There's a lot more capital in the capital these days

now that FIDELITY'S changed its name
to **MANUFACTURERS HANOVER!**

Fidelity Bank and Trust has changed its name, but not its style.

We'll still be managed and staffed by hometown people.

We'll still be the most innovative bank around in bringing you new and valuable banking services.

We'll bring our services closer to you with convenient new offices.

All that's changed is our name . . . and the amount of capital behind us.

Last year we became part of one of America's four greatest banks, Manufacturers Hanover of New York with assets of \$26-billion.

Manufacturers Hanover started in 1812, and literally grew up with America. It became a great bank by being mighty helpful to a lot of people. That's our idea, too. So, if Manufacturers Hanover seems like a mouthful, just think of us as the Mighty Helpful bank.

A TIME FOR THANKS. AND A BOOK TO BE THANKFUL FOR.

At this very moment you can be grateful, for God's goodness is real, present, and provable.

And you have the Bible to help you see it.

Our Thanksgiving service includes a special Bible Lesson... readings from the Scriptures and from *Science and Health with Key to the Scriptures* by Mary Baker Eddy (a lesson you can also read this month in any Christian Science Reading Room).

You'll join in singing hymns, and hear people tell of healings - their own proofs of the power of Bible truths. You'll feel your burdens lightened, too.

Won't you join us in giving thanks?

Fidelity Bank Changes Name

Fidelity Bank has changed its name to Manufacturers Hanover Trust Company/Capital Region.

The bank, which first opened its doors for business in 1966, was acquired in 1973 by the \$26 billion Manufacturers Hanover Corporation.

"As Manufacturers Hanover's affiliate in the Capital Region," according to Patrick J. Ryan, Chairman "we can be more easily identified with our other member banks in Rochester, Buffalo, the Mid-Hudson area, Long Island, and New York City and, next year with three other affiliates that will round out our statewide banking facilities."

PAINT MATES

A PERFECT PAIR FOR WOODWORK AND WALLS IN EVERY ROOM

"Sat-N-Hue" Latex Flat and "Marvelustre" Latex Semi-Gloss were made for each other. All colors come in both finishes, so you can combine the beauty of a velvety flat on walls with the extra soil resistance of semi-gloss on trim, doors and cabinets. "Marvelustre" is also ideal for kitchen and bathroom walls. Its semi-gloss finish resists fumes, steam and moisture. Both are fully washable and easy to apply. Come see our 1240 Custom Colors.

Families falling within these scales, which provides for adjustment for uncontrollable financial hardships, are urged to apply for free special milk for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school.

This program is very important in all school systems. Our children need milk daily. If you can't afford to pay and come under these conditions, apply for help. Don't let pride stand in the way of your child's health.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home: For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic Inflation Coverage.
