicated they plan to run for re-election.

As of May 17, only one nominating petition had been filed with the District Clerk. It is for Jonathan Deily of 47 Harrison Ave., Elsmere, who will oppose Mr. Clyne.

Petition forms are available in the District Clerk's office, 90 Adams Pl., Delmar. When submitted, they must contain the signatures and addresses of at least 25 district residents, and indicate for which Board seat the candidate will run.

Voting on candidates will take place on June 12, at the Bethlehem Central Middle School, at the same time that district residents will vote on

a proposed school budget for 1974-75.

Metzler Honored

Marilyn Metzler, Delmar, is among prospective graduates who will be honored at the 102nd annual commencement exercises at the University of Kansas Monday, May 20.

The commencement program lists 3,061 students who expect to complete work toward degrees by the end of final examinations May 17, with an additional 274 completing work at the K.U. Medical Center. An additional 1,563 have completed work for degrees since the last commencement ceremonies bringing this year's total class to 4,898.

Housing Needed

The Foreign Exchange Student Club (F.E.S.) at Bethlehem Central High has for several years been participating in a foreign exchange program for students from various agencies such as Rotary and International Fellowship. The club helps these foreign students adjust to their new surroundings and encourage them to participate in the school's activities. The club also arranges housing for these students during their stay.

The F.E.S. club sponsors the Anne Elbow scholarship

Affairs of State

which sends one of our students abroad for the summer months: Our students are able to go abroad only if we fulfill the exchange by housing foreign students visiting here. This year the Anne Elbow scholarship was awarded to Anita Butz, who will be leaving in June for Ecuador. During the previous years, the Butz family has shared the hosting of Rita Aulenbacher from Mexico and Jovita Vierra from Ecuador. Both girls have provided the families and school with fond memories and enriching experiences.

This next school year we will receive Hiroshi Ryumon from Tokyo Japan. He is seventeen years old. Hiroshi's strongest subject is math, and he belongs to the Abacus Club. He is active in sports and interested in Kendo. Hiroshi Ryumon appears to be a very promising student. We are hoping that we can find a family to house him for any proportion of the school year. This is our obligation since we are sending a student abroad next year; and we don't want to disappoint him.

If you are interested in helping us by offering your home, please contact Mrs. Textores at the High School by phone or letter.

Decorum in the Classroom

At the May 8th Board of Education Meeting, the Board voted to accept the discipline policy; the text of which appeared in the April 18th Spotlight.

On May 7th sixty parents gathered at one of the elementary schools to discuss their concerns about the schools. Among the topics discussed, one kept coming up time and again. The parents felt that one of the major problems in schools today is the problem of behavior, and the lack of enough effective ways to handle this problem.

Though other questions were raised about the quality of education our children are receiving and what expectations we have for our children, the main discussion, which ran over three hours boiled down to discipline, guidelines, and controls for student behavior. It was felt that if the behavior in the schools improves, the

quality of education must then also improve.

Some of the comments aired at this parent meeting were:

The lines of communication must be reopened between the schools and homes.

As soon as a problem is recognized, the parent must be aware of it, and become involved in correcting it.

Children have lost all respect for adults and for any type of adult authority, thus effective discipline becomes more difficult.

Children are crying out for guidance, direction and discipline.

Expectations of acceptable behavior in the schools must begin in the kindergarten and first grade in order to be effective and continue through the school years.

Suitable alternatives must be found for dealing with problem children, like the resource assistant at the Delmar School.

The result of no code or effective policy regarding discipline has made it possible for the few problem students to dictate the tone of the school

environment in which, unfortunately, the majority of the students suffer academically and socially.

Now that a discipline policy statement has been adopted, many of us would like to see reasonable but FIRM and effective guidelines set up to improve the behavior and total school environment so that parents, teachers and students know what is expected of them.

If you share these concerns, please join us on Wednesday, May 29th at 7:30 p.m. in the large meeting room of the Delmar Public Library. Your voice does count and we want to hear from you. Please share your ideas and concerns with us.

