Joni

It is to be understood that I have not taken a stand on Mrs. Butz's problem with the Delmar Postal Service which she wrote about in a letter which appeared in my column last week. I have not heard from the Post Office of their explanation for what happened, but I did receive a letter in reply to Mrs. Butz's letter.

Here it is:

An Open Letter to Mrs. Butz  
Dear Mrs. Butz,

I, personally, cannot answer all the questions raised in your recent letter, since I am not a postal employee. But, I do feel, that by writing an open letter to Mr. Mulholland, rather than talking with him personally, that you have "blackened the eye" of every fine postal employee in Delmar, who do their job efficiently and faithfully.

True, you have had an unfortunate experience. Perhaps the substitute carrier made a mistake by delivering your mail, but everyone, thank God, is human and capable of error.

I do know, however, that unless the sender of your "special delivery" letter requested a signature, your carrier acted properly by ringing the bell & placing it in your letter box. As far as different delivery times, this happens occasionally when the mail volume is so heavy that a substitute is put on the route along with your regular carrier and each do a part of the route. Your mail naturally gets to you earlier. When mail volume is normal, your carrier does it alone & therefore he delivers the mail later than when he had help. I know these two things for fact because they have happened to me. But other things have happened to me, and I'm sure to others that no one ever hears about.

For instance, last winter, because of ill health, I could not shovel my walks — still my mail man trudged through the snow & ice to deliver my mail. How many people, with no

valid reason, fail to shovel their walks for delivery of mail? Did you know that postal regulations state that mail need not be delivered unless walks are shoveled! Your mailman also has to contend with unleashed aggressive dogs who often bite — and our town has a leash law!

I know of one mailman in Delmar who found one of his patrons quite ill, after noticing she hadn't been seen for a couple of days. If it hadn't been for his "humanness & concern," she might have died.

I also know of several people who call their mailmen at home in the evening to request special favors & to my knowledge their mailmen try to oblige. But I also know of several people who show no appreciation for their carrier's good service. Would you be willing to trudge through snow & ice or walk in the pouring rain, or be attacked by unleashed dogs to deliver mail to people who won't even mutter a civil word, much less thank you for your service. These same people who never take the time to say "hello" are always the first to complain if someone makes a mistake.

To my knowledge there is no public or private enterprise anywhere, that has 100% perfect unerring employees. It is my feeling that 95% of our postal employees do a great job and and people who drag little problems into the public eye, rather than settle them privately with the people involved, deserve no special consideration by our mailmen!

Sincerely,  
Carol Hoyt

# LET'S CHANGE THE SALES TAX!

You can count on Carl Touhey. The Republican-Liberal candidate has a practical solution for eliminating the sales tax on necessities such as home heating fuel, shoes, wheelchairs, soap and diapers.

*End the exemption on commercial advertising.*

The sales tax measure was passed 9 years ago by a Democratic legislature. On home heating fuel alone, the sales tax has soared 1250%. This law needs changing.

His Democratic opponent talks about lowering taxes but has yet to mention one specific state tax he would change or lower.

The people of Albany and Greene Counties need someone to stand up for them...and Carl Touhey is that man.

*Paid for by the Touhey for Senator Committee.*

tional Services Center, 90 Adams Place, Delmar, just prior to the Board's regular business meeting.

At present, the maximum allowable income for the tax exemption is \$6,000, and the Board will consider upping it to \$6,500. To be eligible for the partial exemption, persons must also be at least 65 years of age and own property, in the school district.

The Bethlehem Town Board will hold a hearing on the same measure that night.

### "Pops" Concert

On Thursday, November 7th at 8:00 P.M., the Senior High Music Department will present its annual Fall "Pops" Concert in the Bethlehem Senior High auditorium. Performing groups will include the Orchestra, Concert Band and Wind Ensemble under the direction of Mr. Salvatore Gangi and Samuel Bozzella, while the choral portions of the program will be directed by Mr. Joseph Farrell.

The Senior High choral groups will feature selections from the various Broadway musicals while the Wind Ensemble and Concert Band will continue by featuring Bernstein's "West Side Story" and selections from "My Fair Lady" by Lowe respectively. The Senior High Orchestra will continue by performing the First Suite from "Carmen" by Bizet.

Tickets will be sold at the door and the public is cordially invited.

### "Catchin The Flo With The Seniors"

What is it like being a Senior in the year nineteen hundred and seventy four? It is absolutely an amazing experience, that I find extremely difficult to even put in words. You sort of get that same feeling that you do when you put your foot in a nice hot fireplace. I really don't think that even expresses it totally. Come in and we will go over to the Senior Room at B.C. so you can see it for yourself. But I'm warning you, it is going to be an experience you won't ever forget.

Here at the doorway of the Senior Room, we find some students doing what we call "catchin the flow." In other words watching the changing of the classes. This is an enjoyable passtime for many Sen-

iors at B.C. Don't forget now, this is only the beginning. Now that we are in we have a whole other book to read. To the left is located the most treasured, sacred, majestic, honored, object I think the senior's have ever seen in their life. Most people know it as a soda machine, the seniors like to refer to it as a "gift from God!" Further left there are all the Senior boys from B.C., about seven, playing a heavy game of cards. Sometimes they start playing ruff and get into almost two or three hands of "Go Fish" at

once. Towards the center of the room, lined up like birds on a telephone wire are all the senior girls, 9,453,047, approximately, seated on the couches. Usually every other girl is knitting or crocheting pretending they are making something really cool! Sometimes when we are really lucky for excitement, Mr. Karp will visit us and greet everyone with a pleasant hello, turn down the stereo and take away the boys pacifier, their cards.

Well, I better stop now before you get too excited. I know

Waitresses Debbie Ambrose, left, and Susan Mitchell, right, hold the giant crepe aloft as Assemblyman Fred Field of Colonie officially opens Audrey's Creperie, new Northway Mall eatery, by cutting the first crepe. Also participating in the event are, left to right: owner and namesake, Audrey Davis, Mike Hoblock, Town Clerk; and Mike Davis, owner.

Besides the items made by the church members — ranging from crewel embroidery to stuffed animals to finely detailed Christmas ornaments — the bazaar will offer a selection of imported items by skilled craftsmen in developing countries.

The co-chairpersons of the

event, Mrs. Lois Butz and Mrs. Dorothy Geyer, said the bazaar grew out of a desire by some of the women to meet on a regular basis to work on craft items.

**NEW LOOK AT GLENMONT PLAYGROUND** — Among the many Glenmont PTA and school district staff volunteers who spent all day (Saturday, October 19), at the Glenmont School playground, installing non-commercial play materials such as these various-sized pole blocks were, from left, Brett Zick, Bruce Heathwaite, Dick Dillenbeck, and Bob Zick. The brightly-painted playground items, including also old tires and a tree hut, have made a big hit with Glenmont pupils, and their physical education teachers, Bill Fuller and Bob Oates, are now developing programs of instruction which will make use of the materials.
