The Light Touch

Adolescence is a period of rapid changes. Between 12 and 17, for example, a parent ages as much as 20 years.

Maybe, grandma had more time to cook because she didn't have to spend so much time reading the ingredients on the label.

A rare book is one that comes back after you've lent it out.

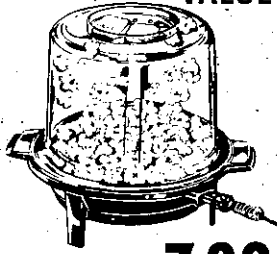

Poverty is a condition we try to conceal at the time — and then brag about later in our memoirs.

cated at the Kenwood Academy on Route 9W (Southern Boulevard Extension) just south of Howard Johnson's Motel and Restaurant, is holding a Cocktail Party benefit on Saturday, October 5, 1974 from 6:00 to 8:00 P.M. Music will be provided by a well-known area group.

The Children at the Center are providing the main theme of the party by creating a unique "circle of friends" theme. As part of the experimental and highly educationally oriented program, the children are making life-size depictions of themselves including even the details of clothing and color.

The benefit party will begin at 6:00 P.M. in the Auditorium of the Kenwood Academy. A large crowd is expected to support the efforts of this community serving Center (presently 60 children). We hope to see you all there having a good time.

PDQT Meets

A meeting of the "People Deserve Quiet Trucks" (PDQT) group in Selkirk was held on September 16, to map progress toward a vehicle noise control program for the Selkirk area. The area has unusually high truck traffic, on the order of 100-200 heavy-duty truck trips per day through the residential section of Maple Avenue alone, and the noise generated by a small segment of this traffic stands out as an intrusion on many aspects of life in the community. "PDQT" seeks to locally apply reasonable truck noise control standards, as now done in other parts of the country, in order to recognize

a current need of the community and encourage continuing improvement as commercial advancements allow.

The meeting, at Mr. and Mrs. Richard Endreny's home, reviewed recent surveys of noise patterns in Selkirk and an opinion poll on how people living adjacent to Maple Avenue view the problem. The surveys showed that a small but meaningful 10-20 percent of heavy-duty traffic is emitting noise in excess of legal and commercial standards while a large majority of residents rated truck noise as a community problem worthy of adequate correction efforts by industry and local government.

The "PDQT" as a result of the September meeting, is preparing to petition for a broad local enforcement program along Maple Avenue using existing legal authority in residential speed zones as a basis for action. The group is also basing its appeal on imminent Federal truck noise standards, developed under the Noise Control Act of 1972, which can be properly adopted as local ordinance. The group is optimistic that the time is right for official recognition and control of the unique truck noise problem in Selkirk and sees related noise reduction resulting for surrounding residential areas.

Don A. W. Patterson, Bank Vice President, is on Mr. Kohinke's right. The property, which is part of the land purchased by National Savings Bank for construction of an office on the four corners, consists of a 15 foot wide strip running west to east on Kenwood Avenue for 321 feet and was deeded to the town for the purpose of widening the roadway. Remember to bring chairs or blankets to sit on. In case of rain, Octobersing will be held at the Altamont Elementary School.

Boy Scout Night

Thursday evening, October 5 has been designated as School Night for Scouting throughout the Capital District area by the Governor Clinton Scout Council and 13 participating school districts.

James Beck, Council Executive explained that School Night was started two years ago to make it easier for young men and their parents to join their neighborhood Cub Pack or Scout Troop at the start of the school year.

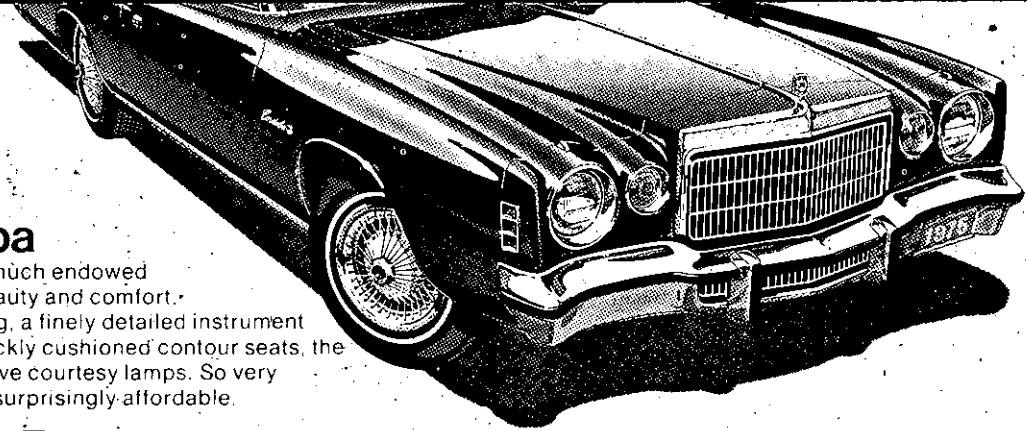

The Council cooperates with area school districts for this event and schools stay open so that boys can go to a local school and meet the area Scout leaders and find out about the local Scout program.