Area Student Honored

Special recognition was accorded several area students at the recent Awards Convocation at the State University of New York, Agricultural and

Technical College at Cobleskill. Just prior to the presentation, College President Walton A. Brown commended those to be honored for their proven qualities of citizenship, leadership, and scholarship; and noted that many others had earned recognition for their participation in constructive community causes. He noted, "You are this nation's most valuable resource; you are the young men and women who orient the next generation."

After Dr. Brown's brief remarks, the following area student was honored: Scott R. Tubbs, son of Mr. and Mrs. Richard Tubbs, 18 Greenock Rd., Delmar. Scott received the Occupational Program Award for Grounds Management.

LIBRARY NOTES

Donate Old Books

What are you going to do with all those dusty old books that have been lying around the house all this time? No one reads them anymore, and all they're doing is cluttering up space that you could use for something else, right?

Why don't you donate them to the Bethlehem Public Library! The Library is beginning to prepare for its annual summer booksale, and would appreciate any book donations. You would be doing an ecological good by recycling your books and you would be helping your Library. The dimes and quarters that the Library gets from the books it sells go toward special projects not provided for in the budget.

Do yourself, your books, and your Library a favor. Donate those books to the Bethlehem Public Library. Thank You.

The Three Musketeers

This new version of Dumas' boisterous tale is top heavy with talent, but the picture is directed in a frenzied fashion by Richard Lester who handles the musketeers as though they were the Beatles. The pace is too fast; the actors go "Ho Ho Ho" a little too heartily. It's all rather arch and never quite as exciting as it should be.

MOVIE REVIEWS

The Conversation

This highly contemporary film is about a professional bugger (if a bugger can be termed a professional) who violates his own dismal code of ethics by listening to a tape recording he is hired to make. Ordinarily he just tapes and delivers and does not concern himself with their contents or their ultimate use. This time it's different: he hears — and is involved in a murder.

The moral issues are approached, but there's a surprise ending that strains credulity.

Technically, **The Conversation** is fascinating, and Gene Hackman is a good actor, but on balance the movie is a mixed blessing.

The Last Detail

Jack Nicholson is the star of this honest and moving account of the journey to the Portsmouth Naval Prison of two guards and their prisoner, a young sailor convicted of stealing. It's a wild trip, taking

Annual Blue Cross report to the public

"The year 1973 was one of the most successful and productive in the 37-year history of your local Blue Cross Plan. Substantial growth in both enrollment and service to subscribers was accompanied by innovative programs designed to have a far-reaching effect on the cost and quality of your health care."

Ralph Hammersley, Jr., President

Enrollment passed the 600,000 mark, reflecting an 8.8 per cent increase over 1972 in number of subscribers. As of December 31, 1973, 59.3 per cent of the residents of Northeastern New York had Blue Cross coverage.

ENROLLMENT

1972	573,660
1973	624,392

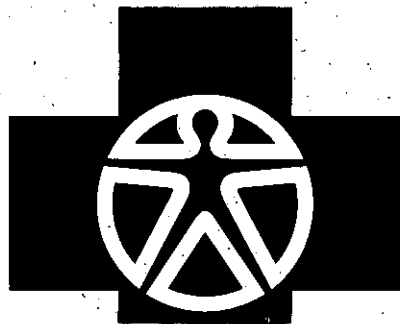

The number of service claims paid on behalf of Blue Cross subscribers also reached a new high—an 18.3 per cent increase over the previous year.

NUMBER OF CLAIMS

1972	363,588
1973	429,960

Continued enrollment growth and economy of operation are, of course, essential to the progress and vitality of the organization. However, your board of directors and officers have an additional responsibility of perhaps equal importance—concern for the cost and quality of health care received by subscribers. Some notable progress was made in these areas in 1973.

It is our belief that the most promising way to reduce the cost of health care for Blue Cross subscribers is through a reduction in unnecessary hospital admissions, by far the most expensive item in the health care delivery system. Last year we continued our efforts to provide all subscribers with outpatient benefits equal to the inpatient benefits for which they have coverage. A program was developed, effective January 1, 1974, that extends these benefits to approximately 124,500 community rated subscribers. By encouraging the use of outpatient facilities whenever appropriate to quality care, we hope to realize two cost containment goals—an immediate saving of the substantial difference between the cost of outpatient versus inpatient care, and a long-range saving through a resultant reduction in the need for additional hospital beds. Success depends upon the cooperation of doctors

There was a corresponding increase in the number and amount of claims paid by Blue Cross of Northeastern New York in its role as fiscal representative for Part A of Medicare:

1972	\$45,550,905
1973	\$51,672,756

The cost of operation of your Plan in 1973 remained a remarkably low 5 per cent, which means that 95 cents of each premium dollar was available for subscriber benefits. This was accomplished, in spite of continuing inflation of health care costs, through a combination of sound fiscal policy, technological innovations in data processing procedures and refinement of managerial functions resulting from changes in the corporate structure.

