HAPPY NEW YEAR "BOB"!!!

*Come bank in our parlor... our living room...
our dining room.*

We're having a Bankwarming, and You're invited.

Good News... Fidelity Bank has come to Bethlehem. While our house is only temporary quarters until our new building is completed, we're bringing our new neighbors all the great banking services we've provided for the people of Colonie and Albany for almost 9 years.

Like any new neighbor, we hope to meet all the folks in Bethlehem,

and we'd like you to feel right at home with us. So, we're open Monday through Friday from 10 AM until 6 PM, and, for your added convenience, Saturday from 10 AM until 1 PM. We call these "customers' hours."

Come see us at 354 Delaware Avenue. The door's open, and we'll be in the parlor.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home: For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth . . . and keep it that way with automatic Inflation Coverage.

Church School

The Tri-Village Clergy Association is happy to announce that, again this year, there will be a Church School class for children of school age who need special education. This will be the third year that these classes have been held and enjoyed by the students. This is a completely ecumenical project and students from the Tri-Village area are cordially welcome.

Classes are held every Sunday morning at the First Methodist Church, Delmar from 9:15 to 10:30 A.M. Parents may worship at the church of their choice during the hour. The opening date for this year is September 22.

Miss Sue Pitcher, a Senior at the College of St. Rose, majoring in Special Education is the head teacher. She is assisted by a staff of adults and teenagers from member churches. Each child had plenty of social and group activities as well as a time for one-to-one friendship with a staff person.

We welcome new students to the school this year. Families who have a child who cannot

get a "Sunday experience" in regular classes, are urged to visit the school some Sunday and enroll their youngsters in the program.

Groves Presented with Certificate

Mr. Maurice W. Groves was recently presented a certificate of commission in the National Defense Executive Reserve of the U.S. Department of Transportation, Federal Highway Administration. Mr. Groves who is retired from the Federal Highway Administration is presently self-employed as a consulting engineer and resides in Delmar.

The presentation was made by Mr. Victor E. Taylor, Division Engineer for New York, for Mr. Robert E. Kirby, Regional Federal Highway Administrator in a ceremony held at Mr. Taylor's office.

The National Defense Executive Reserve consists of a nucleus of executives from industry, business and private and public institutions who have been selected to assume executive positions in government during periods of nation-

al emergency and mobilization. Members of the Federal Highway Administration Executive Reserve are selected on the basis of their executive ability and professional engineering qualifications, and are appointed for a three-year period. While in the reserve, the Executive Reservists receive periodic briefings on the responsibilities and functions of the Federal Highway Administration to qualify them to step into key positions in the Administration should the need arise.

Concerning the cats, she can't help but be suspicious that revengeful neighbors had a part in this act. Yet one remains helpless to point the guilty-finger, but suffers her grief alone, knowing nothing can be done.

I wish there was some organization that could follow these things up, but with countless such cases it would be a mammoth task and an expense we do not need in this day and age.

It's a terrible feeling to think a human being may have had a hand in the disappearance of the three cats. I'm very sorry. I know how attached one can get to his pets.

The only organization I know of that may be able to help, is the Mohawk and Hudson River Humane Society. Try giving them a call at: 434-8128.

Fair and Chicken Bar-B-Q

The Albany County Pomona Grange will hold a Fair and Chicken Bar-B-Q at Ravena Grange Hall, Coeymans Hollow, N.Y. on Saturday, September 21, 1974.

We will have games and exhibits from 1-7 P.M. Chicken Bar-B-Q from 4 to 7 P.M.

There will also be Round and Square Dancing from 9 to 1 A.M. with music by the 2R's and K and maybe you'll be a lucky one and go home with a door prize.

Tickets may be purchased from Grange members or at the door.

Come and have a good time!

JOTTINGS

by
Joni

Here's a letter from someone (whose name was asked to be withheld) who tells of another mysterious happening to her friends' animals.

To Whom it may Concern:

I was so incensed to hear of the tortured cat, covered with tar, I cannot fathom the human being who would perpetrate such a savage act. What has become of the Golden Rule?

Now, in the past three weeks, another cat owner has missed three of her pet cats. A dog at home has died of natural causes besides!