"School Night accomplishes two things," Beck explained. "First its easier for boys to join Scouts by simply going to their neighborhood School. And, we can pinpoint those areas where there are not enough units to accomodate the requests and then set up the needed Cub Packs or Troops."

Following are the schools that will be open in your area: A. W. Becker School, Selkirk; Coeymans Elementary School, Ravena; Delmar School, Delmar; Elsmere School, Delmar; Glenmont School, Glenmont; Hamagrael Elementary School, Delmar; St. Thomas R.C. School, Delmar; Altamont Ele-

see what difference it really makes to the stories and beliefs surrounding His existence. The important thing is for a child to believe.

I received another letter from Virginia Sabin who is also in favor of putting God back into our schools.

Here it is:

Dear Jóni:

Thank you for printing my letter about Mr. Fuller. How interested he would have been in the response I got to a letter, printed in an Albany paper over my name, in favor of putting God back into our schools again. "What are you, a Catholic?" my caller demanded.

Some years ago Justice White spoke to our Women's Society for Christian Service. He told us that, of the young people appearing before him, those who had come from a home where God was acknowledged would not appear more than a second time, if that. With high prices today, many mothers have to work; sometimes God is forgotten. If sex must be taught in school because it isn't taught in the home — what about God, our Creator, who is acknowledged by Jew, Christian, Mohammedan, American-Indian, etc.?

My daughter is a Librarian at a Bible Training Center. At her graduation from Bethlehem Central, Dean Noble said, "This above all, to thine own self be true. Thou canst not then be false to any man."

May our public schools again acknowledge that a Supreme Being exists. Our young Russian visitors look for truth in this land of the free.

Yours truly,
 Virginia S. Sabin,
 (Former member Albany Council against Crime and Juvenile Delinquency)

GUEST EDITORIAL

What's New At B.C.

Well, I guess it is that favorite time of year for all students everywhere — that great time of year when Bethlehem Central High School begins to circulate once again. While the lunch staff, teachers, aides, and principal begin to circulate in September, the students usually tend to wait till late June before they give it a go. Maybe it is the lovely June weather that does it. I really doubt it could have anything to do with the fact that school is out. Let's face it, kids love school, and it breaks their little hearts to leave in June. Oh well, what can you do?

Well regardless of whether they're ready or not, the high school has provided the students, with a couple of new items this year. This year, the students, through the work of student senate were provided with an "Off-Campus" policy. Any student who has an hour or more free time may leave school during this time. They are required to have their parents permission, and carry an "Off Campus" card with them stating the time they wish to leave. The students have definitely been pleased with the idea. It has cut down on crowded situations in the school's cafeteria at lunch time quite a bit. This is a first for Bethlehem Central, and it looks like it is going to work quite well.

Along with the new items, this year at the high school, students are required to register their vehicles if they drive to school. Stickers, provided by the school, must be placed on the bumper of the car in order for it to be parked in the school lot. Any student who doesn't register his or her car and parks in the lot will have to remove the car, and par-

Snowmobile Club Meets

The Helderberg Ridge Runner Snowmobile Club held their first meeting of the season on Tuesday, September 17. The meeting proved to be very interesting with two guest speakers. There was a representative from the Sheriffs Department and also one from the department of Parks and Recreation, to speak and to answer any questions on new snowmobile laws. Also on how to enforce the present laws in order to eliminate the offenders that give snowmobiling a bad name.

The Club has planned many new features this year to help stimulate new interest and recruit new members. Among these are a movie once a month on different subjects pertaining to snowmobiling. Also there will be a representative of the Red Cross who will come and give instructions on first-aid for use for ourselves and also for community use when we are called out in an emergency.

The Ridge Runner Club in order to promote a good name for snowmobiling and also to become active in community affairs holds several events thru the year. Among them is a Kids day at Trinity Camp on Lawsons Lake. The club brings their snowmobiles and gives the kids rides for the afternoon and then they provide hot dogs and all the trimmings for a weiner roast in the snow. The kids have a ball. Also planned is a fund raising ride for Cerebral Palsey. Members bring their machines to a designated spot, last time it was at the Municipal Golf Course, and give rides to people for whatever donation they want to make.

The club also has planned for the year a Christmas party, a Rally and an end of the season banquet.

We would welcome anyone who would like to attend any of our meetings. Come and join us! We meet every first and third Tuesday of the month at Meads Inn in Feura Bush.

Albany Ski Club Meets

Barney Fowler, Times-Union columnist and author of the Adirondack Album just off the press, will be guest speaker at the kick-off social meeting of the Albany Ski Club, Thursday, October 3, 8:00 P.M. at the Center Inn, Glenmont.

The meeting is open to the public, and Bob McNary, club president extends a special invitation to interested guests, at this should be an informative and entertaining evening.

Barney declares that his "interest in skiing goes right smack back to the days when the very first trails appeared on Gore Mt. at North Creek, and we don't mean the State trails. All this was back in the 1930's during snow train times."

The Albany Ski Club meets every first and third Thursday of the month at the Center Inn. For information phone Bob McNary, 439-6608.