In a further effort to slow the rise in health care costs, Blue Cross played a leadership role in stimulating and coordinating a cooperative relationship among concerned groups and agencies that resulted in the establishment of the Upper Hudson Regional Comprehensive Health Planning Organization (URCHPO). We have consistently supported the concept of areawide planning as the most effective method of reducing unnecessary hospital construction as well as promoting more efficient and economical use and distribution of health care facilities. Blue Cross is represented on the board of directors and the executive committee of URCHPO.

Another movement that promises favorable influence on the cost and quality of health care - the development of health maintenance organizations (HMO's) - has also received our concerned support. The concept of prepaid group practice has much to recommend it as an alternative method of health care delivery. The practical functioning of a specific HMO, however, is dependent upon many factors; location, financial structure, population mix and viable professional relationships, for example. In order to have the data necessary to responsibly advise and serve our subscribers when an HMO option becomes available to them, Blue Cross has commissioned a feasibility study of HMO development in the tri-city area, the results of which will be made available to the public.

HMO's, areawide planning and expanding outpatient services are but a few of the current or proposed changes in the health care delivery system. More will come with implementation of the Professional Standards Review Organizations program and the enactment of national health insurance legislation. They will present many challenges, and possibly many problems, but they will also present many opportunities for Blue Cross to serve its subscribers and the community in new and significant ways. To review past performance, as we have done in this annual report to the public, is to give us confidence in the future and our ability to meet its challenges.

perate, confused man. Robert Redford plays him as though he was chiseled out of marble. Daisy (Mia Farrow) the woman of his dreams, looks pale and beautiful, but is completely without charm or appeal. You wonder, "Why does Gatsby bother?" With the principal roles mis-written, mis-directed, mis-cast, the lesser fry grab off the prizes: Bruce Dern, Karen Black are fine. Alas, The Great Gatsby sinks slowly in calm waters, a mistake, but a beaut.

Dear Sir:
Though I have been personally acquainted with Assemblyman Brown for sometime and hold him in the highest regard. I am compelled to disagree with his position on Assembly Bill No. 7772 which would create an Albany County Industrial Development Agency. At the same time I must applaud Senator Langley for his stand in opposition to this bill.

At the February 11, 1974 meeting of the Albany County Legislature, Resolution No. 31, was unanimously passed and in effect called upon the State Legislature to create an Albany County Industrial Agency. My support of this bill was the result of an assurance on the floor of the Legislature from one of the resolution's sponsors that there would be no conflict with the existing agencies already created by the Towns of Bethlehem and Guilderland. While I am sure the sponsor's remarks were not intended to be misleading and that legally there is no conflict, I now believe that the bill before the State Legisla-

ture should be defeated. I supported Resolution No. 31 but, as is almost always the case, the resolution was not available, even to members of the County Legislature, until approximately 6:00 p.m. on the day of the meeting at which it was voted upon. In addition, Resolution No. 31 was never referred to any committee of the County Legislature. What better example can be cited in support of the changes in the rules of the Albany County Legislature proposed by the Republican Minority. The present system strikes at the very heart of our legislative system as it prevents any legislator, regardless of political affiliation, from properly representing his constituents because it is made very difficult for a legislator to be adequately informed.

Once again we are faced with legislation that would take the ultimate decision away from the people most closely affected by it. A county-wide agency would be able to assist in the location and construction of industry without regard to local zoning ordinances. The decision as to where an industry may be located should and can best be made by the locality immediately concerned.

I had hoped that the pendulum was finally swinging the other way in that there has been some reason to believe that both the Federal and State Legislatures were moving in the direction of decentralization. Unfortunately, this bill would result in one giant step backward. For just this reason, I personally voted against Governor Rockefeller's Transportation Bond Issue and I have serious reservations concerning New York State's power to supercede local zoning ordinances by constructing quarter-horse race tracks without regard to local ordinances.

Since the Towns of Bethlehem and Guilderland already have Industrial Development Agencies and one is pending for the City of Albany, I see no reason why any of the other local municipalities within Albany County should not take

the necessary steps to adopt such an agency and in this manner retain local control.

HERE and THERE

An Invitation

Memorial Day is primarily a day set aside to those who made the supreme sacrifice in defense of their country.

For many years, Nathaniel Adams Blanchard Post No. 1040 of the American Legion, has been conducting a short, meaningful and dignified service at the grave site of the man for whom the Post was named. This year, the service will be at 10:00 A.M. on May 27th, at the Bethlehem Cemetery, followed by our annual Memorial Day parade which starts from the Post at 11:00 A.M.

Not only do we of the Blanchard Post invite you to attend this short service but we urge you to attend; for no where is the true spirit of Memorial Day more evident than at this service.

Bethlehem Memorial Day Parade

Plans for the 1974 Beth-

lehem Memorial Day Parade, sponsored by the Nathaniel Adams Blanchard Post No. 1040, The American Legion, Delmar, New York, being held on Monday, May 27, have been completed.

The parade will start from the Blanchard Post at Elsmere Avenue and Poplar Drive at 11 A.M.

The Chairman of this year's parade, which will consist of six divisions and many civic groups, is Ronald Hofaker. Mr. Winthrop F. Robinson, who holds the distinction of being the organizer and first Commander of the Blanchard Post and a member of the American Legion for 55 years, will act as Grand Marshall.

The parade route will be from Elsmere Avenue and Poplar Drive to Kenwood Avenue, to Adams Street, to Delaware Avenue to the Memorial Park. The ceremony at the Park will be a tribute to the deeds and sacrifices of gallant Ameri-

Theater Contest Winner

Bethlehem Central Middle School took top honors for technical production at the Kenwood Theater Crafts Contest held recently at the independent high school in Albany. The theater group, under the direction of Mrs. Ethel Collins, was awarded the trophy for "Best Technical Design" for their production of "Myths Dramatized."

The contest was devised and sponsored by Kenwood Aca-

demy of the Sacred Heart in order to foster and encourage interest in theater art among young people. It was open to all Junior High School theater groups, both public and parochial.

Pesnel Appointed

M. Edwin Pesnel, M. D. has been appointed first full time Chief of Pediatrics at St. Peter's by the Hospital Board of Trustees. He assumed this position on May 1st. Dr. Allan MacCollam has been part time Chief of Pediatrics for the past eight years.

A native of New York City, Dr. Pesnel graduated from C.B.A., Cornell University and received his M.D. Degree from Albany Medical College. He served a rotating internship at Albany Medical Center Hospital before entering military service as a Captain in the European theatre during World War II. Question:

I read recently that burials in Arlington and other National Cemeteries were being restricted. Is there anything I can do at the present time which will assure me of a grave space in a National Cemetery?

Answer:

Burial space in a National Cemetery is allocated only at the time of death. There is no provision in the regulation for assigning grave space for future need. To accelerate a request for space when death occurs, it would be well for us to have a copy of your discharge record in our files. We will make a photocopy from your original discharge. There is no charge nor obligation for doing this.

There are sixty-six National Cemeteries located in thirty-one states. How long it will take to fill these cemeteries at the present rate is unknown. Congress is presently considering the expansion of the National Cemetery system. We will have the details when any changes occur. Please call us at any time for information.

Proclamation

WHEREAS, The freedoms we enjoy have been attained and perpetuated by the sacrifices of gallant Americans who died while serving our Nation; and

WHEREAS, Their heroic deeds have not only contributed to the preservation of our precious heritage, but also have advanced the cause of individual dignity for all mankind; and

WHEREAS, It is both fitting and proper that a special day be set aside to pay tribute to their deeds as well as honor the millions of Americans who also wore the uniform of our country in time of war and have since passed on into eternity; and

WHEREAS, More than a century ago the first order was issued for a nationwide observance of a day "designated for the purpose of strewing with flowers or otherwise decorating graves of comrades who died in defense of their country"; and

WHEREAS, Such a special day of commemoration provides not only an occasion for expression of patriotic unity, but also a rededication of our efforts to achieve the ultimate goal of an honorable world peace which will determine that that day may finally come when such sacrifice will never again be necessary; now

ROUTE 9W, RAVENA • 756-2900

10-9 Mon., Wed., Fri. • 10-5 Tues., Thurs., Sat.

THEREFORE, I, Bertram E. Kohinke, Supervisor of the Town of Bethlehem, call upon all citizens to observe Memorial Day, May 27, 1974 in honor of our heroic dead and in reaffirmation of the founding principles of our great Nation. I further call upon each residence and business firm in the Town of Bethlehem to observe this day of commemoration with the display of the Flag of the United States as our testimony that we have not forgotten the cost of a free and undivided republic.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the seal of the Town of Bethlehem, on the 23rd day of May, 1974.

Red Cross Bloodmobile

The hands and efforts of several Town of Bethlehem organizations are joined in the promotion of the ensuing visit of the Red Cross Bloodmobile to be held on Thursday, May 23, 1974, from 10:00 a.m. to 4:00 p.m. at the Nathaniel Adams Blanchard Post of the American Legion on Poplar Drive in Elsmere.

In charge of Donor Recruitment are Mrs. William Galloway, Mrs. Ralph Young and Mrs. John McColl, with Mrs. Harold Tomlinson handling Donor Scheduling. Mrs. Robert Shaw is recruiting the Volunteer Nurses; Mrs. Alan Riedel is marshalling the women of St. Stephens Church to prepare lunch for the staff and volunteers and Mrs. Graham Redmond is Publicity Chairman.

Cookies will be furnished by several Girl Scout Troops whose leaders are Mrs. Kenneth Tucker, Mr. Arthur Young, Mrs. Joyce Strand, Mrs. R.A. Olsen and Mrs. Ralph Vitillo. Stewarts Ice Cream Store will furnish the ice cream.

Mr. Merwyn Atwood, Past Commander of the Legion, and volunteers from the Legion will unload and set up the Bloodmobile Unit, itself and Boy Scouts of Troops 58 and 85 will load the truck at the end of the visit.

Benefit Concert

The Albany Institute of History and Art will host the American Cancer Society's Annual Benefit Concert on Sunday, May 19, 1974 at 3:30 P.M. Guest artists will be the Mahigian String Quartet and Soprano, Rae Kaplan, now presenting their tenth year of classical entertainment as a benefit to help the yearly cancer drive. They have all been favorably received by critics and public, alike, for their own often unusual and always un-hackneyed programming.

They all had something in common — a determination to melt the excess pounds away.

Yet sitting in front of them were long tables loaded with appetizing dishes. This was Weight Watchers of the Capital District's Cookoff '74 and every member of Weight Watchers was invited to participate.

The setting was St. Stephen's Episcopal Church, Delmar. Each contestant carefully transported his or her recipe from

Perspectives

Home vegetables and gardening is the topic for "PERSPECTIVES," May 21, 7:30 A.M., Channel 13, WAST. David Reville, Cooperative Extension Agent in Albany County, will show what the home gardener should be doing this month. Topics to be included are planting flower gardens, trimming flowering shrubs, selecting a transplant, vegetable gardening, and container gardening.

Home gardening is more popular this year than it has been in many years. Both as a result of increased prices for produce and an interest in nature "PERSPECTIVES" will provide information for beginning and also for the more experienced gardeners.

"PERSPECTIVES" with hostess Sherry Harrington, is a weekly production of Cooperative Extension in the Capital District.

sored by the Bethlehem Tennis Association and the Town of Bethlehem, have been mailed this week to all members of the BTA:

(The forms will also be available in the Town Recreation Office, 114 Adams St., Delmar, and at other locations in the Tri-Village area. A copy of the form, which can be clipped and submitted, will run in next week's Spotlight.)

All residents of the Town of Bethlehem and the Bethlehem Central School District are eligible to compete in the tournament. It will take place on the weekends of June 15-16 and June 22-23.

Matches on the first three tournament days will be held on the Bethlehem Central Middle School tennis courts. Final round matches will be held on June 23 at the Bethlehem Town Park on Elm Avenue, followed by an awards ceremony and picnic.

The deadline for submitting entry forms will be June 10. Draws will be completed by the Committee the following day, and then each participant will be notified of the time of first-round matches to be played on June 15.

Scholarships to be Given

Two scholarships to the Annual American Red Cross five day Youth and Water Safety Institute to be held at Silver Bay Resort, Lake George, have been awarded by the Delmar Rotary Club.

Robert Carr, president of the club is to make the selection of the two students from Delmar who will attend the school which gets underway on Friday evening, June 21 and closes on Wednesday, June 26.

Members of the faculty from the Bethlehem area who will serve at the school as volunteers are: Nancy Smith, Ray Patterson, Murray Hollister, James H. Carnahan, John Osterhout, Ellen Carnahan, Frank Ferrò, Leslie Hoar, William Schoomaker, Carolyn Kovacevic, Ben Castle, Duncan Hay, and Dale Rice.

Carousel, Next Production

The Slingerlands Community Players will revive Rodgers' and Hammerstein's **Carousel** as their mid-season offering of the '74-'75 community theatre season. Ed Lange, Chairman of the group's play reading committee, said that the selection of the Rodgers and Hammerstein vehicle was inspired in part by the Players' successful production of **Oklahoma** last year. Lange added that success of any production must be gauged by the enjoyment it provides on both sides of the footlights and that **Carousel** has all the promise a show needs for success by this criterion.

Donald Bessette of the faculty of Albany Junior College will direct. Most recently Bessette has directed **Anything Goes** and **You Can't Take It With You** for Triune Players.

When it comes
to car insurance
for young people,
we look at your
driving record...

Not your
birth certificate.

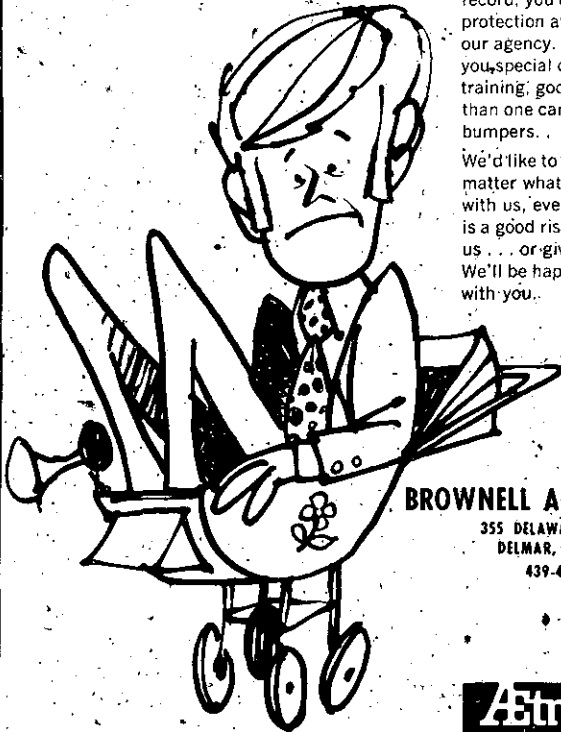

Let's face it. Young drivers have more accidents than older drivers. Insurance companies have mountains of statistics to prove that.

But that doesn't mean that every young person is a bad driver. And it doesn't mean that a young driver should be insured in the Assigned Risk Plan just because he's under 25.

At least that's the way we feel about it and that's the way one of the major companies we represent feels about it... Aetna Life & Casualty.

We don't care how old you are. If you have a good driving record, you can get quality protection at a fair price from our agency. And we'll give you special discounts for driver training, good grades, more than one car... even for good bumpers.

We'd like to talk with you, no matter what your age. Because with us, every good driver is a good risk. Come in and see us... or give us a call. We'll be happy to do business with you.

JOTTINGS by Joni

Now is the time to start your vegetable gardens. I urge everyone to have at least a small one. So great is the satisfaction of eating the food that you have grown yourself. If you haven't any ground space to plant, baskets and pots may be used instead. Besides being very satisfactory, it is also very economical!
